Starting on opening day and continuing throughout the year, IDEAL followed strict COVID protocols to keep our community safe.

In this annual report, we recognize and express our gratitude to all of our supporters for their financial contributions in the 2020-21 fiscal year. In 2021, The IDEAL School of Manhattan graduated its fourth class of seniors as a fully registered and accredited K-12+ independent school, the only inclusion school of its kind in New York. Thirteen IDEAL students moved on to continue their educational experiences at colleges or postsecondary programs, including IDEAL's own Next Steps Transition Program. With the financial support of the friends, families, and staff members named in this report, IDEAL is able to provide a rigorous, nurturing, vibrant learning environment to a truly diverse body of students. As the pandemic continued, these contributions also helped to offset the many investments that were made to keep our community members safe and maintain continuity for our students throughout the school year and moving into 2021-22.

## A MESSAGE FROM THE PRESIDENT OF THE BOARD

Dear IDEAL Families and Friends:

The 2020-21 school year was a second year of reinvention as the Board decided that our doors would be open but we would also bring an IDEAL education to students who remained at home due to the pandemic. I want to thank the other members of the Board of Trustees who worked tirelessly with IDEAL administrators to develop and implement plans that would keep our students safe and also continue to follow our mission.

I am happy to share that we were able to weather the storm. We reinvented our largest fundraiser, the 16th Annual G.A.L.A. (Gatherings Across a Large Area) as a series of smaller gatherings held at the homes of community members within their trusted pods, but connected together online in honor of our own frontline workers, our faculty and staff. Thanks to the faculty members and students who put together music videos and to our seniors, who recorded video messages for the G.A.L.A. guests. The evening netted over \$200,000 that went to support our operating budget and benefit our students. The Gala, combined with other fundraisers such as the Summer Double Dip, An IDEAL Day of Golf, 5K Your Way, and other efforts brought \$744,882.50.

Many times over the year, I was in the room as my son attended his classes, virtual dances and get-togethers, and school assemblies. I witnessed the power of inclusion and saw that no student was left out of the conversation, the lesson, or the fun, not by teachers and not by other students.

Your support enables us to fund this unique program. As important as outside donors are to continuing our mission, our IDEAL school community proved their commitment to our mission with overall donations to The Pioneer Fund reaching 91% for families and 100% for faculty and staff. Giving financially, while giving of themselves every day, is proof positive that our faculty and staff are simply the best.

We on the Board have had to learn a lot since March 2020. Like everyone, we navigated uncharted waters, learning as we went. I greatly appreciate the work of our Board, but especially the work that our faculty and staff did to make the school operate on a day to day basis throughout this trying time.

Thank you for all you have done to keep us going,

Jay Eisenhofer  
President of the Board of Trustees

## A MESSAGE FROM THE HEAD OF SCHOOL

Dear IDEAL Families and Friends:

The 2020-21 school year brought many new challenges for the IDEAL community. Our plan to start the second school year in the pandemic was to re-open our buildings in September 2020 with a hybrid model, allowing our students to attend in-person or online. I am proud to say that everyone stepped up to do their part to make the transition to yet another way of teaching and learning a success. We all did our best to live the IDEAL mission while navigating this new reality.

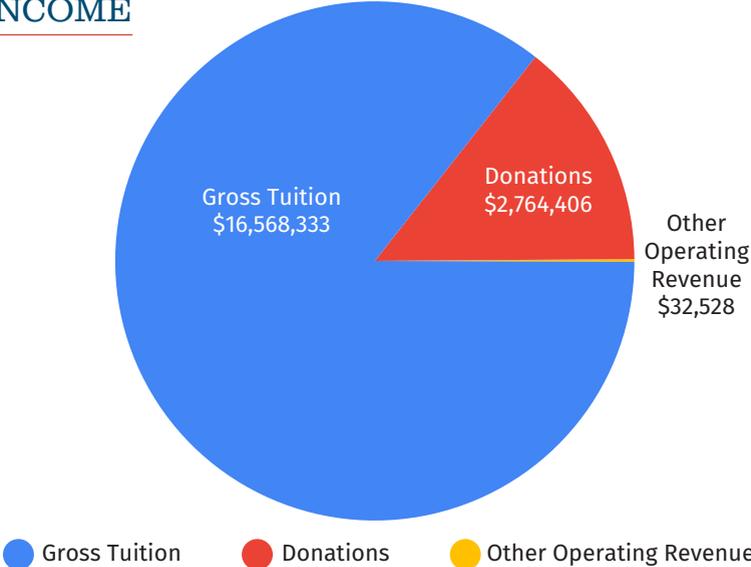

We kept our IDEAL traditions in a modified form throughout the year, initially assembling only on Zoom, but later coming together in person in larger groups for our Senior Dinner and Graduation. Our largest senior class yet saw 13 students move up to college and postsecondary programs including our Next Steps Transition Program. I am proud to share that our seniors earned over \$950,000 in scholar dollars and added many more schools to our impressive list of acceptances and matriculated to schools including Colgate University, Emerson College, Syracuse University: InclusiveU, and further afield at the University of South Carolina Aiken and Xavier University of Louisiana.

Though challenged in so many ways by the pandemic, we held together as a community, whether attending dances on Zoom or modifying school sports to align with social distancing standards. Families attended the annual Civil Rights Museum and ArtBeat online and our teachers and students developed innovative ways to share their work in this forum. We even created the inclusive, virtual 5K Your Way, welcoming participants from an expanded community to take advantage of the limitless opportunities of a virtual event. More than 200 people joined our 5K and also made contributions to The Pioneer Fund.

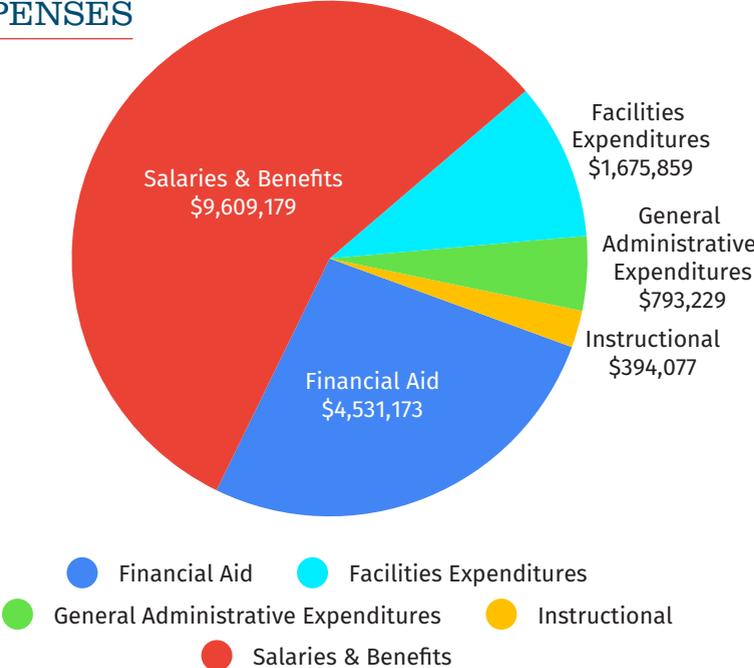

We hope that we can always teach all of our students inside our buildings and welcome in families to join our traditions, but I want to give my thanks to everyone who continues to do their part to adapt to our current circumstances. We have never lost sight of the importance of inclusion and equity in our school and the world at large. Thank you for teaching, supporting, donating, and volunteering. Together we are IDEAL.

## THE FOUNDING BENEFACTORS SOCIETY

**T**he Founding Benefactors Society was established in 2006 to recognize individuals and families who donated \$25,000 or more to IDEAL during the school's first five years (2005-2009).

The IDEAL School of Manhattan is incredibly grateful to all those who committed critical resources to the school during this time.

## THE IDEAL SCHOOL PARENTS ASSOCIATION

**T**he **IDEAL School Parents Association** fosters a spirit of community and serves as a bridge of communication and cooperation among the parent body, administration, and faculty. The PA also coordinates volunteer efforts and helps organize various fundraising and community-building events that support IDEAL's mission. All families of students attending the school are automatically members of the PA, and class representatives keep families informed about life at the school and PA initiatives.

In 2020-21, the PA was instrumental in our fundraising efforts that saw family giving to The Pioneer Fund reach 94%. The IDEAL community thanks the leadership and members of the Parents Association for their hard work and generosity.

On December 1, 2020, coinciding with #GivingTuesday, IDEAL hosted a virtual 5K run, walk, or wheel for the entire community.

## THE OPEN DOOR SCHOLARSHIP FUND

DEAL's student community reflects the rich diversity of New York City, and we are extremely proud of our extensive socioeconomic diversity. The Open Door Scholarship Fund, established in 2010, allows us to continue to provide access to an independent school education for students from under-resourced communities. Every dollar donated to the Open Door Scholarship Fund goes directly toward the tuition of students in the Standard Program.

We seek individual, corporate, and foundation partners to support this effort by funding scholarships for children in need. More than 48% of IDEAL students receive tuition assistance, and the average financial aid award is 89% of tuition. This represents an investment of approximately \$4.8 million annually, approximately 28% of the school's expenditures. Open Door Scholarship funding allows the school to continue to invest meaningfully in the program and to meet the needs of our diverse student body. Thanks to the generosity of donors to the Fund, our Open Door Scholars are thriving.

If you are interested in supporting the Open Door Scholarship Fund, please contact Finance Director Margaret Conklin at [mconklin@theidealschool.org](mailto:mconklin@theidealschool.org). All gifts to the Open Door Scholarship Fund are tax-deductible to the full extent of the law.

## THE 16TH ANNUAL GALA

DEAL's Annual Gala commemorates our mission and raises funds to support the school's operating budget. Due to the pandemic, the school reinvented the event as the G.A.L.A. or Gatherings Across a Large Area. The IDEAL community came together to support the school and to recognize of the work of our faculty and staff on Thursday, May 13, 2021. Many friends and community members held events where they shared Oysters + Wine packages made available for the occasion by De Gustibus Cooking School, who also provided an oyster shucking presentation and a wine pairing class. We are grateful to the families and friends who attended or donated to this year's event, which raised over \$200,000. All proceeds from the night benefited the Open Door Scholarship Fund, supporting students currently enrolled in the Standard Program and helping their families afford an inclusive IDEAL education.

Thanks to G.A.L.A. Committee members Jannette Lopez, Christine Mickletz, Fred Neuman, Tracy Nixon, and Audra Zuckerman, along with Jay Eisenhofer and the members of IDEAL's Board of Trustees, for the creativity and hard work they put into reimagining our annual in-person tradition as a virtual event, complete with entertainment provided by IDEAL students.

G.A.L.A. attendees gathered at small parties at home and connected together on Zoom

## Ways to Give to The IDEAL School of Manhattan

### CASH CONTRIBUTIONS, CHECKS, AND CREDIT CARDS

A gift of cash is the simplest and most efficient way to support The IDEAL School of Manhattan. Cash donations are put to immediate use for programs, financial aid, salaries, professional development, and other projects. Checks can be sent to the attention of Finance Director Margaret Conklin. Contributions can also easily be made by credit card at [www.theidealschool.org/giving](http://www.theidealschool.org/giving) or by contacting Margaret Conklin at 212-769-1699 or [mconklin@theidealschool.org](mailto:mconklin@theidealschool.org).

### MATCHING GIFTS

Your gift can be doubled if you are employed by one of the more than 1,000 businesses and companies that match employees' and retirees' donations to nonprofit organizations. You can obtain the appropriate forms from your company's human resources department or corporate foundation and forward them to IDEAL with your gift. You will receive credit for both the original gift and the matching gift, and your employer will also be listed as a donor.

## SECURITIES

Gifts of appreciated securities may enable the donor to take a tax deduction on the full value of the gift and avoid capital gains on the transfer. In many cases, the actual cost to the donor is far less than the value of the gift to the school. To make a gift of stock or for more information, please contact Finance Director Margaret Conklin at 212-769-1699 or [mconklin@theidealschool.org](mailto:mconklin@theidealschool.org).

## PLANNED GIVING

Planned giving can offer many tax advantages for donors and their heirs by naming The IDEAL School of Manhattan as a beneficiary of an estate, trust, or insurance policy, or by establishing a charitable gift annuity. Prospective donors should seek the advice of an attorney since gifts of this kind require variations to accommodate individual circumstances.

## GIFTS-IN-KIND

Gifts-in-kind are tangible items, such as works of art, auction items, equipment, books, furniture, real estate, and similar non-monetary contributions. A gift of tangible property may result in a tax deduction for the donor.
