

SUN PRAIRIE ATHLETICS & ACTIVITIES

TRAVEL PERMISSION FORM NON-USE OF SCHOOL PROVIDED TRANSPORTATION (Extra-curricular)

While it is the school district as well as the head coach's expectation that students utilize school provided transportation when it is provided, it is school district policy for parents to give notice to the athletic department or head coach that their child/student will not be utilizing the school provided transportation.

The school district is providing the transportation for this event/activity. It does not consent to the student's use of an alternate method of transportation, and will not be responsible for the student if he or she fails to use the school district's transportation to and/or from the event/activity.

Parents may request that their student be excused from using school district transportation to travel with them, although not encouraged, as students are expected to travel as a team.

Student's being excused from district transportation must ride with their parents. If riding with another student's parent, both parents' signatures are required below.

Student's may not transport themselves, ride with another student, or provide transportation for another student.

Please provide the necessary signatures.

This form is signed by parent's only, and also signed by the head coach or athletic dept. The head coach or athletic department will keep a copy for record purposes.
