Additional PFT FAQs

Testing Window	The majority of testing should take place at the beginning of the testing window (February - April). The goal is to complete the testing of as many students as possible during these months and reserve May for data entry and make-up testing. All testing and data review should be completed by the end of May.
Error Report Reviews	Current copies of the PFT Error Reports from Aeries will be sent to the Coordinators. Coordinators are to review the reports for needed items and follow up with any necessary staff to clear the errors. All errors must be cleared by the Data Entry Deadline.
Student & Parent Notifications	School sites are responsible for releasing test results to parents and students. Visit Aeries to print results for mailing. A copy must also be placed in the student record.
Testing Materials	Sites should already have necessary testing materials. Please contact your site secretary if any materials are needed. PFT materials will need to be purchased out of site funds.
