BROWNSVILLE INDEPENDENT SCHOOL DISTRICT TITLE I-A FAMILY ENGAGEMENT POLICY 2022-2023 DR. AMÉRICO PAREDES ELEMENTARY SCHOOL

I. STATEMENT OF PURPOSE

Paredes Elementary is committed to providing quality education to every student. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains when the school and home work together to promote high student achievement. Parents play an important role as their child's first teacher and their support is critical to their child's success. Paredes Elementary intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Paredes Elementary will be distributed to parents with the expectation that *all* students will work toward these goals. Paredes Elementary recognizes that some students may need the extra assistance of Title I-A programs to reach these goals and is committed to providing that support.

Annually, Paredes Elementary will form an Advisory Committee to review the Family Engagement Policy and to revise it as necessary. Special attention will be given to recruiting parent volunteers of children served in the Title I-A programs, with a goal of having at least two parents of each campus on the committee. The Title I-A Family Engagement Policy will be posted on the campus website.

- August 2021 Parental Involvement Policy will be distributed.
- October 2021– DPAC Review
- Parent Volunteers are recruited throughout the school year.

III. ANNUAL TITLE I-A CAMPUS PARENT MEETINGS

Paredes Elementary will hold an annual Title I meeting for parents during the fall semester. The purpose of this meeting is to provide parents with information regarding Title I-A guidelines and services offered utilizing Title I-A funds as stated in the current Family Engagement Policy. The Family Engagement Policy will also be distributed to parents. Parents will be given the opportunity to offer their suggestions for any revisions to the policy. Parents may also volunteer to serve on either the district-wide and/or individual school's advisory committee or both.

The annual Title I-A meeting will be held at flexible times to increase the opportunity for parental participation. English and Spanish translation will be available. Written notices in both languages will be sent to parents notifying them of the date and times of the meetings. Parent volunteers, parent trainers, and parent liaisons will also contact other parents by phone regarding the meetings. Volunteers who speak both English and Spanish will make all contacts.

According to Title I-A regulations, Paredes Elementary must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on the Paredes Elementary Advisory Committee must be involved in designing the compacts. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on the campus website.

- August 2021 – Compact Reviewed
- August 2021 – Compact Disseminated

V. TYPES OF FAMILY ENGAGEMENT

Paredes Elementary will provide opportunities for parent engagement to become involved in their children's education. Paredes Elementary values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

- Bi-Weekly meetings – guest speakers, covering all areas are invited.
- Only after an Authority To Report As A Volunteer is issued by Classified Personnel and all requirements have been completed can a parent or community member volunteer at a campus
- Volunteers are allowed to come to the parent center and help the teachers in whatever is needed such as projects, copies, etc.

Parents may also call the Parental Involvement Department or the school office to express an interest in a particular workshop topic or to make recommendations about the program.

Communication with parents should also include a school newsletter distributed by the school at least four times a year. Notices sent home should be in both English and Spanish. Parents are encouraged to take the initiative in calling their child's teacher or campus administrator when they have a concern. Staff should receive training on techniques to improve home-school communication. Parents may participate in this training.

VIII. EVALUATION

The district-wide Title I-A Parent Advisory Committee, which includes parents of Title I, Migrant, Bilingual, Special Needs and GT students, will participate in the process of school review and improvement. This committee will collect information in a variety of ways, including campus visits and class observations.

Parents will also be asked for their input on the content and effectiveness of the Title I-A Family Engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family engagement and barriers to parental participation that still need to be overcome. Paredes Elementary will revise its Family Engagement Policy on the basis of this annual review.
