All parent drop-off and pick-up will take place in the back of the building. No vehicles will be allowed in the front of the school from 9:05-9:35 AM and 3:40-4:10 PM. The gate at the top of the hill will be locked. You will need to move along the curb to ensure space for vehicles entering and exiting the back of the school.

Due to the high volume of cars expected during pick-up, cars will be staged in three lanes to allow for more vehicles to safely enter the back lot. Please note that buses have the right of way entering and exiting the parking lot. Please yield to the buses and follow all staff directions to help keep everyone safe. The lot opens at 9:15 AM and 3:55 PM. If you arrive before the lot opens, you are required to park in Parent Parking until the lot opens. Parents are not allowed to park near the gate or in the entrance lane of traffic of the school. The entrance to the school cannot be blocked by standing vehicles. Please DO NOT arrive before the lot opens. School dismisses at 4:00PM.
