Subject: Q & A Special Ed Home to School Transportation  
Bid No. TRA- 097-06-22-629

### Questions and Answers

1. Q. How many students are going to be needed on the day to day operations?  
**A. There will be approximately 3-5 routes daily and the district would like to have 5 vehicles ready when needed as backup**
2. Q. Can we submit a price structure for the rate per van per day?  
**A. The bid language states Pricing Formula per Trip (one way)**
3. Q. What company is currently transporting the students?  
**A. Oak Grove School District is currently using Yellow Checker Cab Co.**
4. Q. How much is the other contractor charging per student rate or per van rate per day?  
**A. Oak Grove School District declines to answer due to potential impact on the bid process.**
5. Q. We currently have a PO to transport students for Oak Grove School District. We don't have 7 passenger vans available but we could do backup or smaller load of riders (2-3 per vehicle). Should we still submit the bid based on the above availability or are you just looking for buses/large vans?  
**A. 7 passenger vans is not a requirement of the bid. The Scope of Work states: The District wants qualified bidders to provide transportation in 7 or fewer capacity vehicles. Wheelchair access is required.**
