# Important Reminders

**For the 2022-2023 school year, all Federal grant spending must be initiated by April 15, 2022.**

Grant funds **can only be used** for the designated and approved strategies/investments.

Any proposed changes in the use of funds must be approved by the Grant Manager and must go through an amendment process **prior** to the change in use of funds.

Expenses that are **not** part of the approved grant **are not** reimbursable through a grant and will be subject to payment from local school budgets.

**Stipend positions** (for example, curriculum committee work and summer school teachers) need to have prior approval through the Grant Manager and will be documented through a Memorandum of Understanding (MOU) **prior** to the start of the work. A completed timesheet must be turned in prior to payment. All work must be completed outside of regular contractual obligations.

**Contracts vs. MOUs:** Contracts and memoranda of understanding are similar in nature, but contracts are issued to individuals not employed by Barre schools and who will be paid after submitting an invoice, while MOUs are used for employees who agree to take on additional responsibility beyond their contract and will be paid through the payroll system.

**Contracted Services** – Contracted Service Providers must have a signed Contract Service Agreement on file **before** services are rendered. A dated invoice with clear identification of the vendor is required from the provider.

**Spending Periods** – All grants have a beginning and ending date. All services and purchases must be within these dates.

**Purchase Requisitions and Procurement Forms** must be completed and approved prior to purchases of goods or services. Any purchases made without prior approval will not be paid or reimbursed from a grant and will be subject to payment from local school budgets. See page 9.

**Original Documentation** – **Originals should be submitted** to the Grant Assistant along with a digital copy (scanned/emailed or shared through Google Drive). These are auditable records, and an original copy is requested, when available.

**Conflict of Interest** – All use of Grant Funds must comply with [2 C.F.R §200.318\(c\)\(1\)](#) relating to Conflict of Interest. Neither you nor a family member can benefit when you make any grant-funded purchase. *If this is a possibility, consult the relevant Grant Manager ahead of time.*

**Supplanting** – In general, you cannot buy something under a grant that was previously paid for by local money. For instance, an annual software subscription that has historically been paid for by a school cannot then be paid for through a grant. This also applies to supplies that are purchased from the local/general budget.

## **Unallowable Costs:**

- Alcohol: Absolutely NO alcohol may be purchased with federal grant funds.
- Costs of entertainment.
- Sales tax.

# Important Vocabulary/Forms

<b>Term</b>	<b>Definition</b>
Allocation	The amount of money awarded to a particular grant.

MOU	Memorandum of Understanding – in essence, a contract for staff receiving a stipend (such as, but not limited to, Curriculum Committees, Summer School positions, etc).
<a href="#">Procurement form</a>	Documents why a particular vendor was chosen. See the relevant Grant Manager for guidance, as procurement requirements vary significantly according to the nature and size of the purchase.
Purchase Order	A purchase order (PO) is a document created by the Grant Assistant. A PO is created after the Grant Assistant has received an approved procurement and purchase requisition form.
Requisition	A requisition form is the initial step in purchasing goods or services. In general, a requisition and a procurement form are required in order to obtain a purchase order.
Strategy/Investment	This refers to the explanation as to how funds are used in the Grant applications.
Supplanting	“Supplanting” is the use of grant money to take over a pre-existing expense from a local budget. This is not allowable under federal rules.

<b>Forms required</b>	<a href="#"><i>Purchase Req Form BUUSD</i></a> <a href="#"><i>Procurement Form BUUSD</i></a>

## Purchase Requisition Form

Complete a Purchase Requisition [form](#) (even if you have emailed the Grant Manager) and submit it along with the Procurement Form(s) to the appropriate Grant Assistant.

Purchases fall into one of three categories as follows. Please make sure you use the correct version of the procurement form for each category.

Purchases being made through grant funds required the signature of the Grant Manager. Building administrators should be aware of purchases, however they cannot final approve them. They do, however, have to sign the requisition form prior to submitting to the Grant Assistant/Grant Manager.

Incomplete purchase requisition forms or forms without a procurement form will be returned to you.

### 1. Supplies, Materials & Equipment

- If you are requesting something from a vendor then you will need to complete the procurement form and include back-up materials (printouts/links of what you specifically want ordered from a website, etc.).

For Equipment purchases using Federal Grants consult the Equipment Procurement for more information on page 15.

### 2. Professional/Contracted Services

This portion of the procurement form must be completed for any contracted services paid with grant funds. A Contract review form must be completed for any vendor outside of BUUSD, prior to signing the contract. All grant funded contracts must be signed by the Superintendent/Designee, not a building administrator.

### 3. Hotel Rooms and Venues

A separate Procurement Form should be used only when you are going to pay for a hotel room, meeting room or some other space.

**Notes:**

If the Grant Assistant will be the person placing the order, it is helpful to email them the links for each item.

Sales tax cannot be paid with grant funds. Be sure to obtain a tax-exempt certificate form from the Grant Assistant, if needed.

Food purchases for any staff training, including after school meetings, can no longer be made with Grant Funds.

# Contracted Services

<b>Applicability</b>	When contracting with individuals or organizations hired from <u>outside</u> the Barre Unified Union School District to provide a service to an individual or group of individuals within the BUUSD
<b>Key steps</b>	<ol style="list-style-type: none"> <li>1. Grant Manager informally authorizes services</li> <li>2. Procurement form completed</li> <li>3. Contracted Services Request Form submitted to Grant Manager. This includes proof of insurance, W-9, and debarment check/waiver.</li> <li>4. Contract (“<b>Independent Contract Service Agreement</b>”) is developed between the vendor and the Grant Manager.</li> <li>5. Purchase order generated</li> <li>6. Contracted Services Request Form and Contract are signed by the Superintendent or Business Manager</li> </ol>
<b>Key points</b>	<ul style="list-style-type: none"> <li>● A signed contract must be in place before any services begin.</li> <li>● Only the Superintendent/Business Manager has the authority to sign a contract. Building administrators receiving any contract from a provider for services must be sent to the Grant Manager immediately.</li> <li>● Failure to obtain a fully signed contract prior to services beginning, will result in the cost being disallowed and service not paid from grant funds.</li> </ul>
<b>Forms required</b>	<p><b>Contract Review Form</b>  <u><a href="#">Procurement Form BUUSD</a></u>  <i>Independent Contract Service Agreement – prepared by Grant Assistant</i></p>

## Procedure

2. A ***Procurement Form*** must be completed and submitted, along with the Contract Review Form, to the Grant Manager prior to authorization if anyone other than the Grant Manager is selecting the contractor.
  
3. A **BUUSD- Independent Contract Service Agreement** will be created by one of the parties and signed by both the provider and the Superintendent/Business Manager. Preferably, the contract is prepared by the Grant Assistant, signed by the Superintendent/Business Manager and sent to the provider for signature. Ideally, the contract agreement will specify:
  - The fee, scope and terms of service to include maximum allowable cost of service.
  - Insurance coverage
  - A termination clause that addresses termination for cause and convenience.
  - That the provider agrees to provide an agenda for the event
  - That the provider agrees to provide an Attendance/Sign-In Sheet following the event
  - That the provider agrees to submit an invoice for services following the event
  - That the contract is subject to availability of grant funding
  - That mileage reimbursement is at the then-current IRS rate per mile
  - Provisions for cancellation due to factors such as weather
  - Any other details deemed important by either party.

<b>Forms</b>	<a href="#"><u><i>Mileage Reimbursement Form BUUSD</i></u></a>

# Reimbursements Other Than Mileage

<b>Applicability</b>	*** <b>This should be avoided unless absolutely necessary</b> *** Use when purchasing goods using personal funds that will be reimbursed.
<b>Key steps</b>	<ol style="list-style-type: none"> <li>1. Check with the grant manager ahead of time.</li> <li>2. Complete a requisition form identifying yourself as the vendor.</li> <li>3. Bring a sales tax exemption form to the store where you will make the purchase.</li> </ol>
<b>Key points</b>	<ul style="list-style-type: none"> <li>• Grants cannot pay for sales tax. <u>If you <i>do</i> pay sales tax, you will not be reimbursed for it.</u></li> <li>• <b>Food: Grants cannot pay for food</b></li> <li>• Do not combine personal purchases with those funded by the grant.</li> <li>• Never pay another person in cash and then put their receipt on your reimbursement claim.</li> </ul>
<b>Forms required</b>	<p><a href="#"><u>Purchase requisition form BUUSD</u></a>  <a href="#"><u>Procurement Form BUUSD</u></a>  <a href="#"><u>District Reimbursement Form BUUSD</u></a></p>

If you are seeking reimbursement (from a grant) for a purchase, you paid for out-of-pocket you need to do the following:

1. Prior to making the purchase, check with the grant manager via email to be sure the purchase is allowable under the grant and can be reimbursed.
2. Complete a purchase requisition form (even if you have previously emailed the Grant Manager). Enter your name as the “Vendor” (the person to be paid), your address, city/state/zip and phone number.
3. List the items to be purchased on the Purchase Requisition and give a brief explanation as to the purpose of the items and why you are seeking personal reimbursement and cannot follow the usual vendor procedure.
4. **When you make the purchase**, remember:
  - a. You need to bring a sales tax-exempt certificate with you if the purchase will be taxed. We cannot reimburse you for sales tax. You may get a sales tax-exempt certificate from the Grant Assistant or the Business Office.
  - b. Get an itemized receipt.
  - c. Do not purchase personal items for which you are not seeking reimbursement on the same receipt. Keep personal purchases separate when you check out.
5. **After you have made the purchase**, you need to complete a “[District Reimbursement Request Form.](#)” (See sample on next page.) Submit the form with attachments to the Grant Assistant for payment.
  - a. Attach a copy of the receipt(s) to the form
  - b. **If you paid by CASH or CHECK** – A canceled check or a copy of the check if you do not receive canceled checks plus a sales receipt indicating “paid by check” and the check number is sufficient to attach to the reimbursement form.
  - c. **If you paid by CREDIT CARD** – in addition to the itemized sales receipt, you must also attach a copy of the Credit Card Slip and a copy of your Credit Card Statement with the charge highlighted. You can black out other purchases and your card number. If you do not want to wait until your credit card bill arrives you may make a photocopy of the front of your credit card. Cover all but the last four digits in your card number. Be sure your name and the last four digits are visible on the copy and submit the photocopy along with your receipts.

# Stipend Positions

<b>Applicability</b>	For Barre Unified Union School District employees who are performing additional duties outside of regular contractual obligations. Does not apply to hourly paid employees.
<b>Key steps</b>	Stipend positions require prior approval from the Grant Manager. Signed <i>Memorandum of Understanding</i> must be on file prior to the work being performed. Timesheet to be completed and signed by employee and administrator prior to submitting for payment.
<b>Key points</b>	MOU will state maximum hours that can be completed and total allowable amount to be paid.
<b>Forms</b>	<i>Memorandum of Understanding</i> (MOU) – prepared by Grant Assistant <i>Timesheet</i> (provided by Grant Assistant)

## Procedure

The following are examples of stipend positions that are paid from grants. (They are not the only ones.)

Curriculum Committee Work	PLG Leader
Afterschool Homework Club Tutor	Summer School Teacher
Literacy Team Member	Program Coordinator

No changes to the MOU (including the name of the person who is to perform the services, dates of service, or payment) can be made without the written consent of the Grant Manager. Any changes require the Grant Assistant to issue a revised MOU.

A copy of the fully signed MOU is to be submitted to payroll.

## As Work Progresses

A completed timesheet must be sent to the Curriculum Office prior to payment. Incomplete timesheets (including those without all required signatures and number of hours worked) will be sent back and could delay payment.

Time sheets received for work completed without prior approval will not be paid through a grant.

**An MOU must be in place and work documented on the time sheet must fall within the scope and terms of the MOU.**

# Time and Effort Documentation - PAR

<b>Applicability</b>	Used to document the work done by employees funded <b>in part</b> by a grant, from two or more grant investments, or working in more than one location (e.g. Barre Town Middle and Elementary School and Barre City Elementary and Middle School).
<b>Key steps</b>	Every two weeks, an employee submits a PAR (Personnel Activity Report) to the Grant Assistant.
<b>Key points</b>	PARs should be completed as close to the end of the two-week period as possible. ***Notation regarding resignation/termination***
<b>Forms</b>	<u><a href="#">Personnel Activity Report</a></u> (will be prepared by the Grant Assistant and provided to each affected individual)

Time and effort documentation must be on file for all employees paid in part or in whole with federal grant dollars. The intent is to document that employees funded through Grants are performing the work specified in the grant agreements. The employees subject to PARs include, but are not limited to, the following:

SAP Counselors	Interventionists
Curriculum Coordinators	
Curriculum Coaches	

# Time and Effort Documentation- Periodic Time Certification

<b>Applicability</b>	Used by employees funded <b>completely</b> by <b>one grant investment</b> to document the work done. (Employees funded <b>in part</b> by a grant use <i>Personal Activity Report</i> . See prior section.)
<b>Key steps</b>	Twice per year, Grant Assistant prepares Periodic Time Certifications
<b>Key points</b>	***Notation regarding resignation/termination***
<b>Forms</b>	<u><a href="#">Periodic Time Certification</a></u> (will be prepared by the Grant Assistant)

Time and effort documentation must be on file for all employees paid in part or in whole with federal grant dollars. The intent is to document that employees funded through Grants are performing the work specified in the grant agreements.

**Periodic Time Certifications** 100% of the employee's work falls under only one cost objective (regardless of how the employee is paid for their time). This form is prepared by the Grant Assistant.

# “Mini-grant” Approval

<b>Applicability</b>	This is the process to be followed by the individual (the “applicant,” often a teacher) who is pursuing the grant.
<b>Key steps</b>	<ol style="list-style-type: none"> <li>1. The applicant obtains and reads the application form provided by the grantor.</li> <li>2. Applicants should consult with her/his building administrator for approval.</li> <li>3. Applicant completes the Grant Approval Form.</li> <li>4. Building administrator signs the form.</li> <li>5. The authorized BUUSD grant manager (typically the individual responsible for managing CFP) reviews the grant and its application, so please be sure to include these at time of submission.</li> <li>6. If the grant application is approved, copies of the signed approval form go to the applicant and to the business office.</li> <li>7. The applicant then completes the grantor’s application and submits it, forwarding a copy to the grant manager.</li> </ol>
<b>Key points</b>	The applicant is responsible for managing the grant. For instance, if the grantor requires copies of receipts before reimbursing costs, the applicant needs to handle that requirement.
<b>Forms</b>	<a href="#"><u><i>Grant Prior Approval Form BUUSD</i></u></a>

“Mini-grants” are small grants (usually for a few hundred to no more than a few thousand dollars) that may be offered by businesses (the “grantor”). Typical examples are playground improvement grants or grants from a store like Lowe’s or Shaw’s.

The purpose of this process is to make sure that no mini-grants require so much business office or other administrative time that it is not cost-effective.

As a rule, these grants are much simpler to manage because, among other things, federal and state procurement requirements do not apply. However, records are auditable, so the business office must be aware of the grant.

# Purchasing Equipment

<b>Applicability</b>	For use when purchasing an item that has an individual cost greater than \$5,000.00. And have an expected lifespan greater than one (1) year.
<b>Key Steps</b>	<ol style="list-style-type: none"> <li>1. Determine if the equipment meets the <a href="#">federal definition</a> and threshold for prior approval.</li> <li>2. Contact the Business Manager to complete the prior approval application.</li> </ol>
<b>Key Points</b>	<ol style="list-style-type: none"> <li>1. Make sure your purchase meets the definition of “Equipment” (under Applicability above).</li> <li>2. Supplies become Equipment, once installation fees relating to the supply meets the \$5,000.00.</li> <li>3. Total Equipment purchases over \$40,000 are subject to Vermont Bid Law.</li> <li>4. Equipment records will be kept and filed annually from the start of the following fiscal year.</li> <li>5. A physical inventory must be taken every 2 years for Equipment purchased with Federal Grants. The physical location of the equipment should be known and accessible at all times.</li> <li>6. If Equipment is being retired or replaced. records must be kept for 3 years from the start of the next fiscal year.</li> </ol>
<b>Forms</b>	<p><a href="#"><u>Purchase Req Form BUUSD</u></a>  <a href="#"><u>Procurement Form BUUSD</u></a>  <a href="#"><u>Equipment Records Form BUUSD</u></a></p>
