# WHAT WILL BE ON THE BALLOT?

**QUESTION 1:** Address our highest priority district-wide capital maintenance needs in the following categories:

- Systems and Energy Efficiency
- Safety and Security
- Building Exterior and Interior

**\$36.3 MILLION** | \$52 annually per \$100,000 of property value

**QUESTION 2:** Replace Community Gym by adding a gym and fitness area to River Bluff Middle School

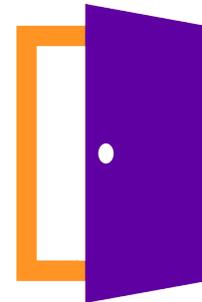

- Improve traffic flow and safety including ADA compliance
- Avoid significant maintenance work at building that is beyond its useful life

**\$11.7 MILLION** | \$38 annually per \$100,000 of property value

Voter approval of both questions would increase the school tax rate by an estimated \$90 for every \$100,000 of property value.
