In order to maintain an orderly environment conducive to the attainment of the educational mission and purpose of the district, all students shall be required to meet the expectations of the dress and grooming code. Dress and apparel that unduly attract the attention of other students often precipitate comments and/or other reactions that are disruptive. Safety, general health, hygiene and modesty are factors that are considered in the establishment of this dress and grooming code. Students, teachers, parents and administrators must work together to assume responsibility for complying and enforcing the dress code adopted by the MISD. It is important to read all of the pages of this Student Dress Code.

Compliance with Dress Code

The building principal or his/her designated representative has the authority to enforce the dress code. If the principal, or designated representative, determines that a student's grooming or clothing violates the school's dress code, the student may be given disciplinary consequences. The student may be assigned to in-school suspension for the remainder of the day. Repeated offenses may result in more serious disciplinary actions in accordance with the Student Code of Conduct. The district reserves the right to prohibit any clothing or grooming style that the administration determines to be reasonably expected to pose a health or safety hazard or to cause substantial disruption of, distraction from, or interfere with general school operations. In addition, extracurricular programs may have additional requirements or guidelines for students participating in those programs.

In order to maintain an orderly environment conducive to the attainment of the educational mission and purpose of the district, all students shall be required to meet the expectations of the dress and grooming code. Dress and apparel that unduly attract the attention of other students often precipitate comments and/or

other reactions that are disruptive. Safety, general health, hygiene and modesty are factors that are considered in the establishment of this dress and grooming code. Students, teachers, parents and administrators must work together to assume responsibility for complying and enforcing the dress code adopted by the MISD.

*Midlothian Heritage High School
Community Service Program*

Starting with the 2005/2006 freshman class all Midlothian ISD high school students are required to complete a community service graduation requirement. According to the Midlothian Independent School District Strategic Plan and Board Policy, each 2009 graduate, and all those graduates thereafter, must complete 10 (ten) hours of community service during their high school career. It is the student's responsibility to complete the hours and to properly document service.

Below are the guidelines for earning community service hours:

1. The student will receive NO pay for services, in money or in kind support.
2. The service completed must benefit persons in need (outside of family members) through a non-profit or other organization, or fulfills civic need within community.
3. The service must be performed on the student's time, NOT during school hours.
4. The student is responsible for reporting their service hours, and completing the proper forms in a timely manner, through and with the guidance of student's Counselor.
5. Students may not overlap (count twice) service hours for other organizations such as Honor Society, PALS, Student Council, Community Service Problem Solvers, etc.
6. Community Service hours required as a result of legal actions DO NOT count.
7. Documentation must be signed by the student, the student's parent, and the adult supervisor of the service activity and are subject to verification by Midlothian Heritage High School/Midlothian Independent School District. Documentation form is on the front of this sheet.
8. Students transferring from outside the district will have their hours pro-rated.

A sampling of appropriate resources for community service activities: Hospitals, Food Banks, Blood Drives, Churches, Parks Department, Schools Libraries, Special Olympics, Animal Shelters, Social Service Programs, Nursing Homes, Service Clubs

BE SURE TO GET PRIOR APPROVAL FROM YOUR COUNSELOR OR ADMINISTRATOR OR COMMUNITY SERVICE COORDINATOR BEFORE STARTING ANY SERVICE ACTIVITY TO ENSURE THAT IT FITS WITHIN THE ESTABLISHED GUIDELINES!!
