Joanne Oppenheim

ibooks (February 2, 2010)

Summary:

About The Bank Street Ready-To-Read Series More than seventy years of educational research and innovative teaching have given the Bank Street College of Education the reputation as America's most trusted name in early childhood education. Because no two children are exactly alike in their development, we have designed the Bank Street Ready-to-Read series in three levels to accommodate the individual stages of reading readiness of children ages four through eight. • Level 1: Getting Ready To Read— (Pre-K to Grade 1) Books are perfect for reading aloud with children who are getting ready to read or are just beginning to read words or phrases. • Level 2: Reading Together—(Grades 1 to 3) Books are written especially for children who are on their way to reading independently but who may need help. • Level 3: I Can Read It Myself—(Grades 2 to 3) Books are designed for children able to read on their own. They also can be enjoyed as read-alouds.. Our three levels make it easy to select the books most appropriate for a child's development and enable him or her to grow with the series step by step. The Bank Street Ready-to-Read books also overlap and reinforce each other, further encouraging the reading process. We feel that making reading fun and enjoyable is the single most important thing that you can do to help children become good readers. And we hope you'll be a part of Bank Street's long tradition of learning through sharing. —The Bank Street College of Education In this story based on "The Little Red Hen," a little black crow asks his animal friends to help with the planting of some sorn seed.

A Chair for My Mother

Vera B. Williams

HarperCollins (September 7, 2021)

Summary:

This classic and heartwarming picture book was written and illustrated by the celebrated Vera B. Williams and was named a Caldecott Honor Book by the American Library Association. "A tender knockout. It's rare to find much vitality, spontaneity, and depth of feeling in such a simple, young book."—Kirkus Reviews Vera Williams tells of a young girl who, along with her waitress mother, saves coins in a big jar in hopes that they can someday buy a new chair for their apartment, the kind of chair her mother deserves after being on her feet all day in the Blue Tile Diner. Into the jar also goes the money Grandma saves whenever she gets a bargain at the market. There hasn't been a comfortable place to sit in the apartment since a fire in their previous apartment burned everything to "charcoal and ashes." Friends and neighbors brought furniture to their new apartment downstairs, but no one brought anything big or soft or comfortable. Finally the jar is full, the coins are rolled, and in the book's crowning moment, mother, daughter, and Grandma search four different furniture stores, and after carefully trying several chairs, like Goldilocks, they find the chair they've been dreaming of at last. Vera Williams enhances this story about family, community, and the power of working together toward a common goal with her signature folk art-inspired paintings. A Chair for My Mother has sold more than a million copies and is an ideal choice for reading and sharing at home and in the classroom. "A superbly conceived picture book expressing the joyful spirit of a loving family."—The Horn Book Vera B. Williams's beloved picture book favorites include: "More More More," Said the Baby Amber Was Brave, Essie Was Smart A Chair for Always A Chair for My Mother Cherries and Cherry Pits Music, Music for Everyone Something Special for Me Stringbean's Trip to the Shining Sea Three Days on a River in a Red Canoe

♥ **Cloudy With a Chance of Meatballs**

Judi Barrett

Atheneum Books for Young Readers (April 1, 1982)

**Summary:**

An imaginative story of amazing food weather that inspired the hit movie, Cloudy with a Chance of Meatballs is a favorite of grown-ups and children everywhere. The tiny town of Chewandswallow was very much like any other tiny town—except for its weather which came three times a day, at breakfast, lunch, and dinner. But it never rained rain and it never snowed snow and it never blew just wind. It rained things like soup and juice. It snowed things like mashed potatoes. And sometimes the wind blew in storms of hamburgers. Life for the townspeople was delicious until the weather took a turn for the worse. The food got larger and larger and so did the portions. Chewandswallow was plagued by damaging floods and storms of huge food. The town was a mess and the people feared for their lives. Something had to be done, and in a hurry.

♥ Excellent Ed

Stacy McAnulty

Random House Children's Books (2022)

Summary:

Dog lovers will adore this imperfect yet endearing mutt and his quest for excellence! ***Winner of an Ezra Jack Keats New Author Honor Award!*** Everyone in the Ellis family is excellent--except Ed. Ed wonders if this is why he isn't allowed to eat at the table or sit on the couch with the other children. So he's determined to find his own thing to be excellent at--only to be (inadvertently) outdone by a family member every time. Now Ed is really nervous--what if he's not excellent enough to belong in this family? This funny and endearing story offers a subtle look at sibling rivalry and self esteem, and will reassure kids that everyone is excellent at something, and that your family loves you, just as you are. Praise for Excellent Ed: A dog lover's delight. --School Library Journal In Julia Sarcone-Roach's joyful, expressive paintings, we see Ed pondering how to demonstrate excellence. The answer is excellent, and entirely endearing. --The Wall Street Journal "A warm, welcome reminder that everyone is excellent at something." --Kirkus Reviews starred review "In a word? Excellent." --The Horn Book starred review

♥ Freight Train

Donald Crews

Harper Collins (August 23, 2011)

Summary:

In simple, powerful words and vibrant illustrations, Donald Crews evokes the rolling wheels of that childhood favorite: a train. This Caldecott Honor Book features bright colors and bold shapes. Even a child not lucky enough to have counted freight cars will feel he or she has watched a freight train passing after reading Freight Train. Donald Crews used childhood memories of trains seen during his travels to his grandparents' farm in the American South as the inspiration for this timeless favorite. New York magazine's The Strategist chose Freight Train as one of the "Best (Nonobvious) Baby Books to Bring to a Shower." As The Strategist stated: "The Caldecott Honor Book is spare and minimal in both art and text and follows the journey of a freight train and all its cars until it rolls off the page and into the distance. It's a good way to learn all the different names of train cars, too." Red caboose at the back, orange tank car, green cattle car, purple box car, black tender and a black steam engine . . . freight train.

A True Whale Story

John Himmelman

Scholastic (1990)

pyrighted

Summary:

'Why couldn't I be a perfumer's muse? I've come such a long way in the realm of scent. In fact, I was never really meant to poke my nose into it ...' The Perfume Lover by Denyse Beaulieu is an intimate journey into the mystery of scent. What if the most beautiful night in your life inspired a fragrance? Denyse Beaulieu is a respected fragrance writer; it is her world, her love, her life. When she was growing up, perfume was forbidden in her house, spurring a childhood curiosity that went on to become an intellectual and sensual passion. It is this passion she pursued all the way to Paris, where she now lives, and entered the secretive world of the perfume industry. But little did she know that it would lead her to achieve a fragrance lover's wildest dream ... When Denyse tells a famous perfumer of a sensual night spent in Seville under an orange tree in full blossom, wrapped in the arms of a beautiful young man, the story stirs his imagination and together they create a scent that captures the essence of that night. This is the story of that perfume. As the unique creative collaboration unfolds, the perfume-in-progress conjures intimate memories, leading Beaulieu to make sense of her life through scents. Throughout, she weaves the evocative history of perfumery into her personal journey, in an intensely passionate voice: the masters and the masterpieces; the myths and the myth-busting, down to the molecular mysteries that weld our flesh to flowers... The Perfume Lover is an unprecedented account of the creative process that goes into composing a fragrance, and a uniquely candid insider's view into the world and history of fragrance. Your world will never smell the same.

Judy Moody

Megan McDonald

Candlewick Press (April 10, 2018)

Summary:

"Judy Moody was in a mood. Not a good mood. A bad mood. A mad-faced mood." To start, Judy Moody doesn't have high hopes for third grade. Her new desk won't have an armadillo sticker with her name on it. Her new classroom will not have a porcupine named Roger. And with her luck, she'll get stuck sitting in the first row, where Mr. Todd will notice every time she tries to pass a note to her best friend, Rocky. An aspiring doctor, Judy does have a little brother who comes in handy for practicing medicine, a cool new pet, and a huge Band-Aid collection. Judy also has an abundance of individuality and attitude, and when Mr. Todd assigns a very special class project, she really gets a chance to express herself! Megan McDonald's spirited text and Peter Reynolds's wry illustrations combine in a feisty, funny first chapter book for every kid who has ever felt a little out of sorts.

"Look!" said Sam. "Where?" said Pam. "Outside!" said Will. "Why?" said Jill. "SNOW!" said Sam, Pam, Will and Jill. It's a perfect day for sledding, so Sam, Pam, Will and Jill all get dressed in their warmest clothes, put on their goggles and helmets, and set out for their favorite sledding hill. But there's a problem: It's a school day! Is all lost? Maybe not. These four crocodiles have a few surprises up their sleeves. Joyous and silly, and illustrated with verve by New York Times Best Illustrated winner Scott Nash, this is an irresistible tale of four friends who are determined not to let a little thing like school get in the way of their winter fun.

The Giving Tree

Shel Silverstein

Harper Collins (February 18, 2014)

Summary:

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic*!

♥ The Mitten

A Ukrainian Folktale

Jan Brett

Penguin (2009)

Summary:

In this bestselling modern classic, a young boy's lost mitten leads to a charming snowy adventure. Jan Brett's beautiful retelling makes a perfect holiday gift. When Nicki drops his white mitten in the snow, he goes on without realizing that it is missing. One by one, woodland animals find it and crawl in; first, a curious mole, then a rabbit, a badger and others, each one larger than the last. Finally, a big brown bear is followed in by a tiny brown mouse and what happens next makes for a wonderfully funny climax. As the story of the animals in the mitten unfolds, the reader can see Nicki in the borders of each page, walking through the woods unaware of what is going on. In her distinctive style, Jan Brett brings the animals to life with warmth and humor, and her illustrations are full of visual delights and details faithful to the Ukrainian tradition from which the story comes. Jan Brett is also the creator of such wintery classics as The Hat, The Snowy Nap, Three Snowy Bears, The Animal's Santa, and The Night Before Christmas. This book is also available in Spanish, as El mitón.

♥ The Three Bears

Paul Galdone

Houghton Mifflin (2001)

Summary:

"A fresh retelling of the familiar three bears nursery tale. Galdone presents a mischievous, impulsive Goldilocks minus a front tooth and the usual prettiness that has conventionally characterized her. The humorous, representational illustrations help children picture the desirable home and family life of the three bears. The initial double-page spread, which shows the father bear pushing the youngest family member in a swing while the mother proudly watches at the door of their log cabin home, is especially pleasing. Another realistic touch, the teddy bear of the Little Wee Bear which experiences the same mishandling as a real child's toy, will also enable children to better relate to the story. Four- to six-year-olds are sure to enjoy Paul Galdone's interpretation, and they should gain good visual concepts of size and of right to left from the delightful pictures and the use of various type sizes."—School Library Journal
