

Franconia Elementary Construction Update:

August 11, 2022

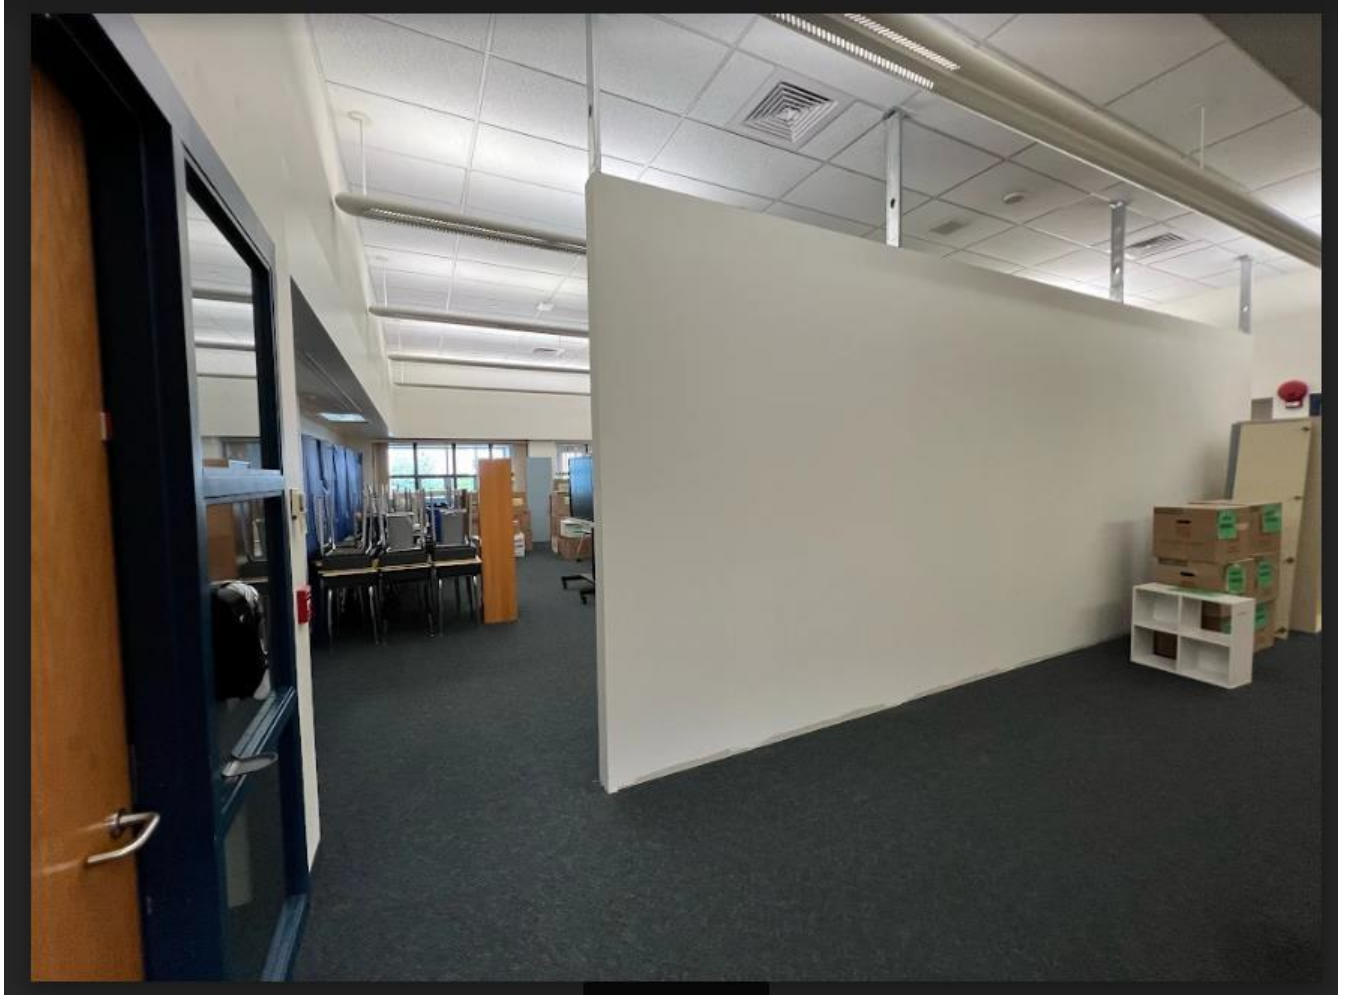

This Summer, construction has begun. Franconia Elementary is receiving a new roof.

During construction, our ceilings will be open. All lighting has been tightly secured.

Another view of our hallways and the ceiling.

Our library has been divided into two classrooms. Walls have been constructed and our teachers are busy decorating and making the rooms cozy.

Our library has been converted into two classrooms. We have set up a temporary area to check out books and library will take place in the classroom.
