Agreement

Each collective bargaining agreement entered into by the Board of Education with a duly recognized exclusive representative shall constitute a commitment by the Board to the provisions of the agreement for its duration. Amendments to the agreement shall be duly executed in writing by both parties.

The Board recognizes that collective bargaining agreements are legally binding, bilateral agreements with the exclusive representatives of employees pertaining to terms and conditions of employment. The Board is committed to carrying out the provisions of each agreement and expects the agreements to be consistently and uniformly administered.

Following adoption of a collective bargaining agreement, the Superintendent or designee shall review related Board policies and recommend to the Board any action needed to maintain consistency with the agreement. Whenever a Board policy conflicts with a provision in the collective bargaining agreement, the agreement shall be binding for those employees covered by the terms of the agreement. Whenever a law conflicts with a provision in the collective bargaining agreement, the law will prevail as to those employees for whom the law applies.

Upon request by the Public Employment Relations Board, the Superintendent or designee shall provide, within 15 days of the request, a copy of the written agreement and any amendments. (8 CCR 32120)
