

2022-2023 ASCENSION PARTNERS IN EDUCATION AGREEMENT

Ascension Public Schools is excited to work with the business and industry community to enhance student performance and achievement at all our schools by developing a strong, engaging partnership program.

Thank you for agreeing to be an official partner with a school in the Ascension Public Schools district.

This school partnership agreement requires the following:

- A designated *Program Liaison* from the business to serve as the school's and/or district's lead contact.
- Complete the *Scope of Services Agreement* below and provide deliverable timelines.
- Ensure that the *Scope of Services Agreement* provides for at least one school-based activity per semester (two school-based activities per school year) as part of the agreed deliverables.
- Complete an *End-of-the-Year Survey* that will be requested in early summer of 2023.
- If desired, request a *School Representative* to present a follow-up presentation to the business CEO or Company Executive Manager.

SCOPE OF SERVICES AGREEMENT – to be jointly completed by the business partner and school principal to ensure expected deliverables are within the business partner's ability to provide and that all deliverables are geared to improving student academic performance.

THE FOLLOWING AGREEMENT ESTABLISHES A FORMAL PARTNERSHIP FOR THE 2022-23 SCHOOL YEAR BETWEEN _____ (SCHOOL) AND _____ (BUSINESS).

Business Partner commitment (mark only those that apply)

1. Volunteer by providing:

_____ # of people to provide service(s) on the school campus for the following purpose: _____

2. Career introductions to students, by providing:

___ Job shadowing

___ On-site student group visits to your business

___ Internship (paid or unpaid, after school, or part of the school's class schedule)

___ Other activities related to career introduction, awareness or preparation

3. In-kind donations, by providing: _____ for # _____ students for the following purpose: _____ at a designated date and time of: _____ and at an estimated value of \$_____.
4. Monetary donations for the purpose of: _____ at these approximate times: _____ benefiting # _____ students.
5. Other initiative: _____

Ascension Public Schools commitment

6. Provide business partner and adopter an Ascension PIE decal for display at the business work site.
7. Provide on-campus signage to recognize business school partnerships. The district PIO and communications team will assist with this effort for agreements completed by Sept. 30, 2022.
8. Recognition of business partner and adopter in school social media feeds and direct communication with parents (including school messenger transmission and parent/open house meetings)
9. Video promotions of the partnership to be posted on district-sponsored social media platforms and shared with the business partner.
10. Recognition at a new Partners in Education Appreciation Gala that is promoted through traditional media and on social media, along with individual highlights to be shared with business partners.
