

Volunteer Job Description: Recess

Recess volunteers assist teachers with supervising students during outside recess. On rainy days, recess will be held indoors. There will be one teacher assigned at each recess. The teacher should have possession of the walkie-talkie and first aid kit.

1. Supervise students as they play.
2. If a child is injured, notify the teacher on duty.
3. Assist students with lining up at the conclusion of recess. Walk them back into the building through the sidewalk doors. In the event of inclement weather, students will have recess in their classrooms. Volunteers will get assigned by the teacher on duty to a classroom.
