"A Note to School" pads

These are a 50-page pad of yellow flyers to inform teachers of changes with your child regarding dismissal, leaving early, being picked up by someone else other than a parent/guardian or needing to speak with a teacher. You will receive one pad on entry to the school; more can be purchased at Open Houses and from the PTO.

BEING READY FOR SCHOOL

Your child's teacher and school supplies

Families are notified by mail at the end of August of their child's teacher assignment and via email through HAC (Home Access Center). You can contact your child's teacher by email. Staff are listed alphabetically on the Teachers Webpages Directory on the RES website - click on their name to begin an email to them.

The RTSD website will list general supplies by school and grade level, and your child's teacher may request some additional supplies.

School Lunches, snacks and water

RES offers breakfast and lunch options for students to purchase, or students may pack a lunch. Weekly menus are posted online at <https://www.rtsd.org/people/departments/food-service/lunch-menus>. Digital pre-paid accounts for purchasing meals are created for each student, and parents/guardians are encouraged to register with www.ezschoollpay.com to fund these accounts. See the Food Services website (<https://www.rtsd.org/people/departments/food-service>) for more information.

Families who may be eligible for meals at a free or reduced cost are encouraged to complete the Free and Reduced Price Meals application available on the Food Services website. In addition to the free/reduced meal pricing approval entitles students to other opportunities, including fee waivers and discounted home internet.

Water fountains are found at regular points around the school site. Your child's teacher will provide guidance on suitable snacks for consumption at recess/in the classroom, to ensure children with allergies are kept safe.

HEALTH

An **Emergency Medical Card** for each student is required yearly and kept on file with their health details. This is sent home in the First Day Packet for completion.
