WHEREAS, after a competitive solicitation and selection process conducted by Lead Agencies, Lead Agencies enter into master agreements (“Master Agreements”) with awarded suppliers to provide a variety of goods, products, and services (“Products”) to the applicable Lead Agency and Purchasing Group Members; and

3. The cooperative use of Master Agreements and other group purchasing agreements shall be conducted in accordance with the terms and conditions of such agreements, except as modification of those terms and conditions is otherwise allowed or required by applicable federal, state, or local law.
4. The Lead Agencies will make available, upon reasonable request and subject to convenience, information about Master Agreements which may assist in facilitating and improving the procurement of Products by the Purchasing Group Member.
5. Purchasing Group Member agrees that Equalis Group Purchasing Program may provide access to group purchasing organization ("GPO") agreements directly or indirectly by enrolling Purchasing Group Member in another GPO's purchasing program; provided that the purchase of Products shall be at Purchasing Group Member's sole discretion.
6.  14. This Agreement and the rights and obligations hereunder may not be assignable by either party hereto without the prior written consent of the other party, which consent shall not be unreasonably withheld, conditioned, or delayed, provided, however, that Purchasing Group Member and Equalis Group may assign their respective rights and obligations under this Agreement without the consent of the other party in the event either Purchasing Group Member or Equalis Group shall hereafter effect a corporate reorganization, consolidation, merger, merge into, sell to, or transfer all or substantially all of its properties or assets to another entity. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by the parties and their respective successors and assigns.  15. IX. COMMITTEE REPORTS

1. BUDGET PLANNING AND OVERSIGHT COMMITTEE

June 21, 2022 – 4:30 P.M. to 6:26 P.M.

In attendance: Biral Patel, Brian Rivera, Jingwei “Jerry” Shi, Douglas Schneider, Bernard F. Bragen, Jr., Ed.D., Edward Aldarelli, Ed.D., Ann T. Kluck

Also in attendance: Gary Goldfarb, Mike Mouro and Jim Finn from Brown & Brown

Business Discussed:

- Mr. Finn presented on and shared the District’s current year’s claims data and what the projections should be in the future.
- He recommended that the District change the stop loss carrier from Voya to Horizon for the 2022-2023 school year, where the District will receive better coverage at the same price as last year. This was the best deal the District could receive for this coverage from over 12 reinsurance brokers and was approved at the last Board of Education meeting. The previous broker did not inform the District about the A4 retirement fund. Mr. Finn stated that the appropriate Stop Loss Protection for a district the size of Edison should be between \$3-\$5 million. The previous coverage was at the \$2 million level.
- Mr. Finn explained that the data revealed the District was underfunded in the first year and this necessitates the creation of health insurance Reserve Account to cover the full costs, should the maximum amount of possible claims be realized over the course of the next year. The numbers and projections provided by the previous broker were not close to the actuals paid. The previous

broker had not provided the appropriate information in certain areas which impacted the District. The District anticipates that they will need additional funds placed into this reserve over the course of the next year and the Board of Education allocated a maximum of \$9 million to be moved from excess surplus.

- Prescription claims data was shared with the committee and indicates increasing trends in the future. The District's previous broker's commission was \$547,000 per year and the District's new broker's commission is capped at \$195,000 for all services for the 2022-2023 school year. The Broker recommends the Administrator and Auditor get together and discuss to fully fund over three years. There is no statute required but just the best practice. The Committee asked the broker to reconvene with the Committee after they have the Jun numbers for final information.

Dr. Bragen provided him with an overview of the District responses and procedures in place to address these critical issues. Assemblyman Stanley said that Edison is well ahead of the curve. Lastly, he mentioned another bill that allows for one absence to attend government functions. In addition, he proposed working with Mayor Joshi to create a Recreation Board to consist of citizens to develop long range improvement plans.
