

**MS Sports Eligibility policy
2022-2023**

Participating in athletics is a privilege and we want our student-athletes to demonstrate great character both in sports and in the classroom. Student-athletes are expected to be respectful and participate in the classroom.

Attendance

A student-athlete with 3 or more unexcused absences or 6 or more unexcused tardies will not be eligible for the next scheduled competition day. Attendance will be pulled between competition dates and if a student is found to have more than the number of unexcused absences or tardies listed above, they will be ineligible for the next scheduled competition date.

Behavior

If a student-athlete is suspended (ISS or OSS) at any time during the season, they will be ineligible for the next scheduled competition day.
