Our App is Live!

We Now Have An App For Apple and Android

One of the many things we are excited about with our new website is the addition of the Falls Lake Academy app. You can now download Falls Lake Academy for free from the App Store and from Google Play for Android users.

The apps are now live so go to the app store and download the new app for your phone. You will be able to access our most visited pages directly from the App.

Please note that Jupiter will open a separate browser as it is just a link to their app. For now, Firebird Athletics will do the same thing.

To enable notifications go to the more tab at the bottom of the app and set your preferences. Only users that have notifications enabled will receive alerts.

Tuesday, October 5th @ 6:30pm

Tuesday, October 19th (if called) @ 6:30pm
