NEW Improved Carpool!

We are going to step-up our carpool and get a bit more high tech! Please use the following link to register your carpool. When you get to the list of students, there are no high school students listed since they don't participate in carpool. If you regularly alternate pick up with someone else, please make sure that only one of you registers your carpool. You will be sent a confirmation email with a QR-code. You can take a picture of it, text it to your carpool partner(s) or print out as many tags as you wish. This system will allow us to project the students' names and the station number that they are supposed to report to. Resulting in fewer of you needing to pull forward and park, waiting on your child that didn't hear their name. This should allow our carpool to be even more efficient. Of course there will be an adjustment period, but as ever we are working hard to improve at FLA.

A Few Reminders from your Student Services Dept.

As we begin the second half of our school year, it is a great time to sit down with your student and make sure that they have all the supplies that they need to rock out the end of the school year. Restock those pencils, glue sticks, high lighters, graph paper, etc. Also, please make sure that they have the correct calculator that was originally listed on their supply lists. Many math teachers will begin to use the calculators much more regularly as we move toward the end of the year.

Hopefully this wonderful, long, holiday break has allowed everyone to relax and get healthy. As we return to school, parents please remember that should your child become ill, they must be symptom free for 24 hours before returning to school. Fever free, no vomiting or diarrhea for at least 24 hours. Adhering to this will help keep all of our Firebirds healthy!

Don't forget to log those student community service hours! I am sure that many of us took part in reaching out to our communities over the holiday. Be sure to log in to the community service tracker site and record those hours. The link for students can be found on our FLA website under the NEWS tab.

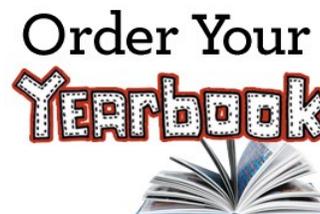

Student Service Hour Requirements for promotion to the next grade:

Students in Kindergarten, 1 st and 2 nd grades:	5 school-community service hours per year
Students in grades 3-4-5:	7 school-community service hours per year
Students in grades 6-7-8-9-10:	10 school-community service hours per year

Again, we hope that each of you have enjoyed a wonderful break with your families.
