Message from Mrs. Hobgood

Dear Parents,

Falls Lake Academy receives Title I funds for our elementary grades. The federal Elementary and Secondary Education Act (ESEA) requires school districts to notify parents/legal guardians of children attending Title I schools of their right to know the professional qualifications of the classroom teachers and paraprofessionals who instruct their child. Falls Lake Academy will provide you with this information in a timely manner upon request. Specifically, you have the right to request the following information about each of your child's core academic-subject teachers/paraprofessionals:

- Whether the teacher meets the state qualifications and licensing criteria for the grades and core academic subjects he/she teaches.
- Whether the teacher is teaching under emergency status because of special circumstances.
- The teacher's college major, whether the teacher has any advanced degrees and the field of discipline of the certification or degree.
- Whether paraprofessionals/teacher assistants provide services to your child and, if so, their qualifications.

In addition, the law requires that all schools that receive Title I funds provide notification to every parent in the school whose child is being taught for four or more weeks by a teacher who is not "Highly Qualified". Falls Lake Academy is committed to providing quality instruction for all students.

If you would like to receive any of the information listed above for your child's teacher/paraprofessional, please contact me directly.

Thank you for your support,

Mrs. Hobgood

COUNSELORS CORNER

We would like to give a special shout-out to a select group of students who have displayed exemplary character this month. These students have gone above and beyond in demonstrating what it means to be a Kelso Star! Please help us in congratulating the following students:

Ella O'Steen
Stone Byrd
Zachary Moorefield
Garrett Champion
Samantha Alley
Addison Lentz
Yalena Bautista

A special Shout Out to Iesha Landis!

Iesha Landis, a 6th grade student at Falls Lake Academy, was invited by the Girls' Club of Lower Manhattan, NY to participate in NASA's Space App challenge (<https://www.spaceappschallenge.org/>). Iesha traveled to NYC October 18-21 and joined 50 other middle and high school girls as they researched, coded, and presented projects that fit NASA's challenges. Iesha and her teammates coded a game to bring awareness to the amount of trash being dumped into the world's oceans. Iesha's team won the "Best Concept" award and Iesha was chosen as the MVP of her group. Her prize was 2 roundtrip air tickets to a destination of her choice.
