

FALLS LAKE ACADEMY

1701 East Lyon Station Road - Creedmoor, NC 27522

Amy Hobgood, Executive Director

Lisa Mayhew, Director of Middle School

A place where community and education combine to celebrate each child's ambitions so that their full potential can TAKE FLIGHT!

The state of North Carolina requires all children entering the 7th grade to be immunized and to present specific documented proof of immunization at the beginning of the school year. There are several vaccines that your Firebird 7th-grader will need to receive prior to the first day of school. Below is a basic guide to the immunizations required for school entry. [For more information, please visit www.immunize.nc.gov.]

Students must be up-to-date with all required vaccines:

DTaP (diphtheria, tetanus, and acellular pertussis)

Polio

Hib (haemophilus influenzae type B)

Measles

Mumps

Rubella

Hepatitis B

Varicella

ALSO: All students entering the 7th grade or 12 years of age whichever comes first on or after July 1st, 2015 are required to have the following vaccinations prior to the 30th day of school:

One dose of Tdap (tetanus, diphtheria, acellular pertussis)

One dose of Meningococcal vaccine

It is the parent or guardian's responsibility to present an up-to-date immunization record ("shot record") to the school within 30 days from the first day of school. As required by state law, if proof of vaccination is not provided by the end of the 30-day period, your child will be suspended from school until proof of immunization is provided or until you show proof of intent to vaccinate.
