

# FALLS LAKE ACADEMY

1701 East Lyon Station Road - Creedmoor, NC 27522

Amy Hobgood, Executive Director

Nealie Whitt III, Ed. S., Director of High School

*A place where community and education combine to celebrate each child's ambitions so that their full potential can TAKE FLIGHT!*

---

Students entering into 12<sup>th</sup> grade must obtain a **second dose of Meningococcal vaccine** that guards against meningitis. This booster dose is required for individuals entering the 12 grade or by 17 years of age, whichever comes first. The North Carolina Statutes (G.S. 130-A-152(a)) requires all students be up to date with all their immunizations prior to the first day of school.

It is the parent or guardian's responsibility to present an up-to-date immunization record ("shot record") to the school within 30 days from the first day of school. As required by state law, if proof of vaccination is not provided by the end of the 30-day period, your child will be suspended from school until proof of immunization is provided or until you show proof of intent to vaccinate. For more information regarding immunization requirements for school entry please visit: <http://www.immunize.nc.gov/>.
