In order to assure that each child is cleared to participate in the Adapted Aquatics program, we are asking that all paperwork be turned into the Aquatic Center no later than **10 days** prior to beginning your swimming classes. All paperwork must be on file at the Aquatic Center in order for any child to participate. **In addition, the teacher roster sheet must be verified and signed by your school nurse.**

Attendance is of utmost importance. Please plan other activities when you are not scheduled to attend swimming.

If you have any questions, do not hesitate to contact us at the Aquatic Center at 698-0064.

Thank you,
