

2022-2023 DRESS CODE

Buffalo Seminary does not require a uniform. The SEM dress code exists to allow students to express their individual style while also acknowledging SEM as an academic institution.

It is the responsibility of each student and her guardian to check attire before leaving for school. Together, we strive to dress in a manner that supports our expectations of the SEM community.

Student attire will be checked each morning by individual advisors and class deans. If a student is out of dress code, they will receive a pink slip and must change immediately. We encourage all students to have a change of clothes in their locker at all times. SEM may not be able to provide extra clothing for students who are out of dress code.
