

meet the **COUNSELOR**

Welcome back! My name is Nicole Bossak, I am your school counselor at Coosa Elementary. This will be my 12th year working with our amazing Coosa families! I am originally from New York where I graduated with my Master's Degree in school counseling and licensed professional counseling. I sharpen my saw by running and adventuring with my little family. I am looking forward to another year of collaborating with our teachers and supporting our Coosa families!

As the school counselor, I am committed to encouraging, supporting and empowering students to become their best selves. My focus is to help all students become better learners by providing a comprehensive developmental counseling program that meets students social/emotional, academic and career development needs. I also serve as the 504 coordinator in the building.

My role is to *HELP* support all students and families. Collaboratively, building a network within our community, we have been able to support the needs of our kiddos, through referrals to outside agencies when requested, acquiring school supplies and uniforms, weekend meals for your student, after school care agencies, etc.

Small Group + Individual Counseling Services:

- Connecting with peers
- Military Family Support
- Social Skills Support
- Conflict Resolution
- Grief
- Bullying
- Friendship Groups
- Behavioral Support
- Divorce Groups
- Referrals to outside agencies by request
