

# Community Handbook

2022-2023

**Prior Park**  
College

DEO DUCE DEO LUCE  
God our Guide, God our Light

Please familiarise yourself with the information in this Community Handbook before your son or daughter begins at Prior Park. The handbook should answer most of your questions and there is a handy index at the back to help you navigate the content. The College website is also a good source of information.

We look forward to welcoming you at the start of term.

### **THE PRIOR WAY**

- Treat other people as you would like to be treated
- Forgive
- Share
- Be honest
- Listen
- Show good manners
- Be kind and helpful
- Be your best self

holistic care for students' physical, mental and emotional wellbeing.

**Transport Manager** - Co-ordinates transport routes for school buses.

## NEW PARENTS

Thank you for choosing Prior Park, all new parents will be sent a starter pack well ahead of agreed start dates at the College.

Your pack will contain further documentation that you will need to complete and return ahead of admission dates, such as medical forms and consent forms. If you are considering transport services or music lessons, it is also advised that you complete the forms at the back of this handbook sooner rather than later to secure a place. You can also download forms from the College website.

## GENERAL INFORMATION

### BEGINNING OF TERM

All students should arrive at College ready for the first day of term. Any exceptional requests for variation should be made to Mr Cane-Hardy, Deputy Head Pastoral at least one week in advance.

### REGISTRATION

Registration takes place at 8.30am and 2pm. Students who arrive outside the morning registration period should report to Reception. Request for planned absence from school should be forwarded to Mr Cane-Hardy and Mr Gamble at least 7 days in advance. Unforeseen absence must be notified on the 1st day by email to the House before 8am or by telephoning the House or School Reception between 8.00- 8.30am.

### ARRIVAL AND COLLECTION

Day Houses provide supervision from 8.15am.

### Recommended collection and dropping-off points

- Baines/Brownlow - The Pavilion
- St Paul's Day students - The Pavilion
- Arundell, Burton, Clifford, English, Fielding - Arundell drop zone and the Butts Car Park
- School buses will run from the Sports Centre

NB. In the event of severe weather, students will be kept safe in Houses and the Mansion until parents arrive.

### COLLEGE EVENTS OR SPORTS FIXTURES

Students are expected to participate in all College events and fixtures if chosen. Saturday sports fixtures are a routine expectation, as are weekend rehearsals or performances. Open Morning and Speech Day are also compulsory.

### LEAVING COLLEGE PREMISES AND EARLY HOME

- No student should leave the school premises during the school day without the knowledge of House staff, signing out at Reception once staff are notified
- Boarders and Sixth Form students may visit Combe Down village at defined times and for limited duration
- Rainbow Wood, the Valley, Monument Field and the Alley woods of Combe Down are out of

bounds areas, to ensure personal safety.

The period between 4.45-5.50pm is used for prep or activities. Day students may opt for an early home when they may leave the College at 4.30pm, but this must be agreed with Housemasters or Housemistresses in advance. Students are expected to go directly home unless other plans have been agreed with parents.

### HOLIDAYS AND REQUESTS FOR ABSENCE

The College provides ample holidays, entitling students to have a full and productive term. Please do not book family holidays that will impinge on the College term. If exceptional circumstances arise, please email the Deputy Head Pastoral well in advance, scane-hardy@priorparkschools.com. Only the Deputy Head Pastoral can sanction such request. Requests for absence need to be made in writing as far in advance as possible (not less than seven days). Granting leave of absence is, in law, at the discretion of the Head and is not an automatic entitlement. Please try to ensure where possible that boarders do not book flights requiring them to leave before the end of term, as they may miss vital lessons.

### ROAD SAFETY

Please note there is a 10mph speed limit throughout the College one-way system. Safety of students is of paramount importance and vehicles should always give way to pedestrians. In addition, it is vital that access is kept clear for emergency vehicles, and therefore vehicles must not be parked along the main drive.

Students should use the designated pathways and recommended walking areas, showing due attention to traffic.

**NB: Parents are not permitted to park on site to walk dogs or to access Bath train station.**

### STUDENT SAFETY

- Day students must stay within the confines of the school throughout the school day. This rule extends into the evening if students stay for evening events
- Students being collected must wait in defined waiting areas. After 6.05pm any students still awaiting collection must go to the Mansion, where supervision is available
- Students staying for evening events remain under supervision of House staff or are supervised by staff running the event. Students should wait in the Mansion Hall after supper (not in Houses) before attending the event
- Only Sixth Form students may visit the village (with permission) during the school day
- Day students may take an early home (leaving at 4.30pm or 4.45pm on a Friday) by agreement with Housemasters or Housemistresses and their family. We encourage all students to take an active part in the co-curriculum and would expect students from L3 – U6 to stay until 6pm for an activity (including prep) at least once a week
- All students must show caution and good sense in use of digital media, safe-guarding their identity and respecting the rights of others. All students must sign the College ICT Acceptable

Use Policy and these principles extend to any use of digital media in order to keep the community safe and free from nuisance.

### COMMUNICATION WITH PARENTS

- Our MIS System (iSAMS) is used for most communications between home and school
- The parent section will allow for parents to view all communications, as well as the Parent Portal. Guidance on how to access iSAMS and the Parent Portal will be given at your child's information evening in the Michaelmas term.
- Communication between the Housemaster or Housemistress or Form Tutor is easiest by email or telephone
- Parent and teacher evenings occur at least once a year
- The website is regularly updated with news and success stories, diary and event dates. The website is also a vital source of information in event of weather difficulties, cancellations or emergencies
- Prior Knowledge, a weekly news digest from the Head, is emailed to parents every Friday.

### COMMUNICATION WITH STUDENTS

- All students are issued a Microsoft Teams account and school email address on joining and they should check this regularly
- The chat function on MS Teams will be the main way staff communicate with students
- All students have access to the SchoolBase student portal where they can access messages from staff, documents and reports
- House and College Assemblies
- House Handbooks
- PSCH lessons. This programme includes material on self-respect, relationships, drug education, life issues and the moral and religious dimensions of such subject matter
- Weekly pastoral time where House Tutors deal with a pastoral programme, centrally defined, allowing sensitivity to local issues and wider moral and current issues.
- The Prior Park College Welfare Statement highlights the availability of the Health and Wellbeing Centre, Lay Chaplain, School Counsellor, Deputy Head Teachers, Head, Social Services and Childline as resources for students. This is published in Houses with helpful contacts and this handbook.

### PERSONAL LEARNING DEVICES (PLDs)

We live in a digital age, and with the increasingly prominent role of digital technology in society, and indeed in the workplace, we recognise the paramount importance of developing digital literacy in our students. Furthermore, digital technology has the potential to support excellence in teaching and learning, facilitating retrieval practice, modelling and effective feedback. As such, all students at PPC are required to lease a Personal Learning Device (PLD) from the school, under the PLD Agreement, not to replace the pen and paper, but to enhance their learning experience.

Whilst individual teachers and Heads of Department are best placed to plan the nuance of how PLDs can best support high-quality Teaching and Learning in their classrooms, the following guidelines are followed by staff and students for appropriate consistency:

#### COMMUNICATIONS

Communication between teachers and students via Microsoft Teams to generally advised to fall between 8am-6pm

Students are advised to set Microsoft Teams to 'do not disturb' during lesson time to minimise distraction

Homework tasks are communicated in person by teachers, detailed in Microsoft OneNote and attached to an Assignment in Teams

#### ORGANISATION

Digital classwork tasks at KS3 are only provided via OneNote where possible

Students are supported in the organisation of digital work with clear topic sections, page titles and dates

Each students must have a 'Prep' section in OneNote for submission of homework and to receive feedback

#### BEHAVIOUR

Students are encouraged to close all background applications in class, to avoid distraction

Gaming and inappropriate use of 'Chat' during lessons will be dealt with harshly as Step 2+ on the Behaviour Policy

Teachers reserve the right to block internet access, mirror screens and investigate suspected misuse of PLDs to maximise behaviour for learning

#### BALANCE

The use of PLDs must not distract from the development of literacy. Longer pieces of writing should be handwritten

Students planning to handwrite in exams should be given ample opportunity to practice under timed conditions

Lesson activities should be varied to allow short periods of time to look away from screens every 20 minutes

### MONITORING & CONTROL

Both to keep students safe and to make sure they stay focussed when learning on their PLDs in lessons, the School operates a number of monitoring, control and filtering systems to manage students' experience when using their PLDs.

This includes, but is not limited to, real-time monitoring of students' screens by staff in lesson time, and monitoring and filtering of internet access at all times.

Our real-time monitoring technologies are confined to monitoring screen-content. The school will not activate or monitor webcams and/or microphones on PLDs, except during normal Teams calls. Real-time monitoring is generally not used outside of lesson-time, and this is its primary focus, but the School reserves the right to use real-time monitoring at any time to keep students safe.

### Positive behaviour for learning with these devices is supported with the acronym CASE:

<b>Charged</b>	<ul style="list-style-type: none"><li>• Every student must attend school with their device fully charged</li></ul>
<b>Appropriate</b>	<ul style="list-style-type: none"><li>• Students must check Teams and Outlook daily to communicate with their teachers</li><li>• They must use the 'Assignments' function in Teams to manage and prioritise their completion of homework and must mark Assignments as being 'Submitted' to ensure that this area remains organised</li><li>• Devices should not be covered in stickers or graffiti</li></ul>
<b>Safe</b>	<ul style="list-style-type: none"><li>• Students must act in accordance with the Acceptable Usage Agreement to stay safe online</li><li>• Students take full responsibility for keeping their own PLD safe and must take reasonable precautions to safeguard others' devices</li><li>• A carry case must be used to transport the device around site, within a school bag where possible</li><li>• The device should not be left in public areas</li><li>• No student should touch or use another student's device</li></ul>
<b>Educational</b>	<ul style="list-style-type: none"><li>• Students should be 'ready to learn', with their device on the desk, lid closed, at the beginning of each lesson, unless directed otherwise by their teacher</li><li>• Students must use their device exactly as instructed by their teacher, and close background applications to avoid distraction</li></ul>

### MOBILE PHONES

Mobile phones can be helpful, but use must be sensible and restrained.

- Mobile phones should be invisible during the school day. All students have Personal Learning Devices (PLDs) and therefore, phones are not required as an aid to learning
- Mobile phones should only be used in houses for a short time during the lunch break. We ask that students do not use mobile phones at break time – we want them to talk to each other instead. This is monitored by staff on duty in Houses
- Teachers will confiscate phones if seen around school and not being used with good reason.
- The College accepts no liability for mobile phones

NB: Parents, please do not telephone your children during the day unless there is an urgent need.

### SUPPER

If students are involved in performances in the evening, supper can be supplied at no cost to the student. However, if the student is attending a performance as a member of the audience, they must obtain a supper ticket at least 24 hours in advance of the production. Supper tickets can be obtained at a small charge from the catering office or reception.

### FLEXI AND OCCASIONAL BOARDING

Flexi boarding enables your child to stay 1, 2 or 3 nights per week per term. It needs to be booked in advance of the start of term to guarantee a bed as it is subject to availability, email: flexiboarding@priorparkschools.com. Flexi boarding includes supper, bed and breakfast and any

boarding activity on that night.

### MASS

The whole boarding community celebrates Mass together most weekends – timings of Mass rotate between Saturday 6pm, Sunday 11am, Sunday 5pm. Parents and Day students are most welcome to come to any Mass.

### THE SIXTH FORM

All Sixth Formers are expected to act as positive role models for younger students. Sixth Formers play a vital role in school management through our 'student voice' and committee system. In addition, they undertake duties at school and in House and monitor behaviour and welfare of younger students

Our Peer Mentor programme is a key feature of our pastoral care. Students can undertake a six week training course in the Lower 6 and become peer mentors in the summer term of the Lower 6. The support Sixth Form students can provide is so beneficial to the community and it also enables sixth formers to develop crucial leadership skills.

All Sixth Form students study 'Prior 4 Life' during the Lower and Upper Sixth. These lessons form a crucial part of their pastoral education and personal development. Across the Sixth Form, students will study twelve modules of six periods. These range from managing finances to ethics. These lessons are complemented by a weekly General Studies lecture programme. More information will be sent to Sixth Form families at the beginning of the academic year.

Prior Park offers flexibility to Sixth Formers, but this must reflect discussion with their Housemaster or Housemistress. Sixth Formers are advised to stay in school until 6.00pm, using study facilities or participating in activities. However, Sixth Formers may wish to have greater flexibility and leave at 4.30pm. If so, they must establish a planned weekly routine with their Housemaster/Housemistress or Tutor.

### Cars and Driving

Only limited senior day student parking can be accommodated in a small designated area. Any permissions must be requested in advance from the Deputy Head Pastoral.

Housemasters or Housemistresses will explain the procedure.

- We accept sensible car use but withdraw permission if irresponsible behaviour occurs. This includes lateness to school, anti-social behaviour, and, of course, any dangerous driving
- Cars are to be used only for coming to school in the morning and going home at the end of the day. This permission is conditional and relies on adequate parking space and safe behaviour
- No student may carry other students as regular passengers unless permission has been given by any passenger's parents in a written letter to the College. Occasional needs to transport other students should be discussed with the Housemaster or Housemistress
- Sixth Form car drivers should confine car use to the journeys to and from school at the beginning and end of the day
- No casual lifts may be given to fellow students in conjunction with any activities. Any need to carry passengers must be discussed with the Housemaster or Housemistress
- The College can accept no liability for loss or damage to cars while on the premises
- Misuse of cars will cause permission to be suspended for a period of time. In any case of

persistent abuse or dangerous behaviour, permission to bring a car to the College will be rescinded by the Head.

## APPEARANCE AND UNIFORM

### PRINCIPLES

At Prior Park College students wear a uniform that is designed to be smart, business-like and supportive of high personal standards. Hair and general appearance should be smart. Clean, properly fitting garments are expected. Every student should be in possession of all items of necessary College uniform and games kit.

### UNIFORM SUPPLIER

Uniform can be obtained from John Moore Sports, 2 Argyle Street, Bath BA1 4BA. Telephone 01225 466341, email sales@johnmooresports.co.uk, or via their website www.johnmooresports.co.uk.

**POP** (Parents of Prior) run a second-hand uniform shop at the College – timings and contact details can be found on the College website: [priorparkcollege.com/current-parents](http://priorparkcollege.com/current-parents)

### NAMETAGS

Please clearly mark all uniform and kit with the student's name to facilitate return if lost. Large 15mm labels can be ordered online at [www.wovina.com](http://www.wovina.com), or telephone 01208 734 84. This method of labelling is recommended throughout the school.

### UNIFORM OCCASIONS

College uniform should be worn by Boarders and Day students at all official College occasions. Day students are expected to travel to and from the College in uniform, unless being collected by parents immediately after a sporting event. In that case, they should dress in full College tracksuit. On occasion, students will be told to attend school in their College tracksuit due to demands of sporting arrangements.

### SCHOOL BAG

College kit bags and rucksacks are available from our uniform supplier John Moore Sports.

## RELIGIOUS AND SPIRITUAL LIFE

### PRINCIPLES AND SPIRIT

Prior Park College is a Catholic school which warmly welcomes students of other Christian denominations, other religions and those of no religion. Many parents choose the College because of its strong Christian community.

Prior Park places God at the centre of the school community, taking seriously its mission to live out the school motto, Deo Duce Deo Luce, meaning God our guide, God our light. The Christian spirit and principles inform all aspects of the school community.

### CHAPLAINCY

The College Lay Chaplain has a special responsibility for nurturing and sustaining the religious character of the College and for maintaining a clear focus on its life as a Christian community. At the same time, all staff share the responsibility for upholding and developing the College's religious character.

The Lay Chaplain has a wide variety of responsibilities relating to the spiritual life of the College. These include nurturing the prayer life of the College, liaising closely with the Personal Development Programme Co-ordinator, maintaining close contact with all the Housemasters and Housemistresses and House communities in order that boys, girls and staff may feel that they have direct and easy access to the Chaplain. The Lay Chaplain is available for discussion with any member of the community regarding matters of a confidential, private or spiritual nature.

Prior Park takes seriously the practical implications of ecumenism. For example, preparation for Catholic or Anglican Confirmation is offered.

## LITURGY AND SACRAMENTS

Whole School Masses are held at the beginning and end of term, and at other times such as Holy days of obligation and important feast days, for example All Saints, Ash Wednesday, Ascension, Corpus Christi and the feast of St Peter and St Paul (the Patron Saints of the College). All students are expected to attend these.

Each week in term-time we hold a weekend Mass, this may be scheduled for a Saturday evening, Sunday morning or Sunday evening, and is open to all. Boarders are expected to participate. The weekend liturgy is enhanced by either the Senior or the Junior Chapel Choir. Students of various denominations are invited to become altar servers and sacristans for the range of Masses. Services of Reconciliation are held for all year groups during Lent.

The Michaelmas Term ends liturgically with Carol Services and the Lent Term with a service of Lenten readings and hymns reflecting on the Passion and looking towards Easter.

## RETREATS AND PRAYER

Students may go on Retreat to experience time away from the College at suitable times throughout the year, with a special focus on developing their spiritual awareness.

Currently, day retreats are offered at some stage of the year to L3, L5, U5, L6 and U6. These days are always most enjoyable, with interactive exercises, helping to create a sense of awareness of others, prayer, meditation and Mass, prepared by the students.

The whole school meets weekly in the Chapel for an Assembly and, on rotation, year groups attend an act of worship on a Wednesday morning. Prayers are routinely held in House Assemblies.

## TEACHING

For years L3 to U5 Theology is a core subject and all students take Religious Studies GCSE. The Sixth Form explore a wide range of religious and moral issues as part of Prior 4 Life.

## THE DIOCESE

Sr Jane Livesey CJ, General Superior of the Congregatio Jesu, is the President of the Prior Park Educational Trust. The Bishop of Clifton is a Patron. The Governors, Head, Lay Chaplain and Head of Theology work closely with the Diocese of Clifton's Department for Schools and Colleges.

## THE HEALTH AND WELLBEING CENTRE

### MEDICAL OFFICER

We have a School Medical Officer for Prior Park College, a highly qualified GP, who is also a Partner at a local Doctor's Surgery.

The Doctor's Surgery is held at the Health & Wellbeing Centre during term time on Monday mornings at 10.30am.

Students over 16 can consult the Doctor through a booked appointment at the Health & Wellbeing Centre. Students under 16 may be referred via Nursing Sisters, or on request from Parents or Housemasters or Housemistresses. Any student may request to have a consultation with any Doctor at Combe Down Surgery if preferred.

## NURSING TEAM

The Lead Nurse and Nursing Sisters provide nursing care at Prior Park College and can refer students to the School Medical Officer, Out of Hours Doctor's Services or Royal United Hospital, if necessary.

There are a team of Medical Escorts to take students to Hospital.

## HEALTH AND WELLBEING CENTRE HOURS

Monday-Friday 8:00am-6:00pm  
children should be seen during break times and in between lessons  
Saturday 12:00 – 6:00pm  
Sunday ON CALL

Emergencies will be seen at any time during opening hours.

Students, parents and staff should feel free to come to see the nursing team with health queries or concerns.

## STUDENT INFORMATION

**Prior to College entry** parents of students are required to complete the Health Record Card. Please provide any medication that the Health & Wellbeing Centre may require. Signed consent is required if a student is to receive medication during the school day from the nursing team.

Parents are requested to provide emergency contact numbers and to sign giving permission for emergency care if it should be required for their child and they are unable to be contacted.

Prescribed medication which needs to be taken during the school day should be handed in to the Health & Wellbeing Centre for dispensing.

Students who suffer from asthma should carry their inhaler in school. Parents should inform the Health & Wellbeing Centre if their child suffers from any allergies. Students with severe allergy should carry their EpiPen on their person at all times. A spare EpiPen is required to be kept in the Health and Wellbeing Centre for all students with a severe allergy. A care plan will be agreed with the parents of these students.

Students should not carry any other medication at school.

## APPOINTMENTS

The Health and Wellbeing Centre is responsible for arranging all Surgery, Hospital, Dental, Physiotherapy, Orthodontic, Chiropractic and Osteopathic appointments.

Students will be accompanied to appointments and A & E by a Nursing Sister or a member of House staff if their Parent or Guardian is unavailable.

## ACADEMIC MATTERS

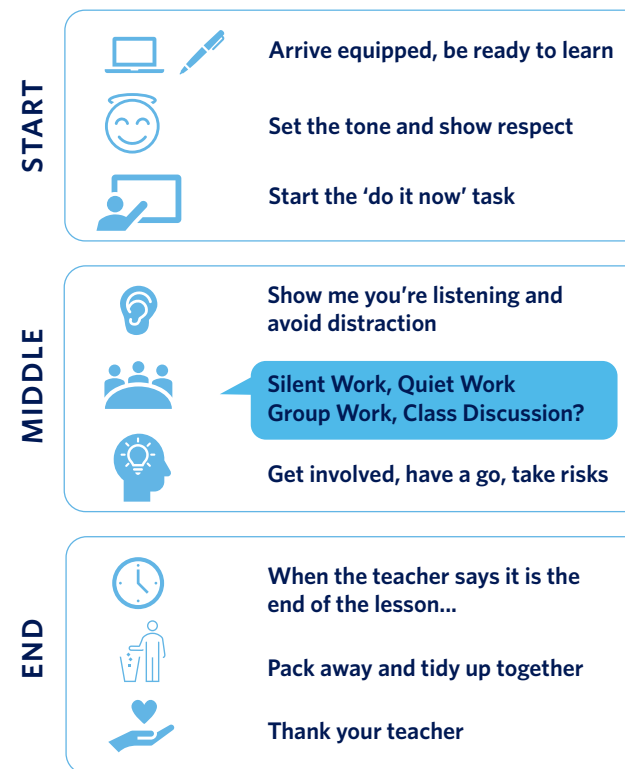

Our academic provision is built around a deliberately broad range of academic, that is, abstract, not vocational, disciplines, taught by inspiring subject specialists. We also believe fervently in the education of the whole person; a strong tradition of co-curricular education works in close partnership with this ambitious and deliberately broad academic curriculum, giving students the range and breadth to discover and pursue their individual gifts, talents and passions to the fullest extent.

Teachers throughout the school always aim to stimulate interest and encourage independent research and an enquiring approach in our students.

## EXPECTATIONS OF STUDENTS IN THE CLASSROOM

### BEHAVIOUR FOR LEARNING

Students are expected to be 'ready to learn' from the second they step on to the school site. In the classroom, students' exemplary behaviour, as guided by the poster overleaf, sets the tone for learning.

### OVERVIEW OF STUDENTS EXPECTED BEHAVIOUR

- Students should know the rules, accepting the ethos of the school and supporting it
- Students must respect the Law of the Land and observe it
- Students should be honest, trustworthy and respect other people and property
- Students must be punctual to lessons, assemblies, clubs and all school events
- Students must wear their uniform properly, and it should be neat, clean and tidy
- Personal relationships must be conducted in a considerate and appropriate way
- Students should only use mobile phones and PLDs in accordance with the Mobile Phones and PLD Policies
- Students should avoid behaviour which is anti-social or could injure themselves or others
- The routines and boundaries of the school must be respected
- Students must attend all their classes, activities, fixtures and planned events
- Students must do all work on schedule and use study time effectively and appropriately

We encourage parents (and students) to read the Behaviour Policy, which can be found on our website.

## ACADEMIC SUPPORT

### ENGLISH AS AN ADDITIONAL LANGUAGE (EAL)

Students whose mother tongue is not English sit the Prior Park College Entrance Test in English to ascertain language competency. This includes an interview with a member of the EAL Department, which may be conducted via skype. Other tests may be accepted as proof of language ability, eg UKISET. On arrival, further testing is conducted and a decision is taken as to whether EAL lessons will be necessary. This test is mandatory unless past performance proves competency through a recognised written examination in English (e.g. IGCSE/FCE/ IELTS) because writing skills are of paramount importance in a world of written examinations.

Once tested, a decision is taken as to whether EAL lessons are necessary. There are three possibilities:

- **Competency is proven to be acceptable** in which case no EAL lessons are necessary.
- **Competency is adequate but help may be needed** depending on grades, exams, and progress in mainstream subjects. The student proceeds as above but is monitored to ensure he/she is coping well; otherwise action is taken as indicated in the point below.
- **Competency is not proven to be adequate** so EAL lessons are deemed obligatory. Students take EAL lessons until competency is proven by achieving grade C/level 4 or above in IGCSE in ESL. In F4 students take EAL classes in place of mainstream English. In L5 and U5 students typically take EAL classes to prepare for IGCSE in English as a Second Language (ESL) in place of GCSE English Language and English Literature. Classes in place of mainstream English classes are without charge. Additional private lessons are sometimes deemed necessary or are requested by the student or parents. These classes are charged to parents and an invoice is sent at the end of each term.

The EAL focus for Sixth Formers is normally the International English Language Testing System (IELTS), which is required by many UK universities as proof of English competence. These classes are normally arranged on a private basis and charged to parents. After this, although EAL lessons are no longer obligatory, they may continue if the student and parents wish.

All overseas students are encouraged to speak English throughout the day, and using their native language is discouraged. This is for good reason – to ensure that English language is used and practised as much as possible daily. This also helps international students become integrated quickly within the life of the boarding house and in the College. It is particularly important that only English is spoken during lessons (although students may ask for the teacher's permission to use their native language to briefly translate a word or concept). Failure to comply will affect the student's continuation at the College.

### LEARNING DEVELOPMENT PROGRAMME (LDP)

Some students accepted into Prior Park may need the more specialist assistance of the Learning Development Programme. Year 7 and 8 students will come out of an academic lesson, normally one of their two languages, whilst students in Year 9 and beyond will be timetabled according to their free periods. LDP lessons are subject to a small additional charge.

### LIBRARY

The Library is located within the Mansion building and welcomes every member of the Prior Park community. It is staffed Monday to Friday from 9.00am-6.00pm. A printer and laptops which

link to the school network are maintained for use. Our librarians regularly organise activities such as book clubs and author visits.

Books on offer largely reflect curriculum needs but also includes general interest. There is a comprehensive range of fiction for teenagers and adults and a wide-ranging film and music collection.

### STATIONERY SHOP

The College stationery shop is available for routine stationery purchases. Items purchased will be added to the College bill. Open Wednesdays from 1.15pm-2.15pm.

## ACADEMIC PROGRESS

We monitor your son or daughter's academic progress closely as they advance through the College to ensure they make the most of themselves and their time at Prior Park. Their Tutor and Housemaster / Housemistress are the key people here, touching base with your son or daughter every day, but teachers, Heads of Department and the SLT will also directly and regularly oversee their academic progress.

### ACADEMIC AWARDS & MERITS

Your son or daughter can earn Merits at any time during the year. These are awarded by teachers in recognition of exceptional work, either in class or prep. Merits can also be awarded for significant contributions to the life of their House or the wider School. Merits are recorded digitally, and your son or daughter's tutor will keep a careful track of the Merits they earn during each term. Separately to Merits, formal Academic Awards are presented by the Head, on recommendation by your son or daughter's teachers, at the end of each term and on Speech Day for Academic Effort and Achievement.

### ACADEMIC ASSESSMENT & REPORTING

Each term, your son or daughter will generally receive both a set of Assessments, usually at half-term, and one of either a parents' evening or set of written academic reports, usually at the end of term. At the start of each Key Stage, they will also have a Baseline test. These various assessment structures are explained in more detail below:

#### Assessments

Assessments are a set of grades, showing both effort and attainment in each subject your young person is studying. Depending on where your young person is in their academic programme, these grades might come from School exams, in-class tests, or simply from their recent classwork and prep.

Following each set of Assessments, your young person's tutor will review and discuss progress with them, including their progress relative to their baseline grades if in L5 or above (see below).

#### Baseline tests

Students have a baseline test at the start of each Key Stage. These are a series of short online tests using a proprietary system that ask general questions about shapes, numbers, words and patterns and require no preparation or revision. The tests adapt to each individual student and give us valuable information about how best to teach them. At GCSE and A-Level, the baseline system also generates a 'baseline grade' in each subject for your young person. This is the most

common grade that past students with similar profiles have historically gone on to achieve in each subject. It isn't a predicted grade for your son or daughter, but serves as a useful reference point to help them (and us) judge their own attainment grades.

### Written academic reports

These are written by your son or daughter's individual subject teachers and will contain a comprehensive summary of your son or daughter's progress in each subject, usually along with helpful and pertinent targets or suggestions for future improvement. Your son or daughter's tutor and/or HsM may also add a more general comment about their contribution to the wider House and School.

In parallel with the academic report is a co-curricular report which includes comments on students' progress in sport and music.

### Academic Parents evenings

The academic Parents' Evenings comprise a formal meeting with each of your son or daughter's teachers to discuss their progress. These meetings happen online and are arranged via Schoolcloud, our easy-to-use and intuitive video-conferencing system. The approximate positions of these parents' evenings in the year are shown below.

Year Group	Approximate Date
L3	December
F3	January
F4	February
L5	November
U5	February / March
L6	October / November / June
U6	March

Parents are keenly encouraged to contact the school if they have any concerns or wish for further advice. Apart from the key academic figure of the tutor, parents may also contact the Deputy Head Academic directly for assistance with any matters relating to students' academic progress.

### ACADEMIC PROGRESSION

We expect students at Prior Park to show evidence of sustained positive commitment to academic progress and support for the College's standards. To that end, your son or daughter's tutor, teachers and Heads of Department will constantly monitor their academic progress to help them stay on track and make the most of themselves.

More formally, as explained above, each term your son or daughter's tutor, Housemaster/ Housemistress and the SLT will review their Assessments to make sure they are showing that commitment to academic progress and will intervene quickly if not.

Progress into the next academic year is conditional on fulfilment of academic and behavioural expectations, and entry into the Sixth Form and progress from L6 to U6 is dependent on an ability to benefit from higher studies, showing aptitude and maturity. For Sixth-Form entry, the School generally suggests a minimum overall working level of 6 GCSEs at grades 9-6 to

benefit fully from our provision. Individual subject choices are assessed, along with overall progression, at a number of key stages by the academic team according to the School's Progression into Sixth Form policy, available via Reception.

### COURSE MATERIALS

Students are expected to keep in good condition and look after their PLD (Personal Learning Device) and all textbooks and other materials that we provide. Exercise books, and files are to be free of scribbling and graffiti, reflecting their role as important academic documents. More information is provided elsewhere about specific care for your son or daughter's PLD.

All textbooks must be returned by students at the end of the year to the relevant Department and PLDs must be returned before a student leaves the school. More specific instructions for book return will be provided at the end of each course.

Neither textbooks, nor PLDs can be accepted by Reception, and any loss or undue damage must regrettably be charged to your school bill. Further information on the PLD scheme is detailed in the PLD Agreement.

### DETENTION

A regular schedule of Detention is maintained. Detention is there to help students who are persistently falling behind with a piece of work or prep, or who need a dedicated and compulsory period of time to reflect on their behaviour.

In Lunchtime Detention, students will sit with a member of the SLT to catch-up missed work or reflect on their behaviour as appropriate. A separate After-School Detention runs on Fridays with a Deputy Head for more serious issues.

Teachers will always make the reasons for a Detention very clear, and Detention is compulsory. It takes priority over any other activity, including early-home in the case of an After-School Detention.

## THE SCHOLARSHIP PROGRAMME

### ACADEMIC SCHOLARSHIPS

Academic scholarships are awarded at three main points during students' career at Prior. At 11+ (L3 entry), students are automatically considered for academic scholarships upon their entry into the College, based on their performance in the entrance examinations and at interview.

At 13+ (F4), existing scholars have their award automatically reviewed based on their performance and contribution thus far, and non-existing award holders are able to apply for an academic scholarship. Such candidates are considered on the basis of their F3 assessments and a formal interview.

Similarly, at 16+ (L6), existing scholars are automatically reviewed, and non-scholars are able to apply for an academic scholarship. This is based on specific scholarship papers and a formal interview.

Academic scholarships confer a fee remission ranging from 'in-name-only' to 10%, and grant access to the College's extensive Scholarship Programme of meetings, lectures, debates, trips and other enrichment activities.

### ART, D&T, MUSIC, DRAMA & SPORT AWARDS

Students who are already at the College in F3 and in U5 and occasionally others may also be recommended by the relevant Heads of Department for an award in these specific areas. The Head of Department will make recommendations to the Deputy Head Academic who will review them and make a final recommendation to the Head. Students may be asked to undertake practical assessments alongside external candidates, and of course there can be no guarantee that, even if a Head of Department invites a student to be assessed, an award will be made.

Much more information on the Scholarship Programme is available on our website at [www.priorparkcollege.com/admissions/scholarships](http://www.priorparkcollege.com/admissions/scholarships).

## PASTORAL CARE AT PRIOR PARK

Prior Park College strives to create a cohesive community and to support each member of it. The programme of pastoral care is central to this process and it aims to:

- Promote the welfare and happiness of all students
- Provide a variety of opportunities for helpful contact with staff, seeking to educate, challenge and support students
- Provide clear lines of communication, encouraging every student to raise any concerns or share ideas
- Protect children from abuse and from bullying.

## THE PASTORAL SYSTEM - HOUSES

All students are members of a House and within the House they are allocated a Form. The school aims to generate a sense of community and provide easy and appropriate channels of communication for students and parents. Kindness and mutual respect for all members of the school is an essential principle in the pastoral system, creating communities in which every member can flourish and feel safe and at ease.

The House team works to foster a positive, achieving and secure atmosphere. They meet regularly to ensure common purpose. Within the House system, senior students are given measured responsibilities and all students have opportunities to contribute to decisions. In addition, members of the SLT, the Lay Chaplain, Boarding House Parents and Health & Wellbeing Centre staff provide additional support to the pastoral role of the house in monitoring and fostering the progress of every student.

## WELFARE STATEMENT

### WHAT TO DO WHEN THINGS GO WRONG

Everyone will experience problems of one sort or another as they go through the College. Some are minor and students can solve them themselves, some are more difficult and may need the help of another person or a group of people.

Students may experience:

- Feeling that they cannot cope
- Problems with work or over tiredness
- Problems or difficulties with friends
- Thinking that their property has been stolen
- Feeling that they are being victimised or discriminated against on grounds of appearance, race, religion, gender, ability or for any other reason
- Feeling that someone has hurt, abused or harassed them or has made suggestions - sexual or otherwise - which they feel are inappropriate
- That they have been treated unfairly by a member of staff
- Feeling that they are being bullied, intimidated or treated unkindly or unfairly by another student or a group of students.

We expect our community to be aware that students may experience occasional problems which make them unhappy and we ask all students and staff to be sympathetic and supportive.

## WHO DO I GO TO FOR HELP?

There are lots of people who listen to your concerns and try to help. The most important thing is to talk.

### Peer Mentors

In the Sixth Form there are trained Peer Mentors who will always be available to listen and talk about your concerns. There is a poster in your House, please contact them if you wish to discuss an issue.

### House Tutor

This person has the primary Pastoral responsibility for you at College, and is the person who knows about you and who monitors your progress from week to week. Tutors may speak to your Housemaster or Housemistress.

### Health & Wellbeing Staff

Nurses in the Health & Wellbeing Centre are available throughout the day and can help with a range of medical and personal issues. They are always available to listen to concerns or offer advice.

### Housemaster or Housemistress

The Housemaster or Housemistress has overall responsibility for your welfare and will always help you.

### The School Counsellor

On occasion, students may require more specialist support. You can access counselling by emailing directly or asking your Tutor/HSM or a Nurse to arrange an appointment.

### Deputy Heads

The Housemasters or Housemistresses will refer serious discipline or pastoral issues on to a Deputy Head who may in turn refer them to the **Headmaster**.

### The Lay Chaplain

The Lay Chaplain can help with personal difficulties or where matters are of a confidential, private or spiritual nature.

These are all figures that also have a Pastoral responsibility in the College. They like meeting individuals and it's part of their job to sort out problems. You may not feel like you know them very well but, in some cases it can be beneficial to talk to somebody who is not closely involved with you from day to day. Your friends, a teacher you get on with or senior students will usually be sympathetic and ready listeners too. We also recommend students discuss things with their parents. Keep them informed of what is happening at school. Tell them what you are enjoying and if you have worries. Prior Park will always work with parents for the benefit of students.

## COUNTER BULLYING

All members of the community have the right to partake of education in a secure and happy environment, being safe to learn. The Prior Park community will not tolerate bullying. Bullying is the wilful, conscious desire to hurt, to distress, to threaten or frighten by word or deed. It can take a range of forms, but all are unacceptable. Our aim must be to eradicate bullying, instead creating a culture of kindness and promoting an environment in which cruelty and hurtful behaviour cannot thrive.

Be aware that bullying can take many forms and reject them-

- Roughness and physical threat
- Verbal cruelty and exclusion, including offensive racial, religious and cultural references
- Comments of a sexual nature or remarks relating to race, gender or sexuality
- Use of social media to harass and upset, by word and image.

Bullying is unacceptable and all members of the school must know this.

A Prior Park student has the right to-

- Be respected by others
- Express yourself and learn effectively
- Have your contributions valued
- Have your property respected
- Feel safe and content in the community.

A Prior Park student has the duty to-

- Be respectful of others
- Be considerate in your behaviour
- Avoid offensive behaviour
- Use social media with good sense
- Not tolerate bullying. Never support bullying in any form. Speak out against bullying or unkind behaviour.

A Prior Park student must do the following if they become aware of bullying-

- If appropriate and helpful, intervene and indicate your disapproval
- Report what you have seen to your Tutor, Housemaster or Housemistress
- If you don't feel confident, seek help from friends, a senior student, a teacher, the Health and Wellbeing Centre, the Lay Chaplain or your parents. All information will be treated sensitively and necessary action discussed with you.

## SAFEGUARDING

The Mission Statement of the school links to the principles of Every Child Matters, aiming to create a safe, stimulating and positive environment. We strive to enable students to:

- Be Healthy
- Stay Safe
- Enjoy and Achieve
- Make a Positive Contribution
- Achieve Economic Well-being

A key part of this process is adherence to safe recruitment procedures, with careful checking of all individuals applying to work with children. This scrutiny involves necessary references and Child Protection screening, including Disclosure and Barring Service checks and reference to the Vetting and Barring Scheme administered by the Independent Safeguarding Authority.

There is a need to be alert to any possibility of child abuse. Staff are trained in safeguarding issues and there is a Designated Senior Lead for Child Protection (DSL) - at the College, this role is held by the Deputy Head Pastoral and he is assisted by a team of Deputy DSLs : Lead Nurse, AH Wellbeing, AH Pupil Intervention and Head of Compliance. In the event of concerns the DSL will liaise with the Local Authority Designated Officer, following B&NES Community Safety and Safeguarding Partnership (BSCCP) procedures.

All members of staff are made aware that any concerns about safeguarding and possible child abuse (physical, emotional, sexual, neglect) should be brought to the DSL (or his Deputy if he/she is not available), recording information on CPOMs and being sensitive in protection of information.

The DSL also plays a role as an E-Safety Officer. They liaise with IT staff to ensure that all users adhere to their Acceptable Use Agreement and act to counter any misuse, with close regard to the BSCCP action flowchart.

The DSL participates in the local Child Protection Forum and Annual Stakeholders' Meeting, and is fully engaged with external safeguarding agencies and legislation to fulfil our responsibilities until National Child Protection legislation.

## CODE OF CONDUCT

All Prior students should adhere to the following expectations, known as the Code of Conduct.

- Knowledge of College rules, of the rewards and sanctions which can apply, and provisions for appeal
- Awareness that the Law of the Land must be observed at all times
- Honesty, trust and truthfulness, respect for others and their property both personal and communal, including respect for the fabric of the College
- Courtesy, respect and consideration towards other students, staff and the public. This includes punctuality and politeness. Acknowledge and greet peers and members of staff. The appropriate wearing of uniform or other appropriate dress. We expect students and staff to

look professional and smart.

- Responsible conduct of personal relationships. These must be conducted in a considerate and open manner.
- Avoidance of behaviour which is anti-social or damaging to health. The following are not allowed: smoking (including vaping) or possessing tobacco in any form, consuming or possessing alcoholic drinks (except on occasions specifically sanctioned by a Housemaster or Housemistress), consuming or possessing illegal substances.
- Punctual attendance at all scheduled classes and associated activities.
- Completion of assignments to a standard appropriate to each student's abilities and such as to meet deadlines set.

## DISCIPLINARY INCIDENTS

### INVESTIGATION, SANCTIONS AND REVIEW

Prior Park College has a duty of care to its students, and parents (and guardians) have a duty to ensure the attendance and good behaviour of their son or daughter. Students are expected to respond positively to the principles and rules of the school.

A staged response is used whenever appropriate. However, serious offences, even on the first occasion, may lead to temporary or permanent exclusion.

For more information please refer to the PPC Exclusions Policy.

## INFORMATION

### ALCOHOL

The College supports the law on sale and consumption of alcohol. Limited alcoholic drinks may be provided at College events for older students. Alcohol education is included in our programme.

### DRUGS AND SMOKING

The use or distribution of illegal drugs is contrary to the ethos of Prior Park College and threatens the welfare of the individual and community. The College adheres to its Drugs and Substance Abuse Policy and major disciplinary sanctions will be applied where necessary to protect individuals and the community. Drug education is included in our programme.

Smoking of tobacco and vaping is damaging to health and is unacceptable in school or on school premises. Prior Park is a no smoking zone (including e-cigarettes) for both adults and students.

### RELATIONSHIPS

Prior Park expects members of the community to be thoughtful and responsible in their behaviour, most notably in conduct of relationships and treatment of others. The College provides a more profound explanation in the Sex and Relationship Policy and this is available on request.

### PARTIES

We ask that parties do not intrude on school arrangements, for example Saturday fixtures. Conduct of parties should be appropriate and supervised. We ask that, within reason, students

are inclusive and thoughtful when inviting peers. Any invitations to boarders should be made through House Parents.

### **ACCEPTABLE USE OF DIGITAL MEDIA**

Students live in a constantly changing media age and face the challenge of constant connectivity. As digital natives they are at ease in the use of chatrooms, instant messaging, social networking sites, or other interactive platforms, but they are young and can make misjudgements or encounter real difficulties. It is vital that parents are aware of this dimension. Bad decisions can lead to unwise sharing of personal information, unguarded remarks about others, posting of unacceptable images, or other actions that leave the student or others around them vulnerable.

The Prior Park E-Safety Policy and Acceptable Use of IT Services Agreement specifies the standards required at school, with restriction to educational use in the school day. The basic requirement is to exercise good judgement, avoiding inconsiderate use and any malicious action. The same standards should inform use of home systems. Any use of social media, mobile phones or other devices to harass, annoy, upset or bully any members of the Prior Park community will be regarded as a very serious disciplinary matter. All students and staff are required to sign and conform to the Acceptable Use Agreement.

## **INTRODUCTION TO PSHCE**

The Personal, Social, Health and Citizenship Education (PSHCE) education programme makes a significant contribution to students' spiritual, moral, social and cultural (SMSC) development, their wellbeing, behaviour and safety. PSHCE education equips students with the knowledge, understanding, skills and strategies required to live healthy, safe, productive, capable, responsible and balanced lives. Its education contributes to personal development by helping students to build their personal identities, confidence and self-esteem, resilience, identify and manage risk, make informed choices and understand what influences their decisions. Developing an understanding of themselves, empathy and the ability to work with others will help students to form and maintain good relationships, develop the essential skills for future employability and better enjoy and manage their lives.

In all years (L3 – U5) PSHCE is taught within the curriculum. All students have one 55-minute taught period per fortnight. Topic areas include self-esteem, mental health, study skills, friendships, drugs and alcohol, prejudice and bullying.

### **PRIOR4LIFE**

Our Sixth Form Prior4Life Programme is aimed at preparing our senior students for life beyond school. Students have three periods per fortnight and these includes discussions about spiritual development, political and social issues, health and welfare. It has a practical dimension with all students completing a first aid, car maintenance and finance course as well as doing some form of community service.

## **CAREERS AND HIGHER EDUCATION**

Careers Education, Information, Advice and Guidance (CEIAG) is an important part of the wider curriculum to all students as they progress through Prior Park College. Students have access to accurate and up-to-date careers guidance which is delivered in an impartial manner, enabling

students to make informed choices about a wide range of career options.

The school has an independent Careers Advisor who is experienced and qualified in CEIAG and a Careers Coordinator who is responsible for CEIAG within the curriculum. The Careers Department is located next to the Julian Slade Theatre. We have a Careers Library which is well stocked with a wide range of reference books, career path information and university prospectuses both from the UK and overseas. The Careers Department is fully equipped with leading school careers software and online resource tools such as Fast Tomato and Kudos.

The Careers Advisor is available for booked appointments from students and parents in any year group.

### **THE CAREERS AND HIGHER EDUCATION PROGRAMME**

This programme is delivered by the Careers Coordinator, Careers Consultant, Form Tutors, Higher Education staff and outside agencies. The Careers Guidance Programme is designed to meet the changing needs of students throughout their school life. Additional advice and help is given during tutorial time, year assemblies, PSHCE and through General Studies in the Sixth Form.

**L3 and F3** – Careers is introduced through the Baines and Brownlow Careers Enrichment Day and forms part of the PSHCE programme. Emphasis is on broadening students experience and understanding of jobs. Students receive a STEPs individual careers book to help them understand more about themselves and the world of work.

**F4** – The focus is on self-assessment and decision making using a variety of group exercises to develop the individual's awareness of their own skills. Students have access to Fast Tomato, an online careers guidance programme helping them to explore the many different career opportunities open to them.

Students in F4 receive a STEPs individual careers workbook to help them to understand more about themselves, find out about careers and the world of work, and help them plan for their future.

Advice on GCSE choice is given by the Careers Consultant, Heads of Departments, Form Tutors, Housemasters or Housemistresses.

**L5 and U5** – The focus is on post-16 options. Members of L5 attend a schools careers enrichment day.

All students are advised to complete the COA Preview Programme at the end of L5 which analyses individual student responses and produces an Interest Profile based on over 40 broad career areas. This is followed up by an individual careers interview in U5 to review post-16 choices and beyond. Follow up interviews can be arranged.

**Sixth Form** – At this level the focus is on higher education and university choice, in conjunction with the Heads of Sixth Form.

## CO-CURRICULAR ACTIVITIES

The College offers over seventy activities over the course of a week. If a student wishes to continue an outside activity then parents should contact the relevant Housemaster or Housemistress to discuss a particular student's activity programme. Activities are available at lunchtime or after school.

### EXAMPLES OF ACTIVITIES

**Sport** - Fitness, Hockey, Cricket, Tennis, Netball, Swimming, Rugby Sevens, Football, Inter-House Fisher Road Relay, Basketball, Athletics, Badminton, Sailing, Paddle Boarding, Archery, Golf.

**Music, Dance and Drama** - Concert Band, Big Band, Choral Society, Orchestra, Senior and Junior Chapel Choir, Chamber Strings, Brass Band, Inter-House Music Competitions, Theatre, Production Rehearsals, African Drums, Masterclasses.

### SATURDAY ACTIVE

Saturday Active is available to all students, day and boarding. There are always a wide variety of courses to choose from. More information, including a list of activities, will be sent to students and parents each term.

### SATURDAY SPORT

All students are required to be available for Saturday fixtures and Sunday tournaments. Students normally assemble at Prior Park College and depart by coach for away fixtures. Times and fixtures are published on the Parent Portal, with arrangements confirmed or amended online. This information can be found via the Sports Fixtures and Results link on the homepage of the College website.

In event of late illness preventing involvement on a Saturday morning please contact the appropriate member of staff.

### GAMES

Both games time and activities sessions allow all students to get involved in sport and exercise. Sporting opportunities for girls and boys include: rugby, netball, cricket, tennis, hockey, football, badminton, athletics, swimming, cross country, sailing, basketball, yoga, weight/circuit training, table tennis, golf.

## PERFORMING ARTS ACTIVITIES

A diverse range of musical opportunities are available for both Juniors and Seniors

- Orchestras and Chamber Strings, Quartets, Jazz and Wind Bands
- Four Choirs and a Choral Society
- Annual theatrical and musical productions
- Drama is active beyond the timetable with regular productions.

## MUSIC TUITION

### INSTRUMENTAL AND VOICE LESSONS

Tuition is available at the College on the piano, the organ, classical, electric and bass guitar, orchestral instruments (strings, woodwind, brass and percussion), the saxophone, recorders and in voice. The Director of Music will be pleased to advise parents on choosing a suitable instrument for their child to learn. Please complete the music lesson application form and return to Celia Mike, cmike@priorparkschools.com.

### LESSON COSTS

Students normally have thirty lessons during the course of the year - twelve lessons in the Michaelmas Term, ten in the Lent Term and eight in the Summer Term. Up-to-date fees can be found by emailing cmike@priorparkschools.com

### PRACTICE

Whilst we are keen to encourage students to take music lessons, it must be noted that in order to progress all students must find time during each day to practice.

The following is the recommended minimum practice time per day-

**Beginner - Grade 2:** 20 minutes

**Grade 3 - Grade 5:** 30 minutes

**Grade 6 - Grade 8:** 45 minutes

**Post Grade 8:** 60 minutes

Students will be issued with lesson plans and practice books at the beginning of each term to be filled in by the teacher and student.

### TIMETABLE

Lessons for students below the Sixth Form are normally given during College hours on a rotation timetable so that a different school lesson is missed each week. By this system a student rarely misses the same subject more than two or three times a term. Out of school times (lunch breaks, etc) are usually reserved for students who learn more than one instrument and for students in U5 who are preparing for major exams. Sixth Form students do not rotate, they have fixed lessons in their free periods.

**It is the responsibility of students to check their timetables regularly, as changes have to be made from time to time. Requests for a change of lesson time must be made at least one week before, and preferably longer.**

## NOTICE

Notice of terminating lessons must be given in writing to the Director of Music at least half a term in advance. Music lessons may only cease at the end of a term. If less notice is given, a full term's fees will be charged for the following term. The Director of Music will acknowledge all letters of notice in writing.

NB. Notice to take effect in September will not be accepted in the summer holidays - it must be received by the previous half term in May.

## LOAN, HIRE AND PURCHASE OF INSTRUMENTS

The College possesses a stock of orchestral instruments, which may be lent to students, as they become available. A hiring fee will be made for all instruments, which includes their use at weekends and during the holidays. Students are expected to buy their own instruments when they have reached a reasonable standard and the Director of Music will be pleased to advise over the purchase of instruments on request. Any instrument which is not available for hire through the College can be hired from a music shop. Piano and organ students are not charged hire fees. Drum and saxophone students are charged at a reduced rate because students' access to these instruments is more restricted, please contact the Director of Music if you need clarification on this.

NB. If a College instrument is to be taken away from the College it is the parents' responsibility to insure it.

## APPLICATIONS FOR MUSIC LESSONS

If you wish your son or daughter to have music lessons, please fill in and return the application form at the back of this booklet. When no vacancy is available your son or daughter's name will be put on a waiting list. Students should check the Music timetable on the noticeboard in the Music Department on the first day of each term.

## CARE AND INSURANCE OF INSTRUMENTS

The College endeavours to provide appropriate storage for instruments but ultimately students must ensure the security of their own property. Musical instruments are often extremely valuable. The College cannot accept responsibility for students' possessions. Parents are therefore urged most strongly to arrange their own insurance cover for their children's instruments, including any which are being used on hire from the College.

## THE COMBINED CADET FORCE (CCF)

From Y8 onward your son or daughter will have the opportunity of joining the Combined Cadet Force. The Combined Cadet Force (CCF) is a unique educational partnership that operates in schools across the UK.

The broad function of the CCF is to provide a disciplined organisation within a school so that young people may develop powers of leadership by means of training to promote qualities of responsibility, self-reliance, resourcefulness, endurance, and perseverance and a sense of service to the community. The specific function of the service training in the CCF is to provide:

- The opportunity for young people to exercise responsibility and leadership, and to learn from the services how they can best be developed
- Show them why the defence forces are needed and how they function
- Encourage those who have an interest in the services to become Officers of the Regular or reserve Forces

Training opportunities for cadets occur during weekly parades in school, whole day and weekend training periods (field days), at annual military camps, on courses run by the Armed Forces specifically for cadets and through adventurous training expeditions arranged on an ad hoc basis. Cadets follow the syllabus appropriate to the section they join but all include drill, skill at arms and use of map and compass. Adventurous training opportunities include mountain walking, canoeing and offshore sailing.

Prior Park College CCF comprises two service sections - Army and Navy. The Army section is affiliated to the Rifles Regiment. The Navy Section parent station is HMS Drake.

The Contingent currently parades and trains after school on Tuesdays, between 4.30pm and 6.00pm. Additional training is carried out during weekend camps, Easter holidays (adventurous training) and summer central camp (military and adventurous training).

Army section training is based around the syllabus for the Army Proficiency Certificate (APC) and Advanced APC. The APC syllabus comprises drill, skill at arms, shooting, map and compass, fieldcraft and first aid. The advanced APC consists of a number of "special to arm" subjects.

Royal Navy section cadets will progress through a two part syllabus, covering a range of technical and general subjects. The opportunity to sail is an important aspect of the Royal Navy experience which the section embraces. Additionally Royal Navy section cadets subject to restrictions have the opportunity to fly at RNAS Yeovilton.

Additional training courses are available and are advertised annually. Examples of recent courses allocated to Prior Park College School CCF cadets are:

- RYA Courses
- BCU Canoeing
- Climbing
- Flying Opportunities
- Cadet Leadership Course
- Overseas Expeditions, Canada, Kenya, Gibraltar and Germany
- Sub Aqua Diving
- Regular Navy/Army visits

The CCF at Prior Park College is staffed by officers and instructors, who are predominately school staff members. Regular assistance is also given by Senior Non Commissioned Officers of the Royal Navy and Army.

The Contingent receives some funding from the school and is reliant on an annual grant from the Ministry of Defence plus contributions from parents.

Uniform is supplied to cadets but remains the property of the MOD. In the event that any items of uniform or other kit issued are not returned, in good condition and laundered upon cessation of service, a charge for the full replacement value may be made. Boots are not supplied to cadets and can be purchased privately or through the College.

## THE DUKE OF EDINBURGH'S AWARD SCHEME

The Duke of Edinburgh's Award Scheme is a popular and flourishing option with up to 100 students taking part. Participation in the scheme is open to students in F4 (Bronze), L5 (Silver) and Sixth Form (Gold). Each level consists of four sections - skill, service, physical recreation and expeditions. The Gold section also has a requirement to complete a residential experience.

Expedition training takes place after school, activity time and on several weekends in the Lent and Summer terms. (This means that students who are in the CCF can take part in Duke of Edinburgh.) Expeditions have taken place at many locations across the UK including Dartmoor, Exmoor, the Brecon Beacons, the Lake District and Scotland. All levels of the award include a practice expedition and an assessed expedition, with the duration and distance being longer for the Gold award than the Bronze. All expeditions are led by suitably qualified staff from within the school. Please allow for some costs: Bronze - £200, Silver - £250, Gold - £300.

A large outlay on equipment is unnecessary as the College can provide tents, cooking equipment, rucksacks and maps. Students will normally provide their own boots and waterproofs and appropriate clothing.

The award is designed to develop the confidence and self-reliance of young people and it is also a lot of fun, as the continually increasing numbers of students taking part testifies.

## FINANCE INFORMATION

### CURRENT FEES AND ADDITIONAL EXPENSES

Current fees and other costs are published in the Admissions section of the College website, and issued in writing to parents annually.

### PAYMENT OF FEES

Fees are due for payment on or before the due date, which is the first day of each term. Under the parent contract we reserve the right to charge interest on all overdue fees on a daily basis at the rate of 2% per month.

Payments via monthly instalments are available via our partner School Fee Plan. Further details of this facility can be found on our website or via the Finance department.

*We will never make a change to bank details during a transaction. Any changes to bank details will always be notified to you by the Director of Operations and Finance in advance and in writing. Bank details are included on the fees invoice.*

### NOTICE PERIODS

Parents must inform the Head in writing of notice of withdrawals or notice of change of status from day to boarding or weekly boarding or vice versa. A full term's notice is required or one term's fees in lieu of notice (FILON) will be charged. Please note that a full term is either the start of the Michaelmas, Lent or Summer term and notice given at half term will be insufficient for students to leave at the end of that particular or the following term to avoid FILON.

### ADVANCE PAYMENT OF COLLEGE FEES

Parents can elect to pay school fees in advance. The Fees in Advance (FIA) scheme offers an opportunity to pay a discounted lump sum in return for a guaranteed credit to be applied to a student's fee account termly over a pre-defined period.

For some, this is an ideal way of contributing towards their children's education from an inheritance, or for example, for overseas parents to buy future school fees at a known rate of exchange.

Payment of the lump sum is required before the start of the first academic year for the period the FIA is agreed.

Further details, a full quotation and FIA scheme contractual terms and conditions can be provided on request to the Financial Controller, [wtrueman@priorparkschools.com](mailto:wtrueman@priorparkschools.com).

### PAYMENT OF FEES BY COMPANIES

Parents who wish to arrange for a company to pay the College fees should speak to the Financial Controller about the contractual arrangement for this, and consult their accountant about the Tax and NI position.

### STUDENT ABSENCE INSURANCE

An optional insurance scheme that will refund school fees if an accident or sickness interrupts your child's education. Fees will be covered for up to a maximum of five terms.

### STUDENT PERSONAL ACCIDENT INSURANCE

The College subscribes to a Student Accident Scheme which offers world-wide accident insurance for all students. The cost of this insurance is covered within the school fees.

### AXA PPP HEALTHCARE - MEDICAL INSURANCE

AXA offers an arrangement which gives students access to private medical treatment, with a choice of specialist and private hospital room, throughout the year. If you are interested in obtaining further information please see the College website or contact the Finance Department.

### PERSONAL POSSESSIONS INSURANCE

The College subscribes to a Personal Effects Scheme which provides cover of all personal effects (other than mobile phones) of students whilst in the College grounds or on College activities for a small termly charge. This is an optional insurance which you may subscribe to by notifying the Finance department at the beginning of the academic year.

### **SCHOOL FEE INSURANCE SCHEME**

An optional insurance scheme to cover parents for the future school fees in the event of death or critical illness.

### **POCKET MONEY ARRANGEMENTS**

At the start of each term pocket money, limited to £500 per pupil, can be banked with boarding House Parents who will issue funds according to parental instruction. Ideally each boarder will have a bank account from which they can withdraw funds themselves.

### **PORTABLE APPLIANCE TESTING**

All electrical items brought into College by students are professionally tested annually to ensure that they are safe. The cost of this is added to student accounts and is charged at a nominal fee per item. Only tested equipment may be used in school.

### **SIXTH FORM SUBSCRIPTION**

All Sixth Formers are charged an annual fee for membership of the Sixth Form Club. This subscription is used to subsidise tea/coffee/social events/lectures/leadership days/etc and is charged in the Lent term bills.

### **COMBINED CADET FORCE (CCF) SUBSCRIPTION**

An annual charge is made for membership of the CCF at College.

### **PRIOR PARK ALUMNI (PPA) SUBSCRIPTION**

This is a lifetime membership to the Prior Park Alumni community including: reunions, sporting events, networking opportunities, career talks, etc. The charge is payable over 9 terms (6 terms if just joining for the 6th form) and is operated on an opt-out basis.

## **COLLEGE TRANSPORT SERVICES**

### **CURRENT ROUTES AND TIMETABLES**

Current routes and timetables are available on the College website 'Transport Services' page.

### **USE OF THE SERVICE**

Parents who would like their children to use any of these services are requested to complete a Transport Application Form and return to the College Secretary, you can contact the College Secretary with any queries by emailing [wparadise@priorparkschools.com](mailto:wparadise@priorparkschools.com).

Priority is given to those who wish to use a bus service every day of the week, although more occasional users will be accommodated if possible. NB. A full term's notice is required if you wish to stop using a bus service.

The buses are often oversubscribed so early contact with the College Secretary is recommended to investigate the availability of places. The charges for all bus services are made at the end of each term. For any problems with the bus run, please contact the Transport Manager.

### **TIMEKEEPING**

The College tries to ensure that drivers keep as accurately as possible to the listed times but inevitably traffic conditions lead to some variation each day. Prudent passengers should normally be at the pick-up point five minutes before the scheduled collection.

### **SUBJECT TO CHANGE**

Stops that do not have a time are not used at present, however these can be reinstated if required. Bus services are subject to change, notice will be given for any proposed changes.

## **SCHOOL POLICIES**

Prior Park Schools and Prior Park College have a comprehensive range of policies to meet a range of commitments and contingencies. A selection of regulatory policies can be accessed via our website.
