Balls Creek Elementary School Title 1 Parent/Family Engagement Policy 2022-2023

The Balls Creek Elementary school staff, in collaboration with our Title 1 Parent Advisory Board, has jointly developed and agreed upon this Title 1 Parent Involvement Policy. The main focal point of this policy is to encourage, foster, and increase parent participation in the development and implementation of our school programs. Our staff and parents are instrumental in creating a positive and nurturing climate for all students. This will have a direct correlation to our Title 1 students meeting the schools, districts, and state's academic standards.

The Balls Creek Elementary school Title 1 Advisory Council is comprised of Title 1 staff, for example: teachers, parents, of the Title 1 students, and the administration. Our council annually updates the Parent Involvement Policy by utilizing the information given by our Title 1 parents. This working document is available for both parents and community members to review on our webpage. Hard copies are available upon request.

This Title 1 Parent Involvement Policy was crafted by adhering to all Title 1 requirements and is a working document. Title 1 funds are utilized, if needed, to provide our parents with services and with the opportunity to attend meetings and workshops. The Title 1 funds will help provide our parents with childcare, transportation, parent workshops, and materials.
