DEPAUL CATHOLIC HIGH SCHOOL

Spartan Sentinel

Welcome to the Spartan Sentinel, our bi-weekly electronic newsletter for all things DePaul Catholic.

Principal's Corner Mr. Russell Petrocelli

Dear Spartan Community:

Graduation for the Class of 2019 was last Tuesday night and it was a wonderful celebration bringing their time to DePaul Catholic High School to a close. Last Sunday we gathered as a community for the Baccalaureate Mass and dinner. Just like that...we said good bye to the Senior Class and pray for their success. By Wednesday morning, the Junior class was asking if they could eat lunch at the picnic tables outside (a Senior privilege) and could they wear their "Senior" fleeces. In less than 24 hours, another group of students has already turned our attention to June, 2020...how quickly time flies (especially as I get older!).

During the graduation ceremony, I have to admit my thoughts drifted to one member of the Senior class that was not in the gym. Much like the parable of the lost sheep that is in both the Gospel of Matthew and Luke, Jesus tells of the shepherd who leaves his flock of 99 in order to look for the one that is lost. One member of the class, Marian Siri, was recovering in Hackensack Hospital. After the ceremony was over, I called her father and the nurses at the hospital and went to her room to present her with her diploma. Surrounded by 15 members of her family and the nurses on the floor, we had our own graduation ceremony. In my 27 years in education, I can assure you that this is one of my most humbling moments. She is on the road to recovery and, like the entire Class of 2019, we continue to pray for them every day.

I would like to make you aware of important events that will be taking place over the next six weeks as the academic year comes to a close:

8th Grade Graduation – June 14 at 10:00 AM

Final Exams – June 13 to June 19

Please visit this newsletter on a regular basis to be brought up to speed on the happenings across the campus. If you are a graduate and are in the neighborhood, please stop in and say hello.

St. Vincent DePaul...Pray for Us!

Congratulations Class of 2019!

Jinguang (Jack) Chai '19, who joined us from China for his junior and senior years, shows off a stack of his AP Prep Books. "Jack, today proves something we have always known about you. You're pretty smart! Best of luck Jack, we will miss you!"

A Prayer For Our Graduates

Fr. Julio Barrios, Chaplain

Almighty and ever living God,

We thank you for the completion of another academic year, and for giving us the opportunity, short though it may have been, to play a part in the lives of our students and our new graduates. We are grateful for your guidance and love as we shared in this important work.

Please bless and guide our graduates as they reach this end, and as they chart new beginnings. May what they have learned by being here with us allow them to truly be "women and men for others." May what we have learned from them enable us to be the same.

Please help them to use all that they have learned here to make the world a better place - to serve others in true solidarity and kinship - to seek ways to help the poor, the marginalized, and those who are suffering - and to always seek the greater good. We know that some of them will experience pain and hardship, and we know that some of them already have, and we ask you to grant them solace and strength.

Bless their lives from this day on with goodness, compassion and love. Help them to stay true to their dreams and to the vocation you have in mind for each of them in this life. Guide and allow them to use their gifts wisely, and to walk into the future with faith, hope, and great love. Though they are leaving our high school today, we know that they will always be with us as part of the De Paul family, and we ask that the bonds that have been created here remain strong despite any distance.

We ask all of these through Christ our Lord.

Amen.

St. Vincent De Paul: Pray for us!

Moving Forward...

The Restaurant of Life

Speaking to the seniors during graduation practice, I mentioned they are about to enter the restaurant of life. This actually woke some of them up, while most of the others just stared at me with a quizzical look. A couple of them, however, did seem to know what I was talking about.

One of the best parts, and scariest parts, of being young is preparing to decide which restaurant you should spend your life in. That's what high school and college are all about. The preparation to choose the right restaurant with the hope of building a life which provides them with a great meal and great memory.

If you look closely at students at graduation you can see them thinking about their restaurant choice. For me, as one who has chosen the restaurant, had the meal, and is now moving towards dessert, it is still exciting to watch kids beginning to make their choice. It's also a time when parents can really help their kids to choose and to start building a rewarding and memorable life.

Prayer helps a lot also!

Best of Luck Class of 2019. Nice Job!

Forensic Nationals

submitted by Ms. Ferrito

Where much of the tri-state area was thinking about how they would spend Memorial Day weekend, Sophomore Lilly Tea and her forensic coach, Miss Ferrito knew they'd be headed to Milwaukee. Lilly placed well at the Paterson Diocesan Forensic Public Speaking Grand Tournament so she was eligible to represent DePaul at the National Forensic Tournament in Milwaukee. Needless to say it was an experience! Lilly scored well and is ready to take on her next challenge.

HOBY Leadership Seminar

submitted by Mrs. Covello & Mrs. McGrady

Each spring, 10,000 high school sophomores from across the country join one of HOBY's (Hugh O'Brian Youth Leadership) 70 State Leadership Seminars to hone their leadership talents and apply them to become effective, ethical leaders in their home, school, workplace, and community.

This year, Kate Heaney, Evan Thomas, and Matt Wilderson represented DePaul. They met up with Dan McGrady '14, who attended the Seminar as a sophomore and now goes each year as a facilitator.

Holocaust Survivor Visits Mrs. Dacles's Class

submitted by Mrs. Dacles

Mrs. Dacles's World Genocide class was honored recently to have Otto Salomon, a Holocaust Survivor, visit and give a presentation on his experiences as a child in Eastern Europe during World War II. One student's reflection sums up

the reaction of the students to Mr. Salamon's story: "The one thing that inspired me the most from your story was how determined you and your family were. I respect you so much, and you are a role model to me because of what I learned from your story. You may not know me, but I will always remember you. Thank you very much," Tedy Afful '20.
