Shaun Henry is a veteran social studies teacher who is serving as our new Social Studies Department chair. He was nominated by his colleagues: "Mr. Henry also works with our Edgenuity credit recovery students and helps keep them motivated and organized. Shaun went above and beyond the week before school willing to adjust his teaching schedule to help balance a course load for one of his colleagues. Shaun is always willing to help with anyone or anything. Shaun is the definition of what a Raider is supposed to represent!" Thank you for making South Awesome!

#### SM South Parent Pick-Up / Drop-Off Diagram

New parents! Please note the proper traffic pattern for arrival and departure as noted below. Parents should use the west drive to enter/exit the property. Right turn only when exiting onto 107th is crucial to keep the traffic flow moving. The east drive is strictly for busses and special education access only. Any parent vehicles entering the bus loop will disrupt the process as well. This is the most-efficient way to expedite the process safely for everyone.

# TECH TIPS

GETTING STARTED
WITH

# **CANVAS & SKYWARD**

During the 2020-2021 school year, SMSD added Canvas as the learning management system. In addition, students' grades and attendance are still tracked in Skwayrd. Both of these tools serve distinct purposes to inform parents about student grades, attendance, and learning.

**READ MORE** 

#### Skyward

This is the student information system that keeps track of the details of each students' learning. Skyward also serves as the official grade book.

#### Within Skyward the parent can do the following:

- · Check grades.
- Check attendance.
- Request updates for student information, emergency contacts, and other contact information.
- Change alerts to receive notifications about grades and attendance.
- The school administration may also post announcements or essential documents for parents and students in Skyward.

#### **Canvas**

Canvas is our learning management system, which ultimately is a digital version of students' classrooms.

#### Within Canvas the parent can do the following:

- View learning goals.
- View the standards of each course.
- View assignments.
- View announcements from individual teachers.
- Set up an observer account and see mostly all that students see.
- · Organize all assignments and events into one calendar.

### **Health Office Update – August 2022**

WELCOME BACK RAIDERS \*\* we hope you have had a happy, healthy summer

We need your updated IMMUNIZATIONS!!! Please send all updated immunizations you received over the summer to our office so we may update Skyward. As you turn 16, you will need your second Meningitis ACWY.
