Current news and information from Layton High School

Principal's Message

Dear Lancers,

I have the honor of working as the new principal of Layton High School. Previously I have been the principal of Sunset Junior High and Millcreek Junior High. Prior to being a school administrator I loved being a high school history teacher. I want to continue the great traditions of Layton High and am looking forward to working with you and your students to ensure high levels of learning for all of our students. If you ever have any questions or concerns please reach out to me.

Please be aware of a couple of reminders for next week and be sure to look at the calendar link listed below:

Security Updates – To help increase the safety and security of our students our doors have been installed with secure access points.

- **Patrons** - all patrons will enter through the main West door entrance and will need to provide ID to enter the building during business hours.
- **Students** - will be able to enter our main doors located at the East, North, and West entrances before school and during the five-minute class change transition periods only. Outside of that time, students will need to push the doorbell security button for access to enter the building.
- **ID Badges** - to help identify people within the building, all students and staff will wear ID badges.

Parking Passes - beginning Monday, August 29 parking passes must be used in our parking lots or vehicles may be ticketed.

Community Food Pantry – The Layton High School Community Food Pantry will be open to serve our community each Tuesday from 3-5 pm in portable one.

Thanks for a great first week of school!

Respectfully,

Brock Jackman
Principal
Layton High School
