

# ZoomCare offers sports physicals for \$49

## Get your kids on the field faster

Sports are year-round; baseball, football, hockey, and basketball can take up your kid's whole year. If you want your kids to hit the court, the field, or the ice in peak condition, you need to get their sports physicals out of the way so they can start training in earnest. ZoomCare offers:

- ✓ **Same-day appointments**
- ✓ **Physicals in 15 minutes or less**
- ✓ **On-time appointments with no waiting**
- ✓ **Just \$49 out-of-pocket**

With quick and easy scheduling, you can get your kids off the bench and putting up big numbers without disrupting your hectic schedule.

⚠️ **Please note:** Sports physicals are not charged through insurance. This is an out-of-pocket program only.
