## THE GOLDEN BEAR ANNUAL FUND

This fund benefits every student by providing learning tools, additional security, materials and equipment for athletics and fine arts, recruiting and retaining faculty and staff, visiting speakers and experiential learning opportunities like field trips, professional development for faculty, a nurse and counselor in every Division. This fund is already budgeted for and a part of HIES' operating budget.

**We ask Every Bear, Everywhere to support The Golden Bear Annual Fund and meet our goal of \$1,300,000!**

We encourage every HIES family to participate and, if you can only make one gift this school year, we hope you will donate to The Golden Bear Annual Fund as it covers operating costs that tuition income does not (tuition covers 87%). For more information, visit [www.hies.org/annualfund](http://www.hies.org/annualfund).

SCAN TO GIVE NOW

- ↳ Parent participation is tracked by grade and provides a barometer of community support to external funding sources, so we hope all parents will participate in a meaningful way.
- ↳ *This school year's Golden Bear Annual Fund runs from July 1, 2022 to June 30, 2023.*
- ↳ You can join in the effort by serving as a volunteer on the Annual Fund Parent Committee.
- ↳ A special giving society recognizes Leadership Circle level gifts. Members donating \$1,959 or more annually are invited to special events like the State of the School.

## TAX CREDIT PROGRAM

The Georgia Tax Credit Scholarship Program, administered by our partner, Apogee, allows you to redirect a portion of your Georgia State tax liability to the HIES financial aid program. Our community contributed \$1,147,992 this past year! Individuals, S-Corps, Corporations and Trusts can all participate. For more information, please visit [www.hies.org/giving/tax-credit](http://www.hies.org/giving/tax-credit).

## EXCELLENCE

A \$150 donation to Excellence is evenly distributed to support the three parent organizations: The Parents' Association, Fine Arts Alliance and Crimson & Gold Booster Club.

HIES enjoys the support of three wonderful parent organizations, the Parents' Association, the Fine Arts Alliance and the Crimson & Gold Booster Club. We hope you will get involved today! Parent support is critical to the school's success. The organizations host an array of events including fundraisers, celebrations, Parent education workshops and community service opportunities.

### PARENTS' ASSOCIATION (PA)

The PA supports campus-wide needs such as academic programming, program "extras" that enrich the lives of our students and parents and promotes meaningful communications between our parents and administrators.

### FINE ARTS ALLIANCE (FAA)

The FAA proudly promotes and enhances HIES fine arts programs at all grade levels in music, theater, visual arts and media literacy through volunteer hours and fundraising.

### CRIMSON & GOLD (HIES BOOSTER CLUB)

Crimson & Gold supports the efforts of our sports teams by assisting the Athletics Department in providing equipment, great facilities and other services necessary to promote the objectives of organized team sports.
