Dear Parent or Guardian:

This school year your child will receive Comprehensive Health Education as part of the Flagler Schools' overall health education curriculum. Depending on your child's grade level, topics may include:

Grade Levels	Topic
Grade 4	Puberty
Grade 5	Puberty and an Introduction to the Reproductive System
Grade 6	Adolescent Development
Grade 7-8	Human Reproduction
Grade 9-12	Sexual Development and Reproduction, Abstinence, STIs (including AIDS/HIV)

Flagler Schools acknowledges that parents/guardians are the primary sexuality educators for their child/ children and we are committed to partnering with you to provide supplementary resources to support you in this role. Parents/ guardians have the right to opt your child out of any portion of the school district's comprehensive health education required under 1003.42 (2) (n) that relates to sex education instruction in acquired immune deficiency syndrome education or any instruction regarding sexuality. Parents may also review any of the materials being used for these lessons. Parents can contact the District office at (386) 437-7526 to make an appointment to review the content.

Please complete the opt-out form if you wish to opt your child out of any portion of the comprehensive health.

Sincerely,

Jeff Reaves
Director of Teaching & Learning

"An Equal Opportunity Employer"

2022-2023 High School Comprehensive Health Education Opt-Out Form

My child, _____, cannot participate in the class lessons on the following topic(s):

_____.

Please note that if you opt-out your child from the reproductive health and disease instruction covered in Biology, he/she will still be responsible for this content on the State Biology End of Course Exam.
