

TIPS FOR STANDARDS IN THE GRADEBOOK:

(updated: 8/30/2022)

- **NEVER use this Fill button with Standards**  (this will fill EVERY standard for Language Arts with that score and is very time consuming to remove).
- You **cannot** put a mark for the first standard (IE – elak.a, ela1.rlri, etc.). These are the Parent standard to the lower standards. The lower standards DO receive a score.
