

Dear Aidan Families,

Welcome to the 2022-2023 After-School Program (ASP)! Below is an overview of ASP for the upcoming year. Please note that we have a few changes in place!

Programs:

ASP for Primary Students - 3:00 to 6:00 p.m.

ASP for Elementary Students - 4:00 to 6:00 p.m.

ASP serves as a low-stress social environment on the Aidan campus where students can explore the natural playground, play games, work on independent and group projects, and enjoy the company of the community.

This year the Primary and Elementary programs will be able to work and play together again! ASP will continue to use the Upper Elementary and Sassafras classrooms, the “Overhang”, and the playground as our communal spaces.

Discovery

Additional enrichment options are available during ASP time through Aidan’s Discovery Programs. To view the upcoming offerings, check out our Fall class lists here:

- [Primary Discovery Catalog, Fall 2022](#)

The Fall Discovery Registration opens on September 1 and stays open until September 15. Classes begin on September 19! Please see below for the registration links:

Other Key Information:

Pickup

If driving, please park in the lot behind the school or in a legal spot on the street. To pick your child up from ASP, parents/guardians can wait by the central playground gate or enter the playground and wait at the classroom door. We ask that parents continue to **not** enter the ASP classrooms.

Signing Out

In years past, parents would sign out their children on our sign-out sheet. We ask that this year, parents verbally sign out with an ASP staff member (typically Mr. Katinas). The staff member will then update the ASP sign-out sheet.

Late Fees

Pickup for ASP is anytime from 3:15 to 6:00 p.m. **Pick-ups after 6:00 p.m. incur an immediate \$35 charge per child, and an additional \$1 charge per minute per child.**

Snack

The families of the After-School community are asked to provide snacks for ASP on a weekly rotation. The snack guidelines and schedule will be provided through a separate document. Families will receive an email reminder from us the week before you are expected to provide food for ASP.

Masks

If you would like your child to wear a mask during ASP time, please let us know!

The ASP team is looking forward to starting the new school year, and we hope you are too! Please don't hesitate to contact us with any questions or concerns you may have this year. ***If you ever need to contact Aidan after the front office has closed, please call or text Phillip's cell phone (202-277-6727) or the ASP phone (202-816-0976).***

We'll see you all soon!

Mr. Katinas, Ms. Vanegas, and Ms. Natalia
