

## Teacher Feedback Form

*Throughout the school year, our teachers may be asked to complete a recommendation form for families considering private schools. As each institution's forms vary in the nature of information requested, we have moved to a common form that our Winnetka teachers will complete for submission to any authorized outside educational institution. Upon request for a feedback form, Winnetka staff will respond within ten business days. In the interest of maintaining appropriate confidentiality and consistency, our District staff will only complete this form, which may be attached to a student's application to any outside educational institution.*

*This teacher feedback is confidential and will be submitted directly to the requesting school. Please sign below to authorize the school to release this form to the institution specified below.*
