PHYS ED UNIFORM

Students in grade 2-8 are expected to change into the required P.E. uniform at the beginning of physical education classes. This consists of:

- Gym t-shirt (Grey with Eagles logo.)
- Gym shorts (Black with the JKCS logo.)
- Non-marking athletic shoes
- Please include a bag that your child can keep their P.E. uniform in at school.

Options:
- Students may wear their burgundy JKCS hoodie on top of their grey Eagles gym t-shirt
- Students may wear plain, loose fitting, black athletic pants/joggers (no yoga pants or leggings) instead of the black JKCS logo gym shorts. These may be purchased at the store of your choice.

PLEASE NOTE:

Unless otherwise noted, all uniform items must be purchased from InSchoolwear.

Hoodies may be worn any day!

Students who are not following our uniform guideline will receive a warning. We will attempt to find clothing in our Used Uniform Store that the student may borrow for that day. Any further uniform violations will result in follow up with the parents.

It is a good idea to label all uniform pieces with your child's name.
