## **ARTICLE I RECOGNITION**

The Board of School Trustees hereby recognizes the Tippecanoe Education Association as the exclusive and sole bargaining representative of all certificated employees as defined in Public Law 48-2011, as well as all Career and Technical Education Teaching Staff in the Tippecanoe School Corporation schools of Tippecanoe County, Indiana, except for the Central Office Administration Personnel, Administrative Assistants, Principals, Assistant Principals, High School Athletic Directors, Attendance Officers, Substitute Teachers, Non-Certificated Employees, and all Certificated Employees appointed by the School employer to an "Acting" capacity in any of the above positions.

The Board agrees not to negotiate with any teachers' organization other than the Tippecanoe Education Association for the duration of this Agreement.

The rights and privileges of the Association, acting as the representative of teachers, as set forth in this Contract, shall be granted only to the Association in accordance with Public Law 48-2011.

## **ARTICLE II GRIEVANCE PROCEDURE**

### **Section 1. Definitions and Time to File Grievance.**

- A. A grievance is hereby defined as: A claim against, or a dispute with, the Employer by a teacher or teachers or the Exclusive Representative involving the interpretation, application, or violation of the express terms of this Agreement.
- B. A formal grievance should be filed as soon as possible, but any grievance not presented in writing in Step One within thirty (30) calendar days of the time the grievant knew of the grievance shall be deemed waived and shall not be processed.
- C. The term "day" when used as a time limitation shall mean calendar days. The term "working day" when used as a time limitation shall mean days when school is in session during the regular school year. During the summer recess, the term shall mean weekdays (Monday through Friday), except holidays when the office of the Superintendent is closed.
- D. Grievances which affect the entire bargaining unit, or a substantial portion of it in various buildings, may be directly initiated at Step Two of this procedure.

### **Section 2. Purpose.**

The purpose of this grievance procedure is to settle any grievance equitably at the lowest possible administrative level. Both parties agree that these procedures shall be kept as confidential as may be appropriate at each level of procedure.

### **Section 3. Rights and Duties of Grievant.**

Nothing contained herein shall be construed to prevent any individual teacher from presenting a grievance and having the grievance adjusted, but only if the adjustment is consistent with the terms of this Contract and only if the Association has been notified of any adjustment by the grievant.

It is the responsibility of the grievant to notify the Association of the processing of a grievance beyond Step One of the grievance procedure. The Superintendent will notify the Association President of any grievance appealed to Step Two. Failure to do so shall not adversely affect the rights of any party in the grievance being processed wherein the failure to notify occurred.

### **Section 4. Procedure.**

#### Step One

A grievance shall be reduced to writing and submitted to the building principal as set forth on the approved grievance form. If the grievant and the principal meet to discuss the grievance, the grievant may be accompanied by a representative of the Association. Within ten (10) working days after receiving the written grievance, the building principal shall communicate his/her disposition in writing to the aggrieved.

#### Step Two

If the grievance is not satisfactorily resolved in Step One, or if the principal fails to answer the grievance as they're required, it may be appealed within seven (7) working days to the Superintendent by delivery of a copy of the written grievance to the Superintendent's office, which shall receipt therefore. Failure of the aggrieved to appeal said grievance within seven (7) working days shall result in waiver of the grievance. Within seven (7) days of receipt of the grievance, the Superintendent shall meet with the grievant. The Superintendent must communicate his answer within seven (7) days of the date of such meeting.

#### Step Three

If the grievance is not satisfactorily resolved in Step Two, or the Superintendent fails to answer the grievance as required, the Association may within ninety (90) working days of receipt of the Superintendent's decision, appeal to a court of competent jurisdiction. Failure of the Association to file such an appeal within ninety (90) working days shall result in waiver of the grievance and any appeal thereof.

### **Section 5. Other Provisions Relating to the Grievance Procedure.**

- A. The grievance shall (1) name the employee involved, (2) state the facts giving rise to the grievance, (3) identify the specific provisions of this Contract alleged to be violated, (4) state the contention of the grievant with respect to the grievance and, (5) indicate the specific relief requested as provided on the grievance form.

- B. All documents, records, and material relevant to a grievance which is on file shall be made available to the grievant.
- C. In the event a grievance is filed so that sufficient time as indicated under all steps of the procedure cannot be provided before the last day of the school term and should it be necessary to pursue the grievance to all steps of the appeals, then said grievance shall be resolved under the terms of this Contract and this Article, and not under the succeeding contract.

**ARTICLE III  
LEAVES**

**Section 1. Sick Leave.**

Sick leave for certified and licensed personnel is accumulated at the rate of nine (9) days annually, ten (10) days for the first year of employment, by the Tippecanoe School Corporation up to a maximum of two hundred days (200). In the event any teacher shall have accumulated one (1) or more days of sick leave in another school corporation in Indiana, then there shall be added for the second year and each succeeding year of such employment up to five (5) days of sick leave until the number of accumulated days to which said teacher was entitled in the last place of employment shall be exhausted. The same will apply to TSC teachers who resign, do not transfer out their unused sick leave, and are subsequently rehired by TSC.

**Section 2. Sick Leave Bank.**

The term "qualified individual" shall include all members of the bargaining unit.

The Association shall have the full right and responsibility to promulgate the rules and regulations governing use of Sick Leave Bank days and to administer the Sick Leave Bank except as restricted by this Master Contract or by applicable law.

Rules and regulations governing use of Sick Leave Bank days shall be in writing. The Association shall provide a copy of such rules and regulations to any qualified individual upon reasonable request, and shall provide a copy to the Superintendent of Schools. The Association shall advise the Superintendent in writing of any changes in such rules and regulations.

Each qualified individual shall contribute one (1) sick leave day to the Sick Leave Bank Account on or about the beginning of the teacher's employment and one (1) additional day in each subsequent school year.

Days which are thus placed in the Sick Leave Bank, if unused, shall accumulate from school year to school year without limit.

The Association shall certify in writing to the Corporation any person who is eligible to receive Sick Leave Bank benefits and shall notify the Corporation of the dates that such benefits are to begin and to cease. Benefits to any individual shall cease if the available days in the Sick Leave Bank become exhausted.

The Association shall provide monthly statements of account to the Corporation indicating the number of Bank days used during the preceding month, and by whom, as well as indicating the balance of days remaining in the Bank according to the Association records.

As to this section, the Association agrees to hold the Corporation harmless against any action at law, in equity, or before administrative or enforcement agencies of competent jurisdiction in which the Corporation, its officers, administrators, or Board is made a party should such actions involve questions concerning the propriety of rules or regulations issued here under by the Association, the administration of such Sick Leave Bank, and/or the making of payments by the Corporation at the direction of the Association which payments are found to be improper by state administrative agencies of competent jurisdiction or state officials similarly empowered, and specifically the following:

That in the event of such action aforementioned in this section, the Association agrees to provide a defense to the Corporation by providing counsel of the Association's choosing to defend the Corporation in such action, and the Association agrees to pay the entire legal costs of such representation and of any money judgment against the Corporation which might result from such action.

The Association will consider adding a "re-payment" provision to the Sick Leave Bank.

### **Section 3. Personal Business Leave.**

Teachers shall be granted three (3) days for personal business leave without loss of pay per school year. Personal leave days available to a teacher and not used may accumulate as personal business leave in the succeeding school year to a maximum of eight (8) days. Any unused personal business days, which cause the accumulation to exceed eight (8), shall accumulate as sick leave days.

A personal business leave day entered on the last day immediately prior to, or the first day immediately following Fall, Winter, or Spring breaks, for the purpose of extending the break by leaving early or returning late, will result in two days deducted from the teacher's personal leave balance. In the event a teacher has one or fewer personal leave days available, the teacher's personal leave day will be exhausted and the balance of the requested leave will be eligible for unpaid leave in accordance with school corporation procedures. When the leave day requested is the day before or the day after Fall, Winter, or Spring breaks, it may be used for matters, which cannot reasonably be schedule outside of school hours. A written statement shall be given to the building principal and submitted to the Superintendent of Schools, setting forth the reason for such absence. This statement should be in advance of leave.

### **Section 4. Bereavement Leave.**

Up to five (5) days of absence within ten (10) consecutive calendar days, without loss of pay, commencing with the day of death, shall be granted a teacher for a death in the immediate family. Immediate family is defined as a teacher's spouse, parents, children, grandchildren, brother, sister, grandparents, corresponding step relatives or corresponding in-laws. The term "immediate family" shall also include family members not included above but residing in the teacher's home and individuals, whether or not related by blood, who reared the teacher as a foster parent, guardian, or surrogate parent for a substantial number of the teacher's childhood years. The Superintendent, or designee, may address extenuating circumstances not specifically covered in the language to allow a leave to extend beyond the ten (10) consecutive calendar day limit.

In any one school year a teacher shall be granted one (1) day of absence for the purpose of attending the funeral of any other relative or a close friend. Funeral leave other than listed must be approved by the Superintendent. The Superintendent, or designee, may address extenuating circumstances not specifically covered in the language to allow a leave to extend beyond the one (1) day limit.

A teacher may also use personal leave for these reasons, but any other leave beyond the provisions of this section and the section on personal leave must be approved by the Superintendent and would be without pay.

**Section 5. Jury Duty Leave.**

When requested, a teacher may serve on jury duty. The Board shall pay the teacher the difference between jury pay and the normal daily salary.

**Section 6. Court Leave.**

Court leave with pay shall be granted to teachers for the time necessary to make appearance(s) in any court proceeding resulting from activities relating to the teacher's employment with the School Corporation, except when the teacher is a plaintiff, or in court proceedings to enforce IC 20-29, or other litigation by and between the School Corporation and the Tippecanoe Education Association unless the teacher is called by the School Corporation as its witness.

**Section 7. Family Illness Leave.**

Each teacher may use a total of one (1) day per year with pay in the event that illness in his/her immediate family requires his/her absence from work. Additionally, each teacher may use twelve (12) days per year with pay in the event of illness in the immediate family with such days being deducted from the teacher's accumulated sick leave. For this purpose the immediate family shall be deemed to mean the teacher's spouse, children, or other relative residing in the teacher's home on a full-time basis, or mother and father regardless of their domicile.

A teacher who has exhausted all accumulated personal business leave may, upon a written showing of emergency of the nature that there was no other individual who was reasonably available, use family illness leave under the broader definition of immediate family contained in Article III, Section 4, of this Agreement.

**Section 8. Association Leave.**

The Association shall have eight (8) paid leave days plus two (2) days for which the TEA will reimburse TSC for substitute teacher costs, to be taken as determined by the Association President or his/her designee, for the purpose of dealing with matters of the local Association. Notice of this leave shall be given to the appropriate building principal and the Superintendent at least twenty-four hours in advance of the leave. The association shall also have two additional days for the sole purpose of joint lobbying efforts of the board and association. The request for these days shall be made by the association president to the Superintendent.

**Section 9. Injury Leave.**

If a teacher, injured in the course of employment, is eligible to receive benefits under the Indiana Worker's Compensation Act, the Board shall pay such teacher the difference between his/her salary and the worker's compensation benefits received and shall charge up to three (3) days against the teacher's sick leave days (not including the date of injury).

**Section 10. Adoptive Leave**

Each teacher may use one (1) family illness leave day and up to eight (8) consecutive days of accumulated sick leave for the adoption of a child commencing with the day of birth or the day the child(ren) enters the household.

**Section 2. Compensation Table.**

Attached as Appendix B and incorporated herein as part of this Agreement is the Compensation Table.

**Section 3. Veteran Teacher Salary Range.**

2021-22: \$43,950-\$80,408

2022-23: \$45,606-\$82,064

**Section 4. Hiring Placement Guidelines.**

- A. Faculty will be offered a competitive salary commensurate with the needs of the district and the qualifications of the candidates.
- B. A new teacher entering the corporation with no previous experience will be placed at step A. A new teacher entering the corporation with previous years of experience, according to INPRS, will be placed by the superintendent at a step related to a current corporation teacher in which they “mirror” under the following two guiding principles:
  - 1. that particular teacher’s years of service; and
  - 2. when possible, that particular teacher’s degree.
- C. The superintendent has the authority to hire staff at a reduced rate if both parties are in agreement.
- D. The superintendent has the authority to hire staff at a rate above the step, not to exceed the current salary range of a veteran teacher, if it is necessary based on the need of the district.

**Section 5. Group Insurance Coverage.**

- A. All full-time teachers are eligible for a \$50,000 term life insurance plan with AD&D, and the Board will pay all but one dollar (\$1.00) of the annual premium cost.

B. All full-time teachers are eligible for a Board contribution toward the individual employee's group health insurance coverage carried through the Tippecanoe School Corporation. Dependent coverages may be added to the group health insurance plan and the Board will contribute to these as follows:

|                                       |            |
|---------------------------------------|------------|

| Emp. + Family                         | \$1,391.12 |

For all insurance coverages, the Board will not contribute more than the amount allowed by IC 20-26-17. The parties agree that the Board's contribution shall be adjusted to comply with IC 20-26-17.

Based on current plan designs the monthly Board contributions are as follows:

|                 |            |
|-----------------|------------|
| <u>PPO</u>      |            |

| Emp. + Family   | \$1,357.79 in premium and \$33.33 in the teacher's HSA |

In addition to Article IV, Section 5 Part B above, the board shall contribute into a teacher's TSC Health Savings Account (HSA) if the teacher meets the IRS requirements for contributions and is enrolled in a TSC High Deductible Health Plan (HDHP) on or before January 1. The contribution shall consist of the following amounts and shall take place on or before January 20:

- D. Vision and Dental Insurance - All full-time teachers may participate in the optional group dental/vision insurance plan carried through the Tippecanoe School Corporation. The Board will contribute all but \$1 toward the cost of the plan.
- E. General Provisions Concerning Group Insurance Coverage:
  - 1. For all group insurance programs, employees become insured on the first day of the month following the first full pay period of the school year. Thus, if an employee starts to work at the beginning of the school year, the insurance premium will be deducted from the September pays and the insurance coverage will start October 1.
  - 2. Part-time teachers may obtain coverage under the group life, health, dental/vision, and long-term disability plans. For part-time teachers electing to participate in such plans, the Board will pay a share of the percentage of the premium payment which the Board pays for full-time teachers. This share will meet the affordability guideline under the Patient Protection and Affordable Care Act (PPACA).
  - 3. All teachers who are participants in the group life and health insurance plans and who receive a Board approved leave of absence, may continue their coverage under the plans during the term of the leave by paying the full premium amounts.
  - 4. All dependents added to the employee's group health insurance coverage will have the same benefits as the individual employee.
  - 5. The School Corporation health insurance coverage will be a comprehensive major medical plan. The TEA agrees that the Board may change the health insurance plan design and specifications after considering options presented by the Insurance Committee. The Board will provide the teachers with a health insurance plan design equal to the plan design selected by the Board for all other employee groups.

**Section 6. Teachers' Retirement Fund (TRF).**

The corporation agrees to pay the teachers' portion (3%) of the Teachers' Retirement Fund contribution.

**Section 7. Retirement Pay.**

- A. The Tippecanoe School Corporation shall contribute 1.50% of the teacher's base contract pay into a plan qualified under Internal Revenue Code Section 401(a).
- B. Any teacher who qualified for the retirement benefits set forth in Article IX, Section 8 of the 2010-2011 collective bargaining agreement shall continue to be eligible to receive the benefits described therein.

## **Section 8. Section 125 Plan.**

- A. The School Corporation shall maintain a plan to provide benefits under Section 125 of the Internal Revenue Code for any eligible employee and any eligible retiree so requesting. The School Corporation shall be held harmless by the carrier for the plan, from any liability to teachers who enroll in the plan arising out of the carrier's performance of its obligations and responsibilities under the plan.
- B. Employees scheduled to work at least seventeen and one half (17 ½) hours per week shall be eligible to participate in the Section 125 Plan as of the first day of the month following their completion of one (1) month of service. Retirees shall be eligible to participate in the Section 125 Plan as of the October 1 next following the date of retirement if at retirement the retiree (1) has reached the age of fifty-five (55), (2) has at least ten (10) years of Tippecanoe School Corporation service, and (3) qualifies for benefits under the Indiana State Teachers Retirement Fund. Eligible retirees shall continue to be eligible to participate in the Section 125 Plan until the date the retiree becomes eligible for full Medicare benefits.
- C. Any eligible employee or eligible retiree may make allowable benefit elections for a plan year only on an election form provided by the School Corporation and only during the open enrollment period for that plan year. Any valid election form submitted by an eligible employee or an eligible retiree shall remain in effect until the earlier of: (1) the date the eligible employee or eligible retiree terminates participation in the Section 125 Plan, or (2) the effective date of a subsequently filed valid election form.
- D. For each eligible retiree during the term of the 2001-04 contract and before, the School Corporation shall contribute to such retiree's Section 125 Plan account an amount equal to the lesser of (1) the annual premium for a single health insurance policy, less one dollar, or (2) the \$3,550 amount as provided in year three of the 2001-04 Master Contract. The yearly enhancement of \$300 above the pre – 7/1/01 amount (\$3,250) will be placed in Fund 63 to comply with 2001 legislation and a audit exception. For retirees under the 2004-07 agreement, the Board will continue to contribute \$3,550 annually until August, 2007, when this provision will expire and the Board contribution amount reverts to the pre – 7/1/01 amount of \$3,250.

The retiree may elect annually during the open enrollment period (1) to apply the Section 125 contributions toward the cost of group health insurance, (2) to use the Section 125 contributions for dependent care reimbursement and/or medical care reimbursement to the extent permitted under the Section 125 Plan with any remaining amount being paid as a taxable cash lump sum, or (3) to receive the Section 125 contributions annually as a taxable cash lump sum. If the cost of any group health insurance elected exceeds the amount of the Section 125 Plan contribution, the retiree must pay the difference, on an after-tax basis, in order to maintain coverage. Such contributions by the School Corporation shall continue to be paid to the retiree's Section 125 Plan account until the date the retiree becomes eligible for full Medicare benefits.

- E. Once an eligible retiree elects to receive an annual lump sum payment, the retiree will continue to receive the annual lump sum until the retiree is no longer eligible to participate in the Section 125 Plan (i.e. until the earlier of becoming eligible for full Medicare benefits or death), and the retiree shall cease to be eligible to receive group health insurance, dependent care reimbursement benefits, or medical care reimbursement benefits. During the annual enrollment period for the year the retiree elects to receive the annual lump sum, and each subsequent annual enrollment period, the retiree shall notify the School Corporation of any change of address.

**Section 9. Mileage Rate.**

Teachers required in the course of their work to drive personal automobiles from one school building to another during a school day or to conduct school business shall receive a car allowance equal to the current IRS mileage rate.

**Section 10. Military Service Credit.**

In order to translate the military experience into teaching experience, eight (8) months of either military service or military service combined with school teaching experience shall be deemed equivalent to one (1) year of teaching experience, provided that such service shall take place within the regular school year, from August 1st to July 31st. Provided, further, that military experience substituted for teaching experience shall not exceed four (4) years. The above shall apply to all veterans who took the oath of allegiance, wore the uniform, served in either combat or noncombat units, and were honorably discharged.

**Section 11. Criminal Background Checks.**

The school corporation shall pay the costs associated with conducting the required expanded criminal history checks of current employees per I.C. 20-26-5-10.

**Section 12. Perfect Attendance.**

As a pilot program for school years 2021-22 and 2022-23 only, a teacher who accumulates zero (0) sick, family illness, bereavement, injury, personal, or other leave absences in each quarter of the school year, will receive a \$150 one-time stipend for perfect attendance for that quarter no later than thirty (30) business days after the end of that quarter.

## **Advancement on the Compensation Table**

**Eligibility:** In order to move within the compensation table a teacher must have received a rating of highly effective or effective from the prior school year and have completed a year of service as defined by INPRS. A teacher who receives a summative evaluation rating of improvement necessary or ineffective does not qualify for a salary increase, except for the first two full school years that a teacher provides instruction to students, the teacher is not prohibited from receiving a raise for the following year if the teacher receives a rating of improvement necessary or ineffective.

**Factors:** 1. Evaluation: Eligibility for progression vertically through the compensation table is attributable to the teacher receiving an evaluation of highly effective or effective for the prior school year. 2. Education: In addition to satisfying the evaluation requirement, movement across columns from BS to MS requires verification of successful completion of content area degree program that must be submitted to the TSC Personnel Office by September 1 in order for the degree to be reflected in the contract year compensation calculation.

Those teachers who are not placed on the compensation table due to being above the cap (last row in the compensation table), will not receive base salary increases. Any increase in pay will be in the form of a stipend.

**Redistribution:** Based on anticipated evaluation results, the parties believe that all funds will be distributed and that no redistribution will be necessary. However, in the event that there are funds that were otherwise allocated for teachers rated improvement necessary or ineffective, those funds will be equally redistributed to all teachers rated highly effective or effective. The redistribution will be paid as a stipend.

Compensation earned by a teacher on a partial contract will be awarded on a pro-rata basis.
