This permit must be “in hand” when a group is using a Coast USD facility.

California Education Code permits the governing board of a school district to grant use of school district buildings and grounds for literary, scientific, recreational, educational or public meetings, or the discussion of matters of general public interest. This use of school district facilities must be in accordance with the provisions of E.C. §38130-38139. The use and occupancy of school district property shall be primarily for public school purposes. Any permitted use or occupancy of the property for other than public school purposes shall be secondary and subordinate to this primary purpose.

1. Application for Use of District Facilities

- a) A completed Application for Permit for Use of School Property must be submitted to Coast Unified School District's Business Office at least 10 working days prior to the date facility is being requested.
- b) The applicant must provide a current certificate of insurance that names CUSD as an additional insured prior to receiving an approved permit. The applicant must carry a comprehensive general liability insurance policy in the amount of not less than one million dollars (\$1,000,000) for each person and one million dollars (\$1,000,000) for each incident, and property damage in the amount of not less than two hundred fifty thousand dollars (\$250,000) in a form acceptable to CUSD. The organization's liability policy must also carry a specific endorsement stating that "such insurance as is afforded by this policy for CUSD, its officers, agents and employees shall be excess and non-contributory." It is further agreed that the organization shall name CUSD, its officers, agents and employees as additional insured under its comprehensive general liability policy and provide a thirty (30) day cancellation or reduction of coverage clause.
- c) Cancellations must be received by CUSD's Business Office at least 48 hours prior to the scheduled use or facility use fees may be applied. In addition, if the applicant cancels the Application after a quote has been completed by the District, a \$25 fee will be charged to the applicant.
- d) Any special arrangements or furniture set-up must be clearly stated on the application. A charge may be made for custodial requirements or any personnel overtime to accommodate these special arrangements.
- e) Use of CUSD facilities will not be permitted if activity will interfere in any way with school activities.
- f) Applications will be denied if previous use by requesting organization or similar use has resulted in violation of these rules, inconvenience for school use, unpaid CUSD invoices, or unpaid charges for damages.
- g) The facility is reserved only for the organization or group making the application and may not be subleased or reassigned to any other user.
