Vela Middle School

I. STATEMENT OF PURPOSE

Vela Middle School is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and homework together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. Vela Middle School intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in Vela Middle School will be distributed to parents with the expectation that *all* students will work toward these goals. The Family Engagement Policy will also be distributed to parents. Parents will be given the opportunity to offer their suggestions for any revisions to the policy. Parents may also volunteer to serve on either the district-wide or individual school's advisory committee or both.

These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on Vela Middle School Advisory Committee must be involved in designing the compacts. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on the campus website.

V. TYPES OF FAMILY ENGAGEMENT

Vela Middle School will provide opportunities for parent engagement to become involved in their children's education. Vela Middle School values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks. Activities are dependent on the CDC and BISD guidelines regarding face-to-face instruction and social distancing at the time of implementation during the 2022-2023 school year.
