Pastor and Principal Expectations

The Pastor and Principal of Divine Child High School hereby reserve the right to make any and all decisions in response to a student's behavior at the school and outside the school day. This includes, but is not limited to, discipline, dress code, attendance, academics, and enrollment.

While the school does not hold itself responsible for offenses committed outside of its jurisdiction, conduct that jeopardizes the mission, core beliefs, and good name of the school may be cause for disciplinary action, including expulsion. This includes any activity that results in police intervention. For example, being charged with any crime may be grounds for expulsion from the school. Students should be particularly aware of consequences when they represent Divine Child High School and/or when they are guests at other schools or institutions. The Pastor and Principal reserve the right at his/her discretion in the best interest of the school to waive and/or deviate from any and all disciplinary rules, practices, or procedures.

Communication

Divine Child High School uses PowerSchool and Schoology as the primary sources of communication for academic information to students and parents. We ask that all parents and students activate both PowerSchool/Schoology accounts and check PowerSchool accounts regularly to keep informed of academic standing and progress in courses. Check Schoology pages for detailed course-specific information.

PowerSchool

PowerSchool is the Student Information System (SIS) where student data and grades are housed. It serves as the definitive gradebook.

Schoology

Schoology, the Learning Management System (LMS) houses all course-specific information, including lessons, homework, and learning plans.

Week-in-Preview

Important communication also goes out weekly by email in the Week-in-Preview publication.

Remind

Timely announcements and reminders are sent through the Remind text service, including emergency announcements. Parents must ensure they are signed up for Remind text services, which requires enrollment directly from your personal cell phone number. Please be sure to

update any changes in email addresses and cell phone numbers.

School Closing

Official announcements concerning emergency closing because of inclement weather are made on radio stations WJR-AM and WWJ-AM or local TV stations prior to 6:30 a.m.. They must indicate closing specifically for Divine Child High School. Cancellations are also communicated through PowerSchool/Schoology. Your PowerSchool/Schoology ID must be set up accordingly. Students are asked to refrain from calling the convent or rectory and are expected to listen to the radio or TV for announcements. In case of a crisis, a parent phone-chain will be activated.

Alma Mater

We bring to thee, we sing to thee, Divine Child High,
A pledge of truth and loyalty, a promise to stand by.
The song that lies within our hearts,
the things that we hold dear –
promise to remember these, with every passing year.
Hail to thee, our Alma Mater, hail to thee.
With the red and gray to guide to us on to victory.
Years from now when we recall the memories gone by.
We'll sing anew our song to you, Divine Child High.
Though we shall one day bid farewell to those we knew,
the friendships that have blossomed here,
the years will not undo.
We learned of truth and loyalty
these lessons we hold dear.
And may the faith we've come to share grow stronger
every year.
Who can tell what lies before us on our way?
God alone can see the future. Only He can say.
We will weather every storm. Our faith will never die.
We'll be true and loyal to Divine Child High

Attire and Appearance

Overview

The Divine Child High School student's attire and appearance must reflect the expectations of a professional environment. Students are required to arrive at school dressed and groomed appropriately and to remain in this manner until the end of the school day. Any student appearing out of uniform will be sent to the Attendance Office and will receive detention. They will return to class with an out of uniform pass, affirming the detention. Repeated or egregious violations will result in parent contact. Students may be sent home to modify attire and appearance or held until a parent is able to bring the proper attire. The arbiters of attire and appearance are the Assistant Principals.

General Uniform Guidelines

All students are expected to abide by the following guidelines. Our guidelines are rooted in Gospel values with an emphasis on professionalism and modesty.

Uniforms

- Uniforms should be clean, neat, and worn in an acceptable manner.
- Undershirts must be white or black in color without logos or other printing. They must not extend beyond the dress shirt or polo (including at the arms).
- Only school-issued uniform outerwear may be worn during the school day, with the required uniform collared shirt showing underneath.
- School approved uniform outerwear includes DC seal quarter zip/full zip (for purchase through DCHS) or DC logo cardigan/v-neck sweaters (for purchase through Educational Outfitters). Varsity letter sweaters are also permitted.
- Dress shoes with socks are required.
- Shoes must be solid color (Brown, Black, Gray, Navy Blue, White, or Khaki), professional in nature and not resemble a sneaker or tennis shoe. The following are prohibited: open-toed shoes, shoes with no backs or half backs, clogs, boots of any kind, sandals, moccasins, or slipper-style shoes.

Appearance

- Hair and facial hair should be of a natural color, neatly groomed, and appropriate for a professional environment.
- Pierced tongues or other facial piercings are not allowed.
- Tattoos must be covered.
- Hats, bandanas, or headwear are not permitted to be worn anywhere in the building.

Falcon Friday Attire

On an officially designated "Falcon Friday," students may wear any Divine Child branded t-shirt, sweatshirt, or outerwear, with school-uniform bottoms and school shoes.

Guidelines for Out-of-Uniform Attire

Attire on out-of-uniform days must support the general standards of attire required in a professional environment. Clothing that is disruptive or creates a safety hazard is unacceptable. Students must refrain from wearing controversial clothing on out-of-uniform days or field trips. Students wearing inappropriate apparel will be sent home or not be allowed to attend the field trip or classes. The following are some examples of such dress and will not be permitted:

- Crop tops, cut out, frayed, or any clothing revealing midriffs, half or full backs, or cleavage;
- Clothing with ads for alcohol, tobacco, drugs, or with profanity, sexual pictures, or inference to these items;

- Clothing with political messaging;
- Clothing designed to be transparent, mesh, or sheer when worn alone (including jeans with cutouts);
- Yoga pants or leggings;
- Shorts (unless explicitly designated); or
- Visible undergarments.

Technical fulfillment of the dress code with a sloppy appearance is not acceptable.

Attendance

Overview

School attendance is essential to allow for successful personal and academic growth. Parents are advised that students will not be excused from class except for the most urgent reasons. Final exams are scheduled at the end of each semester, and no student will be excused from these exams. Parents/guardians are expected to plan vacations around established school breaks.

Reporting General School Absence

When a student is absent from school, a parent/guardian must:

- Call or email the Attendance Office (attendance@divinechildhighschool.org or ext. 225) between 7:30 a.m. and 9:00 a.m.

Reporting an Extended School Absence

Planned absences must be communicated to teachers and the Attendance Office in advance. When a known extended absence (3+ days) for a student is planned, the following must occur:

- Parent/guardian must email the Attendance Office attendance@divinechildhighschool.org. Such notification, however, does not excuse these missed days. **Every day a student is out of school is considered an absence and can accrue toward the consequences identified below.**
- Students must contact their teachers and counselor to inform of the absence and begin to make plans to support it.

Student Responsibility for Missed Work

Students are responsible for obtaining and completing make-up work, including scheduling make-up assignments and assessments, when any school is missed.

These arrangements are to be made per the discretion of the teacher and in accordance with the teacher's syllabus.

Absence Consequences

Absence policy and related consequences will be administered on a semester basis, as noted below. These absence consequences are evaluated on a per course basis. This means that a student who misses an exceptional amount of first hour courses, for example, would be subject to the consequences identified below.

Absences (Per Course)	Consequence
1-4 Absences	No action taken.
5 Absences	Warning email to student, parent/guardian.
8 Absences	Required student/parent meeting (in-person or phone) with AP.
10 Absences	Letter to student, parent/guardian informing attendance threshold has been met.
15 Absences	Loss of eligibility to participate in school activities (including dances, clubs, school events) and school athletics. Meeting with School Administration for potential loss of credit; establishment of contract to clarify.

This policy will be enforced as stated above, unless the school administration receives supporting evidence (doctor's notes/other documentation) to warrant an exception. Extenuating circumstances may include, but are not necessarily limited to, hospitalization, extended illness, or a death in the immediate family.

Tardiness

Each student is expected to be in school on time each day. Being on time means being in the assigned room, when the 7:40 a.m. bell rings and with the necessary materials for class, including a charged iPad. A student who reports to the first hour after the 7:40 a.m. bell must report to the Attendance Office.

Course Hour Tardiness

Total Tardies	Consequence
5 Tardies	Detention and one detention for each tardy thereafter; email alert to student and parent/guardians
10 Tardies	Meeting with School Administration to identify consequences. These may include loss of eligibility to participate in school activities and athletics or loss of credit in a particular course. Meeting may establish a contract to clarify additional consequences.

In rare circumstances, tardies will be noted as “excused” if a situation exists that impedes the collective arrival of students, like inclement weather. In these situations, the tardy will not be logged in a manner that accrues toward and triggers consequences. Any personal situation (traffic, rides, failure to wake up) is not considered excused.

Early Dismissals

A written request or phone call to the attendance office from a parent/guardian for an early dismissal from school must be presented to the Attendance Coordinator by 10:00a.m. **As we are Catholic community, our expectation is that students will be present for the entire day when we are on a liturgy schedule. Repeated absences during Mass time alone will be addressed on an individual basis.**

In the case of a funeral and in order to allow a student the opportunity to extend support to a grieving family (aside from one's own), a note from home indicating parental permission and the time the student will leave and return to school must be submitted to the Attendance Office on the day of the funeral. Generally, the student is expected to return to classes immediately following the funeral service.

Attendance Eligibility

To participate in any after-school activity [athletic contest/practice, club event], a student must be present half of the school day (*at least 4 class hours*). If a student is absent, he/she may not participate in any after-school school activities. This applies to after school and evening activities, as well as activities during regular school hours. If a student has excessive tardies and/or absences as outlined in the Attendance and Tardy Policies above, he/she will be subject to the rules written therein. (Emergency situations will be evaluated by the Administration.)

An alternate English course, senior year, must be elected to complete the 4 required English credits for students taking the Standard English sequence of courses.

** The Rhetoric & Comp requirement is embedded into the curriculum of the AP English. If a student does not complete the full year of AP English Literature, English 12RC must be completed.

*** Participation in Marching Band for two years will fulfill the Physical Education requirement.

Freshmen, sophomores, and juniors are required to carry a minimum load of 7 classes per semester. Seniors are required to carry at least 6 classes per semester. All students are required to take at least four academic classes per semester (English, Math, Science, Social Studies, and World Languages).

Any student who fails 3 semester courses during a school year may jeopardize their continued enrollment at Divine Child High School. Divine Child High School reserves the right to require a parent to withdraw a student. When it is determined that Divine Child is not the right learning environment or when mutual cooperation cannot be sustained, the Principal may take requisite action.

Grade Point Average

- The cumulative Grade Point Average (GPA) and Class Rank are computed in January and June and are determined by the semester grades only. The GPA is not rounded up.
- Total Credits represents all the courses (including Pass/Fail) a student has passed.
- Certain classes have been designated as honors classes. Honors points will be awarded in these courses.
- Students must take the Advanced Placement Exam to receive the A.P. designation on the transcript and have the additional honor point calculated into the grade point average.
- Graduation Honors are determined by the 7th semester cumulative GPA as determined by the computer grading program. This includes Valedictorian and Salutatorian honors.
- Honor Roll includes students with a 3.5 and above cumulative grade point average. The top 10% of the graduating class will be verbally recognized at the commencement ceremony.

Class Rank

- Class Rank indicates a student's academic placement in his/her graduating class based on weighted cumulative grade point average.
- Class rank will not be given until the end of 1st semester of junior year.

An "I" may be granted to indicate a final grade's status as Incomplete, in rare situations. These must be approved in advance by Administration and be resolved in a reasonable period of time.

Academic Honor Code

The Academic Honor Code is an important part of the Divine Child Community. It is expected that each student completes and takes credit for their own work.

Violations of the Academic Honor Code

- Copying from another student's quiz/test/exam.
- Talking during a quiz/test/exam, regardless of intent (unless the teacher specifies an oral component that is part of quiz/test/exam).
- Giving another student answers during a quiz/test/exam or quiz/exam questions in

- advance (without teacher's permission).
- Copying another student's work or providing one's work to another student to copy.
 - Presenting a group's work as one's own work. (In some cases, a teacher may assign a group project. In other cases, students may work in groups to study for a quiz/test/exam. Unless otherwise specified by the teacher, all student assignments and assessments are meant to be completed individually by the student.)
 - Using notes or other materials during a quiz/test/exam without permission of the teacher.
 - Physical or digital theft of a quiz, test, or exam or accepting and/or using a stolen quiz, test or exam.
 - Sabotaging someone else's work.
 - Sharing or sending photos of questions, answers, assignments, or assessments.
 - Having others take any exam/assessment instead of taking the exam oneself.
 - Plagiarism of any kind. Students should note the following when preparing assignments:
 - Whenever a student uses the exact words of anyone else, the student must put them in quotation marks and indicate the source of the quotation.
 - Changing a few words from an outside source does not excuse a student from a charge of plagiarism.
 - Buying or using a term paper or research paper from an internet source or other company or taking any work of another, even with permission, and presenting the work as one's own is considered plagiarism.
 - A student who uses ANY outside source for an assignment must credit that source in the assignment or paper.
 - A student who borrows the ideas of anyone else to a significant extent must credit that source in the assignment or paper.
 - A student must provide sources when a teacher requests them. An attempt to conceal sources when they are requested is cheating.
 - These principles apply equally to oral, artistic, printed, electronic, and unpublished sources.
 - These principles apply to rough drafts, extra-credit assignments, and other written or electronic assignments.
 - Any student who is unsure whether they are complying with this policy should consult their teacher before submitting their assignment.

Consequences for Violations of the Academic Honor Code

Each honor code violation will be reviewed on a case by case basis by the teacher and, if necessary, the Administration. Honor code violations here at DCHS are considered extremely serious, and will result in the following course of action.

- The teacher, administrator or prefect who discovers the violation takes the assignment/quiz/test/exam from the student(s) and informs administration.
- A notification of the incident will be sent to both the student's parents and their counselor.
- Consequences may include, but are not limited to: zero grade on the assignment/quiz/test/exam/project; immediate and irrevocable course failure; detention or suspension.
- Note that any incident involving a violation of the academic honor code may jeopardize academic honors, valedictorian eligibility, and membership in honor societies.

National Honor Society

- I. Membership in the National Honor Society is an honor bestowed upon a student for outstanding scholarship, character, leadership, and service. Once selected, members have the responsibility to continue to demonstrate these qualities (*National Constitution, Article VIII, Section 1*).
- II. Final selection for membership is by a majority vote of the Faculty Council composed of five faculty members nominated by the Advisors and appointed by the Principal (*Article IX, section 1*).
- III. To be eligible for membership at DCHS, the candidate must be a member of the junior or senior class. Candidates must have been in attendance at DCHS the equivalent of one semester (*Article IX, Section 1*).
- IV. The selection process:
 - A. The NHS Advisor(s) reviews grade records to compile a list of all juniors and seniors who have at least a 3.7 cumulative GPA.
 - B. A letter is sent to all academically eligible juniors and seniors, inviting them to an informational meeting to discuss the selection process, the requirements for membership, the activities of the organization, and the responsibilities of the members.
 - C. At the informational meeting, students receive the necessary selection process paperwork to help the Advisors and the Faculty Council to obtain information about their service and leadership. This paperwork includes the following:
 - Student Activity Information Form
 - Essay Commitment Form
 - Outside Evaluation Form (a recommendation from someone who is not a DC staff person nor a relative)
 - Five Teacher Evaluation Forms
 - D. Each faculty member is given a list of those students who are academically eligible and who have indicated an interest in becoming a member of the NHS. They are asked to rank the candidates on a scale of 1 to 5 (5 being the highest) in the area of leadership, service, and character.
 - E. The Faculty Council convenes and evaluates the eligible students' character, leadership, and service on the basis of their Student Activity Information Forms, their commitment essays, the outside evaluation, the five faculty evaluations, and the faculty surveys. Each eligible student will receive a *yes*, *no*, or *abstain* vote from each Faculty Council Member. In order to be selected, a student must receive a *yes* vote from the majority of the Faculty Council.
 - F. Candidates will be notified by mail about the Faculty Council decision. In accordance with NASSP rules and recommendations, all working papers of the selection process will be destroyed after a decision is reached. Only the names of those selected will be presented to the Advisor(s) and Principal. This ends the NHS selection process.
 - G. New members attend the next scheduled meeting and are apprised of their membership responsibilities. Later, they are formally inducted during a special ceremony.

V. Criteria used for selection

- A. *Scholarship*: Student has a cumulative grade point average of 3.7 at the time of invitation. This 3.7 GPA must be maintained for active membership.
- B. *Character*: The student upholds high standards of honesty, reliability, respect, and responsibility and the principles of morality and integrity both inside and outside school.
- C. *Leadership*: A positive influence on friends and classmates, the student is a person who initiates and assumes responsibility for tasks and their completion.
- D. *Service*: The needs of others are put above self-interest. Effort and talent are given for the school, parish, and community without expecting recognition or reward.

Student Code of Conduct

Overview

The basic intentions of guidelines, rules and regulations are:

- To provide and maintain favorable conditions conducive to maximum learning
- To help students develop values that will instill self-discipline and self-direction
- To provide a safe and orderly environment

Each student, as well as their family, as part of the Divine Child High School community, automatically assumes the responsibility to abide by all the rules and regulations of the school. Because we strive at Divine Child High School to create a caring community, students are expected to show respect for and consideration of the rights, privileges, feelings and needs of themselves and others. Students are also expected to show respect for personal and school property as well as the policies of Divine Child High School and are encouraged to discuss with the Administration any violations of our code of student behavior. The Administration of Divine Child reserves the right to discipline its students for off-campus behavior that is not in line with behavior expectations of its students during the course of the school day.

Students are expected to exhibit proper behavior at all school-sponsored events. This includes no fighting, no booing/heckling, no harassment or discriminatory treatment, no throwing or dropping of refuse and no loitering in the immediate area before and after the event. School policy prohibiting the use or possession of drugs, alcohol and tobacco products applies to all school-sponsored events and athletic events in which the school is involved, regardless of the site.

Technology Expectations

Students are expected to uphold standards of digital communication that reflect their membership in the Divine Child faith community. Digital communications should demonstrate a student's commitment to treat others with dignity, respect, and compassion. The Administration of Divine Child reserves the right to discipline its students for failure to support these digital citizen expectations, including but not limited to, communications sent by phone, iPad or computer or through internet or social media platforms.

It is the expectation that parents monitor engagement in electronic communication that happens outside of the school day. In some cases, electronic communication that happens outside of school plays a role in fracturing the school community and, ultimately, interferes with

the learning process. When this occurs, violations of the standards below, or others yet named, are subject to review and possible disciplinary action.

Integrity through digital citizenship means that a student must not:

- Post information that could cause disruption to the educational process;
- Represent themselves or Divine Child High School (or its affiliate staff members) in a dishonest manner, including falsifying information as if it originated from another student, staff, community member, or the high school itself;
- Post information about or communicate with others in a manner that is intended to be (or perceived as) threatening, harassing, abusive, or includes known unwelcome communication;
- Post, communicate, support or share communications that are inherently offensive, racially insensitive, or prejudicial; or
- Post or share private information about faculty, staff, or another student.

Integrity through digital citizenship also demands discretion with the use of pictures and videos. To that end, a student must not:

- take photographs, audio, or video recordings of other students and school employee without their explicit permission, whether on campus or at an event; or
- take video or audio recording on campus that has not been directly approved by school personnel and in support of the educational process.

Violations of DCHS digital citizenship standards that also violate the standards of law will be handed over to the School Resource Officer.

Cell Phones and Other Electronic Communication Devices

The use of cell phones is prohibited everywhere on our campus during class time. Once the bell rings to begin class, students are to have phones silenced and put away for the entirety of the class period. This rule also applies to the hallways, bathrooms, and shared community spaces that may be used during class periods. The only times that a cell phone may be seen, heard, or used by a student is during passing and lunch time.

If a parent/guardian needs urgent access to a student, they should call the Main Office (ext. 234) or Attendance Office (ext. 225) to arrange contact. Similarly, if a student needs to contact a parent on an urgent matter, they should report to the Main Office or Attendance Office for support.

Students caught violating the cell phone policy will receive the following consequences:

- **First offense:** The phone will be confiscated and a detention will be given. The student may pick up their phone from an administrator at the end of the day.
- **Second offense:** The phone will be confiscated and a detention will be given. A parent/guardian must pick up the phone **OR** the student must pay a \$25 penalty fee before getting their phone back.
- **Third offense:** The phone will be confiscated and a detention will be given. A parent/guardian must pick up the phone **OR** the student must pay a \$50 penalty fee before getting their phone back. Additionally, The student will be put on a "phone behavioral contract" and thirty days of school social event probation (dances, athletic events, etc). As per the contract, students may be required to check-in/out their phone

- each day through the end of the semester.
- Repeated violations of the phone contract may result in more severe disciplinary action.

It is the policy of the school that an out-of-school suspension is a carefully chosen method to remove the student from a situation in which he/she is hurting his/her own educational opportunities or those of others. The length and type of suspension may be determined not only by a correlation with the severity of a school infraction, but also by the amount of time it can be expected to take to assess the cause of the student's difficulty and to plan remedial action. Suspension is a separation of a student from the academic and social life of the school for a temporary period of time, from 1 to 10 days.

The following conditions prevail for a suspended student:

1. The student is to remain away from the school building and the grounds during the time of the suspension.
2. The student is excluded from all school functions for the duration of the suspension, including those that may fall on the weekend, if the suspension spans the weekend.
3. Students suspended from school must acquire information from PowerSchool/Schoology and contact teachers to keep up with work. Upon returning to school following a suspension, all work missed is due and any quizzes or tests missed, must be made up within a period of time agreed upon with teachers and administration.

4. Suspension will require parental notification.

The following acts are some examples of inappropriate conduct that are subject to a suspension. Depending on the offense, students may be required to perform Service Hours under the supervision of the Administration.

- a. Insubordination - open defiance of school personnel and/or any person be that verbally, physically, or digitally

- m. Fighting/Physical violence on school property, before or after school, or at school sponsored functions
- n. Physical and/or verbal harassment/intimidation
- o. Obscene language or gestures, including those that are racially offensive or intentionally discriminatory (written, vocal or visual)

Student Life

Counseling Department

Each student has a counselor who is available to offer educational and personal counseling. Counseling offices are located in the middle hallway across from Rooms 127 and 128. The counselors offer guidance in the areas of academic guidance, college/career planning, and social/emotional needs. They meet with the students to explain scheduling, testing, career programs, and to assist in personal concerns. The priests of the parish are also available to offer spiritual assistance.

Participation in School Activities

Participation in extracurricular opportunities is the best way for students to fully engage in the high school experience. All students are encouraged to participate in one school activity.

Attendance Eligibility

To participate in any after-school activity [athletic contest/practice, club event], a student must be present half of the school day (*at least 4 class hours*). If a student is absent, he/she may not participate in any after-school school activities. This applies to after school and evening activities, as well as activities during regular school hours. If a student has excessive tardies and/or absences as outlined in the Attendance and Tardy Policies above, he/she will be subject to the rules written therein. (Emergency situations will be determined by the Administration.)

Academic Eligibility

Any student earning below 2.0 GPA at a quarter end is ineligible to participate in all extracurricular/athletic activities for the following quarter, with an opportunity to regain eligibility after two weeks into the new quarter upon achievement of improved grades (above a 2.0, with no F's). All students with this academic status are required to attend the Academic Mentoring Program (AMP) that meets once a week after school. If a student fails to meet with their mentor then they will be ineligible, regardless of their current academic progress, until the next grade check cycle. Students who miss multiple mentor meetings may be deemed ineligible for the remainder of the quarter at the discretion of the administration. There may be a fee associated with participation in the Academic Mentoring Program.

Any student with repeated mandatory placement in the Academic Mentoring Program (below 2.0) for more than 3 quarters is subject to dismissal from Divine Child High School. This is cumulative for a student's entire 4 years. If a student is placed in the Academic Mentoring Program for the 1st quarter, having earned below a 2.0 on the previous academic year's 4th quarter, summer programming may be offered and could impact a student's eligibility. There is no yearly guarantee that this opportunity will be offered.

Campus Ministry

Divine Child High School forms students who are committed to putting their faith into action. To this end, students are expected to participate in one retreat per year and regular Christian Service. If students are not up-to-date with their service and retreat obligations, they risk losing privileges, such as attending school sponsored dances, including Homecoming, Sadie's, and Prom. Seniors must complete these activities to receive their diplomas.

Retreats

A retreat presents students with an opportunity to step back from the normal routine of daily life and spend time reflecting on their relationship with God and relationships with each other. Students are expected to participate in one retreat every year. The retreats vary in length and content and are sponsored by Campus Ministry. Information will be provided to students each year about the expectations for their retreat.

Christian Service

Through our Christian Service program, students create opportunities to put their faith in action, serving God and others, by developing lifelong habits of service. In our efforts to instill this practice, DCHS students are expected to complete ten Christian Service hours per year for a total of 40 hours minimum over the course of their four years. To ensure that they keep up-to-date with this graduation requirement, we encourage students to complete hours over the summer or, at the least, to complete five hours per semester. Students should refer to the **Christian Service Overview** on the Dashboard of their online service portal, x2VOL.com, for specific information about categories of service, deadlines, verification directions, and a list of approved organizations and activities.

All ten Christian Service hours may be completed during the preceding summer vacation or during the first semester each year. **Hours must be served each year, and excess hours one year do not carry over to the following year.**

** Hours adjusted for pandemic safety protocols*

While Divine Child High School provides students with many service opportunities, students are ultimately responsible for arranging their own service as well as keeping personal records and tracking their own progress toward the DCHS goal on [x2VOL](http://x2VOL.com). All service hours must be logged into [x2VOL](http://x2VOL.com) in the same school year in which they are earned or they will not be applied to the goal.

Campus Spaces, Events, and Safety

Spaces

Bernardine Franciscan Learning Center (BFLC/Library)

More than a traditional high school library, the BFLC embodies Franciscan hospitality, providing an accommodating space for students, staff, alumni, parents, parishioners, and guests. The BFLC is open from 7:00 a.m. to 5:00 p.m. Monday-Friday. During exam week, the BFLC has extended hours that will be posted. All members of the DC community (parents, teachers, students, alumni, members of the parish) may borrow material from the BFLC. Any lost or damaged materials must be replaced at the expense of the borrower. InterBFLC loan items may cost several hundred dollars to replace. The students working in the BFLC are expected to abide by DC rules of conduct, computer use guidelines, and the honor code.

Cafeteria

The school provides the services of the Cafeteria for the convenience of the students. Vending machines are available outside of the Cafeteria, but are only to be used before/after school and during the lunch hours. Students are expected to report directly to the cafeteria at the beginning of the lunch period, be polite and courteous to the Cafeteria personnel, place trash in the receptacles provided and return trays to the designated area. At no time should students cut into the serving line, throw food, paper, etc. Students are dismissed table-by-table and only after a cafeteria moderator examines the area for litter. During the lunch hours, students who wish a pass for the BFLC, computer room, or labs, must obtain them from a lunchroom monitor.

Parking Lot, Motor Vehicles, and Parking

Parking a private vehicle on school property is a matter of privilege and not a right. Divine Child High School assumes no responsibility for damages to cars or for theft of cars or articles from cars.

- All students who drive regularly to school are expected to register their car and purchase a parking permit to park in the South Lot (\$20).
- Registration forms may be obtained in the Office. Juniors and seniors are encouraged to register and park in the school student parking lot, as they will be guaranteed their own spot. Levagood has limited parking for sophomore students as they receive their license and begin driving to school. Sophomore access to the student parking lot is available if there are additional spaces left over after the juniors and seniors finish registering.
- Parking permits are also required, at no cost, for those parking at Levagood Park. Parking at Levagood is permitted by the city after our student lot has reached capacity.
- Students using the parking areas must display their parking permits prominently.
- Students must observe speed limits and park in assigned areas. Students who drive recklessly or speed on campus can have their parking privileges revoked. Additionally, they may receive disciplinary action at the discretion of the school administration.
- Students not parking in the student parking areas are subject to tickets given out by the Dearborn Police Department.

Students who drive motor vehicles on or around school property are required to obey the laws of

Michigan. The use of a motor vehicle is considered a privilege and any student whose conduct in the operation and occupancy of a vehicle endangers the security of people or property on or around the school grounds will lose their driving/parking privileges on school property with notification given to parents/police.

Lockers

Lockers are the property of Divine Child High School but are made available to students for their convenience and for the protection of their property. When necessary, a school administrator has the right to inspect a locker. The integrity of stored items can only be possible if lockers are properly closed and locked and lock combinations are kept confidential. Divine Child High School is not responsible for lost or stolen articles. Students may not change lockers or locker partners without the permission of the Administration. Any locker problems should be reported to the office. All repairs should be reported to the office immediately. Students are required to pay for any damage to the locker throughout the course of the school year.

Locker Rooms

The locker rooms are not open for general use during the school day. They are open for physical education students only. All lockers must be locked with a lock purchased from Divine Child High School. In-season athletes are permitted access to their lockers before and after school only. The locker room is not a store room and should not be used as such. Athletes who wish to store their belongings somewhere other than their assigned school or locker room lockers should seek accommodations from their coach. When necessary, a school administrator has the right to inspect a locker.

After School

After 2:50 p.m., any student staying after school or in the building for any activity must be under the direct supervision of a teacher, moderator or coach. Students without this supervision must report to the BFLC. At all times students are expected to be respectful of adult staff members. Students without legitimate purpose and/or without proper authority will be considered loitering.

Events

Assemblies

Student assemblies are held to provide students with information or entertainment. It is expected that each student acts in a respectful and courteous manner. Students are not allowed to bring food, drinks or books to an assembly.

3. Admittance to the dance is contingent upon appropriate attire. No short skirts or shorts,

An administrative representative supervises all school dances. All Divine Child High School students are welcome at dances. The Homecoming dance and Prom, however, are not open to freshmen. **Prom is a Junior and Senior dance. A sophomore may attend Prom if he/she is invited AND is 16 at or before the day of Prom.** High school students from other schools may attend if he/she is sponsored by a Divine Child High School student. Before the dance, the Divine Child High School student is required to obtain a guest pass. At the dance, the guest is required to show an appropriate ID and submit the guest pass. A detailed Dance Policy is posted prior to any dance and is available upon request.

Safety

Drills

Fire drills are required by law and are an important safety precaution. It is essential that when the alarm is sounded, everyone moves quickly and quietly to leave the building, following the signs posted in each room as to the proper exit. In the event of an impending tornado, students will be notified over the PA system of specific instructions and should follow the signs posted in each room to the designated shelter area. All drills are serious exercises and students are expected to regard them as such and to act accordingly.

Security

A safe school requires continuous collaboration and support from students, parents, faculty and community. The Divine Child High School Administration has made Crisis & Safety Response Guides available for office/staff members. Listed in the guides are procedures and policies covering the following:

1. limiting school access
2. requiring visitors to check in at the Main Office
3. emergency alarm/warning systems and codes

will be locked.

Guests and Visitors

All guests and visitors must be registered at the main office. Students who wish to bring a relative or guest must obtain permission from the Principal and receive a Visitor's Pass from the Main Office at least two days prior to the visit. Unauthorized persons will be asked to leave the school grounds. Guests should be appropriately dressed.

Additional Policies and Procedures

It will be carried at all times by the student and must be presented upon request to **ANY** member of the faculty/staff of Divine Child High School. If an ID card is lost, a request can be made in the attendance office for a duplicate. There is a \$10.00 replacement charge.

Novena to the Divine Child, Jesus

Divine Child Jesus, we believe in You,
we adore You, and we love You;
have mercy on us.

We remember Your words to the disciples:

Ask and you shall receive.

Seek and you shall find.

Knock and the door shall be opened.

Trusting in Your infinite goodness and trusting that

You always keep Your promise,

We ask this intention, which we pray

in the silence of our hearts.

Divine Child Jesus, bless and protect us.

Divine Child Jesus, bless and lead us.

Divine Child Jesus, bless and provide for us.

All this, we ask through the intercession

of Your Holy Mother, Mary, and in

Your powerful and Most Holy Name.

Amen.
