

# Gainesville City School System Schoolwide Plan-updated 6-17-22

**YEAR: 2022 - 2023**

**NAME OF SCHOOL: NEW HOLLAND LEADERSHIP ACADEMY**

**Comprehensive Needs Assessment:** A needs assessment takes into account information on the academic achievement of children in relation to the challenging State academic standards, particularly the needs of those students who are failing or are at-risk of failing.

**Describe the process/es and data sources used in conducting the school's comprehensive needs assessment:**

A thorough review of data was conducted on a monthly basis throughout the 2021-2022 school year in order to create a comprehensive needs assessment. This needs assessment took into account information on the academic achievement of students in relation to the challenging State academic standards, particularly the needs of those students who are failing or are at-risk of failing. Data sources that were analyzed included universal screeners, state assessments (ACCESS, GKIDS and GA Milestones), Panorama SEL survey, behavioral information from Educators' Handbook, grades, attendance logs, surveys, and other feedback from faculty, students, parents, and community stakeholders. The needs of the following groups were considered: students from economically disadvantaged backgrounds, English Learners, migratory students and families, students with disabilities, immigrants, and students from a variety of demographic subgroups. The professional learning needs of staff members (including mentors for new staff members) in order to help support the needs of these students and families were also considered. This comprehensive needs assessment process culminated in a two-day district retreat in May of 2022, during which district and school staff worked with a variety of stakeholders in order to develop an initial draft of the schoolwide improvement plan, including reform strategies for addressing identified needs.

**List identified needs:**

- **A focus on literacy**
- **Additional academic support for English Learners, Students with Disabilities, and Migrant Students**
- **Professional development for teachers on implementation of quality instructional strategies, particularly those effective with English Learners**
- **Additional academic support for McKinney-Vento students**

**Schoolwide Plan Development:** The schoolwide plan has been developed during a 1-year period. It was developed with the involvement of parents, teachers, school and district administrators, paraprofessional, the academic coach, counselor, post-secondary providers, and community partners such as Boys and Girls Club. Due to the Pandemic coming to an end, we've had more opportunities to work with our community partners. We look forward to more opportunities to collaborate with our community partners in the future. The plan will remain in effect for the 2022-2023 school year and will be monitored quarterly during principal meetings, Consolidated Funds Quarterly Reviews, and School Governance Council meetings. The plan will be revised as necessary in order to ensure that all students are provided the opportunity to meet the challenging State

academic standards. The simplified format of the schoolwide reform strategies, as detailed in the following section, is designed to be available and clearly understandable to a variety of stakeholders.

**Goal #1**

By June 2023, increase achievement on state assessments in the area of ELA by 3 percentage points.

**Goal #2**

By June 2023, increase the percentage of students on track to graduate by 2% points at the high school level and decrease the percentage of students in Tiers 2 and 3 by 2 percentage points.

**ESSA Requirements:** The school will use and implement effective parent and family engagement strategies under Section 1116, Section 1112 (b)(7), and Section 1112E(3)(C) by:

- Involving parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under Title I, Part A, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan.
- Updating the school parent and family engagement policy periodically to meet the changing needs of parents and the school, distribute it to the parents of participating children, and make the parent and family engagement policy available to the local community.
- Providing full opportunities, to the extent practicable, for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under Section 1111 of the ESSA in an understandable and uniform format, including alternative formats upon request and, to the extent practicable, in a language parents understand.
- Being governed by the following statutory definition of parent and family engagement and by carrying out programs, activities, and procedures in accordance with this definition:

Parent and Family Engagement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring:

- (A) Parents play an integral role in assisting their child’s learning
- (B) Parents are encouraged to be actively involved in their child’s education at school
- (C) Parents are full partners in their child’s education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child
- (D) Other activities are carried out, such as those described in Section 1116 of the ESSA

The schoolwide plan is aligned to the District CLIP, school-based Intent and Purpose, and Fund 150 budget and is monitored quarterly. During this quarterly monitoring, revisions to the plan, intent and purpose, and Fund 150 budget are to be made based on data-driven needs.
