Leading Edge at Sayreville School District

Curriculum Overview

Leading Edge has partnered with the **Sayreville School District** to bring our innovative and affordable programs to your child's school for the 2022-2023 academic year.

- **Challenge Lab:** Fun and intellectually stimulating games that will activate students' brainpower and competitive instincts.

- **Art Enrichment Lab:** Hands-on activities that utilize a variety of mediums to challenge students to create in new ways.

- **Physical Lab:** A wide variety of physical challenges and games that will get students moving and playing.

- **STEM Lab:** Engaging and fun activities that foster student interest in Science, Technology, Engineering, and Math.

- **Reading Lab:** Group reading of age-appropriate books led by teachers.

- **Homework Lab:** Time devoted to supporting students in completing that day's assignments.
