G is for Goat

Patricia Polacco

Puffin Books-2006-03-02

32 pages

Letter by letter, meet cart-pulling goats; clothes-munching goats; head-butting, hill-climbing, tail-wagging goats! Cats, chicks, dogs, and bunnies play along with these friendly goats, joining in the fun. From A is for Apple to Z is for Zoe, these rascally animals just won't stop until they've romped through the whole alphabet. Patricia Polacco, beloved author and proud owner and friend of many goats, has created another wonderful book to be treasured by all.

The Last Kids on Earth by Max Brallier

Max Brallier

Books-2015-01-01

225 pages

It's been forty-two days since the monster apocalypse hit town and pretty much everyone ran away or got zombified. Average thirteen year old Jack Sullivan is holed up in his tree house, which he's armed to the teeth with catapults and a moat, not to mention video games and an endless supply of Oreos and Mountain Dew scavenged from abandoned stores. But Jack alone is no match for the hordes of Dozers and Winged Wretches and

Zombies, and especially not for the eerily intelligent gargantuan menace known only as Blarg. Jack needs to build a team of whatever kids he can find, and whichever monsters will show him loyalty. With their help, Jack is going to slay Blarg, prove himself the ultimate post-apocalyptic action hero, and be average no longer! Can he do it?

The Ring Bearer

Floyd Cooper

Philomel Books-2018-05-01

32 pages

Mama's getting married, and Jackson has an important job to do! A story about love, weddings, and the special joy that is a blended family. Jackson's mama is getting married, and he gets to be the ring bearer. But Jackson is worried . . . What if he trips? Or walks too slowly? Or drops the rings? And what about his new stepsister, Sophie? She's supposed to be the flower girl, but Jackson's not sure she's taking her job as seriously as she should. In a celebration of blended families, this heartwarming story, stunningly illustrated by the award-winning Floyd Cooper, is a perfect gift for any child who's nervous to walk down the aisle at a wedding, and shows kids that they can handle life's big changes. Praise for The Ring Bearer: "Throughout, Cooper's softly textured mixed-media illustrations offer a warm, affirming depiction of this black family's life and love together . . . Readers will be joining the congregation in cheering for Jackson."--Kirkus Reviews "Written with simplicity, immediacy, and warmth....Cooper creates beautiful effects with subtle colors, textures, and suffused light in the soft-focus paintings. A heartening, reassuring picture book."--Booklist "Children will identify readily with Jackson's fears and enjoy the way he overcomes them. A solid purchase for any picture book collection."--School Library Journal "Many children experience parental weddings, and these times are filled with joy and nervousness. Cooper captures each moment."--Horn Book

Don't Let The Pigeon Drive The Bus!

Mo Willems

Scholastic-2004-09-01

40 pages

The bus driver has to leave for a while, and he makes one request of readers: "Don't let the pigeon drive the bus." It's the height of common sense, but the driver clearly knows this determined pigeon and readers do not — yet. "Hey, can I drive the bus?" asks the bird, at first all sweet reason, and then, having clearly been told no by readers, he begins his ever-escalating, increasingly silly bargaining. "I tell you what: I'll just steer," and "I never get to do anything," then "No fair! I bet your mom would let me." In a wonderfully expressive spread, the pigeon finally loses it, and, feathers flying and eyeballs popping, screams "LET ME DRIVE THE BUS!!!" in huge, scratchy, black-and-yellow capital letters. The driver returns, and the pigeon leaves in a funk — until he spies a huge tractor trailer, and dares to dream again.

The School Story

Andrew Clements

Listening Library-2002-11-21

224 pages

Read by Spencer Kayden Approx. 3 hrs. 30 mins. 2 cassettes From the best-selling author of Frindle, The Landry News, and The Janitor's Boy. Twelve-year-old Natalie has written a fabulous book and is determined to get it published. Luckily, she has connections to the publishing world--her mother is an assistant editor at a major publisher. However, Natalie doesn't want any favors and doesn't want her mom to know that she wrote a novel. So she and her best friend Zoë devise a plan. Natalie uses a pseudonym, Zoë pretends to be an agent, and with a little help from an English teacher, the girls succeed. Not only does Natalie's mom publish the novel, but it exceeds everyone's expectations and becomes a bestseller! Spencer Kayden is one of the stars of the hit Broadway musical Urinetown. She is also the voice of Mrs. Pepper on the popular children's series Blues Clues.

Bad Kitty

Nick Bruel

Roaring Brook Press-2005-10-01

40 pages

From the creator of The New York Times bestseller Boing! comes the riotous story of a cat gone berserk -- four times over an in alphabetical order each time. Kitty is not happy when she's told that her favorite foods are all gone and all that's left are Asparagus, Beets, Cauliflower, Dill...and 22 other equally unappealing vegetables. So she: Ate my homework, Bit grandma, Clawed the curtains, Damaged the dishes, and so on, through Z. Only when tastier things arrive (An Assortment of Anchovies, Buffalo Burritos, Chicken Cheesecake...) does she Apologize to Grandma. Now, Roaring Brook is proud to introduce a new edition so deliciously funny, someone's already taken a bite out of it. With two die-cut nibbles on its side, special endpapers, and a brand new piece of artwork within, this eye-catching novelty edition of a proven best-seller is sure to be . . . devoured!

The Memory String

Eve Bunting

Clarion Books-2000-08-21

32 pages

Each button on Laura's memory string represents a piece of her family history. The buttons Laura cherishes the most belonged to her mother—a button from her prom dress, a white one off her wedding dress, and a single small button from the nightgown she was wearing on the day she died. When the string breaks, Laura's new stepmother, Jane, is there to comfort Laura and search for a missing button, just as Laura's mother would have done. But it's not the same—Jane isn't Mom. In Eve Bunting's moving story, beautifully illustrated by Ted Rand, Laura discovers that a memory string is not just for remembering the past: it's also for recording new memories.

Lawn Boy

Gary Paulson

Scholastic, Inc.-2009-09-01

96 pages

One day I was twelve years old and broke. I set out to mow some lawns with Grandpa's old riding mower. One client was Arnold the stockbroker, who offered to teach me about: the beauty of capitalism. Supply and demand. Diversifying labor. Distributing the wealth. "It's groovy, man," Arnold said. The grass grew, and so did business. Arnold invested my money in many things. One of them was a prizefighter. All of a sudden I was the sponsor of my very own fighter, Joey Pow. That's when my twelfth summer got really interesting. Gary Paulsen's comic story about a summer job becomes a slapstick lesson in business as one boy turns a mountain of grass into a mountain of cash.

Andrew Clements

Scholastic, Inc.-2002-01-01

190 pages

Mark didn't ask to move to New Hampshire. Or to go to a hick school like Hardy Elementary. And he certainly didn't request Mr. Maxwell as his teacher. Mr. Maxwell doesn't like rich kids, or slackers, or know-it-alls. And he's decided that Mark is all of those things. Now the whole school is headed out for a week of camping -- Hardy's famous Week in the Woods. At first it sounds dumb, but then Mark begins to open up to life in the country, and he decides it might be okay to learn something new. It might even be fun. But things go all wrong for Mark. The Week in the Woods is not what anyone planned. Especially not Mr. Maxwell. With his uncanny knack to reach right to the heart of kids, Andrew Clements asks -- and answers -- questions about first impressions, fairness, loyalty, and courage -- and exactly what it takes to spend a Week in the Woods.

PP Snowy Day -DWF Acct ONLY

DWF United Way Reading Tips

Ezra Jack Keats

Viking Books for Young Readers-2007-04-28

40 pages

The Snowy Day is the simple tale of a boy waking up to discover that snow has fallen during the night. Keats's illustrations, using cut-outs, watercolors, and collage, are strikingly beautiful in their understated color and composition. The tranquil story mirrors the calm presence of the paintings, and both exude the silence of a freshly snow-covered landscape. The little boy celebrates the snow-draped city with a day of humble adventures--experimenting with footprints, knocking snow from a tree, creating snow angels, and trying to save a snowball for the next day. Awakening to a winter wonderland is an ageless, ever-magical experience, and one made nearly visceral by Keats's gentle tribute. The book is notable not only for its lovely artwork and tone, but also for its importance as a trailblazer. According to Horn Book magazine, The Snowy Day was

"the very first full-color picture book to feature a small black hero"--yet another reason to add this classic to your shelves. It's as unique and special as a snowflake.

Reading 2011 Leveled Reader 2.1.2 Advanced Look at Our Galaxy

Scott Foresman

Pearson Scott Foresman-2009-07-01

The fun and excitement of English and Language Arts learning continues in Grade 2 of Reading Street. This comprehensive and dynamic curriculum for homeschooling is geared toward young children who have some foundational English and Language Arts knowledge and are ready to strengthen their skills. Comprised of engaging activities, challenging content and weekly quizzes, Reading Street: Grade 2 is the next step in your child's path toward becoming a lifelong learner and reader. As with all Reading Street products, the Grade 2 system is formatted to help students meet certain age-appropriate goals. After completing this English and Language Arts homeschool program, your child should be able to: Read and comprehend two-syllable words. Identify common prefixes (such as pre-, un-, or re-) and suffixes (such as -able, -ad and -er). Correct mistakes made when reading out loud. Read books with two or more chapters. Understand the structure of stores (i.e. beginning, middle and end). Start selecting reading materials based on his/her own interests. Identify the "who," "what," "when," "where," "why" and "how" of the text. While the goals of second Grade English and Language Arts are numerous, Reading Street will help you craft engrossing lessons. Your child will garner important English and Language Arts skills while completing a workbook, reading stories and poems, and taking assessments. Planning these lessons will be easier than ever, as all Reading Street systems are broken down ...

Great Migrations: Butterflies (National Geographic Readers)

Butterflies

Laura F. Marsh, National Geographic U.S. Society

Scholastic Inc.-2010-10-01

48 pages

The monarch butterfly, one of the most seemingly delicate of all of nature's animals, proves to be one of the toughest in this reader. Making the yearly trip from the Northern United States and Canada to the Oyamel forest of Mexico is no easy task, and it takes five generations of butterflies in order to do so. Battling cold temperatures and the threat of starvation, these beautiful insects complete an almost 3,000 mile journey over the course of two months, only to have to turn and around and head back home. In November

Cynthia Rylant

Harcourt Brace-2000-09-15

32 pages

In November, the air grows cold and the earth and all of its creatures prepare for winter. Animals seek food and shelter. And people gather together to celebrate their blessings with family and friends. Cynthia Rylant's lyrical language and Jill Kastner's rich, cozy paintings capture the cherished moments of this autumn month--the moments we spend together and the ones we witness in the world around us.

Miss Nelson Is Missing! (Miss Nelson, #1)

Harry Allard

Sandpiper Books-1985-10-28

32 pages

The kids in Room 207 were misbehaving again. Spitballs stuck to the ceiling. Paper planes whizzing through the air. They were the worst-behaved class in the whole school. So begins this quirky classic, first published in 1977 and still relevant today as a lighthearted reminder to show our appreciation to those we value. The students don't proffer a shred of respect for their good-natured teacher Miss Nelson, but when the witchy substitute Miss Viola Swamp appears on the scene, they start to regret their own wicked ways. James Marshall's scritchey, cartoonish full-color ink and wash illustrations are hilarious. A back-to-school perennial!

Lost Treasure Of The Emerald Eye

Geronimo Stilton,Elisabetta Dami

Scholastic, Inc.-2000-01-01

128 pages

Todo comenzó cuando encontramos un misterioso mapa en un mercadillo. Hablaba de una isla lejana, y de un tesoro escondido. Así que partimos a bordo de un velero; fue una aventura inolvidable... ¿Quién es Geronimo Stilton? ¡Soy yo! Soy un tipo distraído, con la cabeza en las nubes... Dirijo un periódico, pero mi verdadera pasión es escribir. ¡Aquí en Ratonía, en la Isla de los Ratones, todos mis libros son unos bestsellers! Pero ¿cómo?, ¿no los conocéis? Son esas historias cómicas, tan tiernas como un queso de bola, tan gustosas como un gorgonzola y tan entretenidas como contarle los agujeros a una loncha de gruyer... En definitiva, historias morrocotudas, ¡palabra de Geronimo Stilton!

A cute kitten disrupts Petey's plans in the third Dog Man book from worldwide bestselling author and artist Dav Pilkey. He was the best of dogs... He was the worst of dogs... It was the age of invention... It was the season of surprise... It was the eve of supa sadness... It was the dawn of hope... Dog Man hasn't always been a paws-itive addition to the police force. While he can muzzle miscreants, he tends to leave a slick of slobber in his wake! This time, Petey the Cat's dragged in a tiny bit of trouble -- a double in the form of a kitten clone. Dog Man will have to work twice as hard to bust these furballs and remain top dog! Dav Pilkey's wildly popular Dog Man series appeals to readers of all ages and explores universally positive themes, including empathy, kindness, persistence, and the importance of being true to one's self.

There Was an Old Mermaid Who Swallowed a Shark!

Lucille Colandro

Scholastic Inc-2018-01-01

57 pages

There was an old mermaid who swallowed a shark. I don't know why she swallowed a shark, but it left no mark! Scholastic's bestselling Old Lady is starring in a brand-new adventure series that will make you laugh AND learn! In this new spin-off, the Old Lady turns into an Old Mermaid, travels down into the ocean, and swallows a shark . . . and a squid, and a fish, and an eel, and a crab, and a sea star, and a clam . . . Why? Well, it was fun to cram her mouth with a clam! Two new characters lead the reader through this hilarious adventure while exchanging some awesome facts about the creatures down under for a light take on nonfiction that's perfect for this age. With expanded sea creature back matter and a search-and-find game at the end, this Old Mermaid is making quite a splash!

Lawn Boy Returns

Gary Paulsen

Scholastic, Inc.-2011-09-01

101 pages

The summer I was twelve, mowing lawns with Grandpa's old riding mower turned into big business. With advice from Arnold the stockbroker, I learned all about making money. Six weeks and hundreds of thousands of dollars later, life got more complicated. You see, the prizefighter I sponsor, Joey Pow, won a big fight. And a TV interview made me famous. As Arnold says, "Capitalism plus publicity equals monster commerce." Even my best

friends wanted a piece of the action. Meanwhile, some scary guys showed up at Joey's gym... Gary Paulsen's funny follow-up to Lawn Boy is full of big surprises and big laughs.

Sisters

Raina Telgemeier

Scholastic, Inc.-2014-08-26

208 pages

The companion to Raina Telgemeier's #1 NEW YORK TIMES bestselling and Eisner Award-winning graphic memoir, SMILE. Raina can't wait to be a big sister. But once Amara is born, things aren't quite how she expected them to be. Amara is cute, but she's also a cranky, grouchy baby, and mostly prefers to play by herself. Their relationship doesn't improve much over the years, but when a baby brother enters the picture and later, something doesn't seem right between their parents, they realize they must figure out how to get along. They are sisters, after all. Raina uses her signature humor and charm in both present-day narrative and perfectly placed flashbacks to tell the story of her relationship with her sister, which unfolds during the course of a road trip from their home in San Francisco to a family reunion in Colorado.

Muddy As A Duck Puddle And Other American Similes

Laurie Lawlor

Holiday House-2011-07-01

This collection of similes from A to Z is as zany as a chigger chased around a stump. It includes rib-tickling folk expressions from Americans of all walks of life and all parts of the country in a bodacious tribute to both our country's diversity and pioneer heritage. There is a funny simile and uproarious illustration for each letter of the alphabet. Readers who are as curious as cats will enjoy the fascinating author's note that explores the origins of the expressions. A bibliography is included.

Arnie the Doughnut

Laurie Keller

Scholastic Inc.-2006-01-01

40 pages

Arnie the talking doughnut convinces Mr. Bing that not all doughnuts are meant to be eaten. A deliciously imaginative story about friendship-from the author - illustrator of The Scrambled States of America. Arnie was fascinated as he watched the customers stream into the bakery. One by one, doughnuts were chosen, placed in paper bags, and whisked away with their new owners. Some went by the dozen in giant boxes. "Good-bye!" Arnie yelled to each doughnut. "Have a good trip!" "This is so exciting!" Arnie beamed. "I wonder who will choose ME?" At first glance, Arnie looks like an

average doughnut-round, cakey, with a hole in the middle, iced and sprinkled. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts-or at least have a hand in his own future? Well, you'll just have to read this funny story and find out for yourself.

Skippyjon Jones

Judith Byron Schachner

Scholastic-2005-10-01

32 pages

From School Library Journal Kindergarten-Grade 3-This is a wildly wonderful book about a hyperactive kitten, Skippyjon Jones, whose head and ears are too big for his body, and whose imagination is too intense for his mama. According to her, he needs to do some serious thinking about what it

means to be a Siamese cat instead of a bird (Skippyjon always wakes up and eats worms with his feathered friends). She sends him to his room, where he imagines he is a Chihuahua ("My name is Skippito Friskito./I fear not a single bandito"). Chock-full of rhyming chants and Spanish expressions, the feline's adventure as a doggy Zorro ends in chaos. His frazzled mother gives him a hug anyway and says, "Say good night, Skippyjon Jones." "Buenas noches, mis amigos," says the kitten, as he bounces on his bed all ready for another adventure. The buoyant and colorful cartoon illustrations match the exuberant text perfectly. Spanish-speaking children will be especially delighted by the words and humor; others may be a little bewildered by all of the foreign phrases and will need some explanation, but the story definitely has the potential of a fun read-aloud. A good multicultural offering. Judith Constantinides, formerly at East Baton Rouge Parish Main Library, LA Copyright © Reed Business Information, a division of Reed Elsevier Inc. What If You Had T. Rex Teeth?: And Other Dinosaur Parts

Sandra Markle

Scholastic Inc.-2018-12-26

32 pages

What if you woke up one morning and you had sprouted a dinosaur body part overnight? What If You Had T. rex Teeth? -- the next imaginative book in the What If You Had series -- explores what would happen if you looked in the mirror and saw that you had become part dino! From a Velociraptor's sharp sickle-tipped toes to a T. rex's giant curved teeth, and from the body armor of an Ankylosaurus to the long neck of a Brachiosaurus -- discover what it would be like if you had one of these wild dinosaur parts! Readers will also learn what makes a dinosaur a dinosaur and why they aren't still around today.

That's Deadly: Fatal Facts That Will Test Your Fearless Factor (National Geographic Kids)

Crispin Boyer

Scholastic Press-2015-01-01

176 pages

Put on your suit of armor and grab your bear spray because it's time to explore the deadly side of things. This is the perfect book for curious boys and girls who want the real scoop on predators, natural disasters, and dangerous jobs. That's Deadly! takes you on a journey to explore all of the things in this world that can put your life in jeopardy. From spewing volcanoes to ferocious predators, you'll find tons of fascinating facts that will keep you lying awake at night wondering what exactly might be lurking under your bed. Can't sort fact from fiction? Don't worry, we've layered in playful reality checks so kids know the actual peril possibility factor (PPF) is far less than perceived (as long as you steer clear of certain situations!). With beautiful photographs, humorous text, and fun and funky design, think of it as the almanac of danger.

Whoosh!: Lonnie Johnson's Super-Soaking Stream of Inventions

Lonnie Johnson's Super Stream of Inventions

Chris Barton

2016-01-01

32 pages

"You know the Super Soaker. It's one of the top twenty toys of all time. And it was an accidental discovery that brought it into being. Trying to create a new cooling system for refrigerators and air conditioners, inventor Lonnie Johnson instead created the mechanics for the iconic toy. A love for rockets, robots, inventions, and a mind for creativity were present in Lonnie Johnson's early life. Growing up in a house full of siblings, Lonnie demonstrated persistence and a passion for problem solving that became the cornerstone of his career as an engineer and his work with NASA. But it is Lonnie's invention of the Super Soaker water gun that has made the most memorable splash in popular culture."--

Peter Reynolds

New York : Scholastic, 2003.-2003-01-01

144 pages

With the help of a mood ring, a Magic 8 Ball, and some old-fashioned intuition, Judy Moody is convinced that she can foretell the future in a new episode that's funnier than ever. Judy Moody ate one, two, three bowls of cereal. No prize. She poured four, five, six bowls of cereal. Nothing. Seven. Out fell the Mystery Prize. . . . Judy definitely has a mood for every occasion. And now she has a mood ring to prove it The mood ring's Extra Special Powers have put Judy in a predicting mood, and her outrageous predictions have everyone wondering if Judy really is psychic. According to "Madame M" (for Moody), the Toad Pee Club's long-lost mascot will reappear, Judy will earn the coveted Thomas Jefferson tricorner-hat sticker for Great Job, Good Thinking--and love may be the real reason behind her teacher's new eyeglasses. Will Judy's latest adventures put kids in a very Judy Moody mood? (Signs point to yes)

Mush! The Sled Dogs of the Iditarod

Sled Dogs of the Iditarod

Joe Funk

Scholastic Paperbacks-2013-01-01

48 pages

Sled dogs are a very popular topic among children, and in Spring 2013 the Iditarod will be celebrating its 40th anniversary! The Iditarod has been called the "Last Great Race on Earth." Spanning over 1,150 miles of the roughest terrain in the world, this race crosses jagged mountain ranges, frozen rivers, forest, tundra, and miles of windswept coast. Add to that the below-zero temperatures, winds that cause complete loss of visibility, long hours of darkness, treacherous climbs, and you know this nickname is no joke. A race this rugged would not even be possible for the human competitors (or "mushers") without their sled dogs! With between 12 to 15 per team and over 50 teams competing, there are nearly 750 dogs that compete in this race every year. Doggy-lovers and children everywhere will love to learn about these dogs and just how exactly they manage to compete in this grueling race. MUSH! will teach young readers about the Iditarod, the mushers, and the dogs whose history dates back to the famous Balto. Full-color photos will be used throughout to complement the informative text.

Reading 2011 Leveled Reader 2.1.2 on an Astronaut Space Walk

Ginny Grissom

Pearson Scott Foresman-2009-07-01

12 pages

The fun and excitement of English and Language Arts learning continues in Grade 2 of Reading Street. This comprehensive and dynamic curriculum for homeschooling is geared toward young children who have some foundational English and Language Arts knowledge and are ready to strengthen their skills. Comprised of engaging activities, challenging content and weekly quizzes, Reading Street: Grade 2 is the next step in your child's path toward becoming a lifelong learner and reader. As with all Reading Street products, the Grade 2 system is formatted to help students meet certain age-appropriate goals. After completing this English and Language Arts homeschool program, your child should be able to: Read and comprehend two-syllable words. Identify common prefixes (such as pre-, un-, or re-) and suffixes (such as -able, -ad and -er). Correct mistakes made when reading out loud. Read books with two or more chapters. Understand the structure of stories (i.e. beginning, middle and end). Start selecting reading materials based on his/her own interests. Identify the "who," "what," "when," "where," "why" and "how" of the text. While the goals of second Grade English and Language Arts are numerous, Reading Street will help you craft engrossing lessons. Your child will garner important English and Language Arts skills while completing a workbook, reading stories and poems, and taking assessments. Planning these lessons will be easier than ever, as all Reading Street systems are broken down ...
