After sharing the story of a little bird who is afraid to have flying lessons in front of his friends, Mrs. Raccoon tells Chester that being brave doesn't mean being unafraid; being brave means not letting that fear stop him. Mrs. Raccoon teaches Chester an important strategy: Think-Tell-Do. When he thinks he is afraid, he tells himself he can do it, and then he just does it. Of course, getting a Kissing Hand helps a little too. This simple strategy can be helpful to children in many different situations.

♥ Chester's Way

Kevin Henkes

HarperCollins (December 14, 2021)

Summary:

"I like croquet and peanut butter and making my bed." There is only one way for Chester to do things—his own way. "You definitely have a mind of your own," said Chester's mother. "That's one way to put it," said Chester's father. Luckily Chester's best friend, Wilson, likes doing things just the same way as Chester. When they cut their sandwiches, it's always diagonally. When they ride their bikes, they always use hand signals. If Chester is hungry, Wilson is too. They're two of a kind—until indomitable Lilly, who has her own way of doing things, moves into the neighborhood. Because Lilly has her own way of doing things! Written and illustrated by Kevin Henkes, the nationally bestselling and celebrated creator of Lilly's Purple Plastic Purse, Kitten's First Full Moon, and Chrysanthemum, Chester's Way is a classic picture book about friendship for kids ages 3-7. With sweet good humor and charming pictures, the book's themes of making new friends, accepting others, and trying new things resonate when curled up with a parent or at story time.

Mom and Dad are resting in their bedroom before heading to an elegant ball. They've asked Eric to take care of Julieta, his little sister, until Grandma arrives. To keep Julieta from making too much noise (although she seems to be playing very quietly with her dolls), Eric comes up with a brilliant idea: How about trying the dress that Mom is going to wear that evening? Julieta loves it. They fetch the whole ensemble and go to Eric's room, where Julieta stumbles atop of the stool, yells atop of her lungs and the pearls from the necklace are all over the floor. "Eeeeriiiiiiic!" Bilingual title: Como mama / Just Like MomMama y papa van a dormir una siesta para estar descansados para el baile que tienen esa noche y le piden a Eric que vigile a Julieta, su hermanita pequeña, hasta que la abuela llegue. Para que su hermana no haga ruido (a pesar de que está jugando tranquilamente), a Eric se le ocurre una brillante idea: por que no se prueba el vestido que va a usar su mamá por la noche? Y ya que está en eso, por que no usa un poco de maquillaje y se prueba el collar de perlas? Pero oh, no! Julieta se tropieza, el collar se rompe y se caen las perlas por todo el suelo. Eeeriiiiic!

♥ Mufaro's Beautiful Daughters

John Steptoe

Harper Collins (March 31, 1987)

Summary:

Mufaro was a happy man. Everyone agreed that his two daughters were very beautiful. Nyasha was kind and considerate as well as beautiful, but everyone -- except Mufaro -- knew that Manyara was selfish, badtempered, and spoiled. When the king decided to take a wife and invited "The Most Worthy and Beautiful Daughters in the Land" to appear before him, Mufaro declared proudly that only the king could choose between Nyasha and Manyara. Manyara, of course, didn't agree, and set out to make certain that she would be chosen. John Steptoe has created a memorable modern fable of pride going before a fall, in keeping with the moral of the folktale that was his inspiration. He has illustrated it with stunning paintings that glow with the beauty, warmth, and internal vision of the land and people of his ancestors.

John Bush and Korky Paul

Kane/Miller Book Publishers (1991)

Summary:

Historical events, however consequential, reduce easily to abstractions that quantify rather than qualify. Statistics, however disturbing, distance us from the responses that they should elicit. Lest we become anesthetized, we turn to fiction or poetry, to searing imagery and compression of language that crystallize for us the immeasurable elements of historic tragedy. A delicate and brave retelling of the Holocaust, *The Death Mazurka* rediscovers the human equation—numbers assume faces in a catalog of events that dance hauntingly before us. As the most humanistic of histories, this tight cycle of poems is riveting; as art, it engraves an unforgettable portrait of pain and beauty. What Charles Fishman has choreographed, memory will not relinquish.

♥ The Snowy Day

Ezra Jack Keats

Penguin (2012)

Summary:

The magic and wonder of winter's first snowfall is perfectly captured in Ezra Jack Keat's Caldecott Medal-winning picture book. Young readers can enjoy this celebrated classic as a full-sized board book, perfect for read-alouds of all kinds and a great gift for the holiday season. In 1962, a little boy named Peter put on his snowsuit and stepped out of his house and into the hearts of millions of readers. Universal in its appeal, this story beautifully depicts a child's wonder at a new world, and the hope of capturing and keeping that wonder forever. This big, sturdy edition will bring even more young readers to the story of Peter and his adventures in the snow. Ezra Jack Keats was also the creator of such classics as Goggles, A Letter to Amy, Pet Show!, Peter's Chair, and A Whistle for Willie. (This book is also available in Spanish, as *Un día de nieve*.) Praise for *The Snowy Day* "Keats made Peter's world so inviting that it beckons us. Perhaps the busyness of daily life in the 21st century makes us appreciate Peter even more--a kid who has the luxury of a whole day to just be outside, surrounded by snow that's begging to be enjoyed." --The Atlantic Ezra Jack Keats's classic *The Snowy Day*, winner of the 1963 Caldecott Medal, pays homage to the wonder and pure pleasure a child experiences when the world is blanketed in snow.--Publisher's Weekly

♥ **The Three Bears**

Paul Galdone

Houghton Mifflin (2001)

Summary:

“A fresh retelling of the familiar three bears nursery tale. Galdone presents a mischievous, impulsive Goldilocks minus a front tooth and the usual prettiness that has conventionally characterized her. The humorous, representational illustrations help children picture the desirable home and family life of the three bears. The initial double-page spread, which shows the father bear pushing the youngest family member in a swing while the mother proudly watches at the door of their log cabin home, is especially pleasing. Another realistic touch, the teddy bear of the Little Wee Bear which experiences the same mishandling as a real child’s toy, will also enable children to better relate to the story. Four- to six-year-olds are sure to enjoy Paul Galdone’s interpretation, and they should gain good visual concepts of size and of right to left from the delightful pictures and the use of various type sizes.”—School Library Journal

Summary:

Everyone knows the story of the three little pigs, but now you're going to meet the three little javelinas (pronounced ha-ve-LEE-nas)-loveable, wild, southwestern cousins of pigs. Living in homes built out of tumbleweeds and saguaro ribs (from the fallen giant cacti), the first two javelinas are soon running from the hungry coyote, who had hoped to eat them with red chile sauce. And where do they go for shelter? Why, to their wise sister's house, made strong with adobe bricks. This clever and humorous tale is sure to delight children of all ages, especially those familiar with the Southwest. ♥ The Three Little Wolves and the Big Bad Pig

Eugene Trivizas

Farshore (January 27, 2015)

Summary:

The classic fight between pigs and wolves as you've never seen it before! A subversive and hilarious take on the well-loved fairy tale. The three little wolves erect first a solid brick house. The big bad pig comes along and when huffing and puffing fails to work, he uses a sledgehammer to bring the house down. Next they build a home of concrete: The pig demolishes it with his pneumatic drill. The three little wolves choose an even stronger design next time round: They erect a house, made of steel, barbed wire, armor plates and video entry system, but the pig finds a way to demolish it too. It is only when the wolves construct a rather fragile house made of cherry blossoms, daffodils, pink roses, and marigolds that the pig has a change of heart...A great read for children who enjoyed *The Wolf's Story* by Toby Forward. Kids aged 5 and up will enjoy this hilarious, subversive and brilliant read aloud picture book. Eugene Trivizas's text for *The Three Little Wolves and the Big Bad Pig* is perfectly complemented by Helen Oxenbury's watercolour illustrations. Eugene Trivizas has written over 100 books and is the winner of more than twenty national and international prizes and awards. His work has been adapted for stage, screen and radio. Helen Oxenbury's warm and witty illustrations have charmed children and adults alike for many years. Her version of *Alice in Wonderland*, published by Walker Books, won the 2001 Kate Greenaway Award, which she first won in 1969 for *The Quangle Wangle's Hat*. She has also won the Smarties Book Prize three times.

♥ **The Tiny Seed**

Eric Carle

Simon and Schuster (April 1, 2001)

Summary:

In autumn, a strong wind blows flower seeds high in the air and carries them far across the land. One by one, many of the seeds are lost -- burned by the sun, fallen into the ocean, eaten by a bird. But some survive the long winter and, come spring, sprout into plants, facing new dangers -- trampled by playing children, picked as a gift for a friend. Soon only the tiniest seed remains, growing into a giant flower and, when autumn returns, sending its own seeds into the wind to start the process over again. Eric Carle's eloquent text and brilliant collages turn the simple life cycle of a plant into an exciting story, a nature lesson, and an inspiring message of the importance of perseverance.

ABDO (September 1, 2005)

Summary:

A mother duck hatches a brood of ducklings. All are sweet little yellow babies - - all but one, who is very large, very gray, and very ugly. The poor ugly duckling is teased and tormented by everyone he meets, even his own mother, brothers, and sisters. Driven from his home in the barnyard, the unhappy duckling wanders the world alone, suffering hardships, cruelty, and ridicule wherever he goes. This exquisite tale of rejection and redemption has been a favorite with children since its first publication in 1845. The hapless duck's plight, and his ultimate triumph, is especially relevant in today's image-conscious world.

Two adventurous cows jump to the moon, where they find many dozens of other cows enjoying themselves. Millie and Maude are two cool cows who fly to the moon and back in a night wearing the Huckabuck children's new black boots. "Speedy gleefully and rhythmically subverts the nursery classic. And Root plays along zestily, coloring the Huckabuck farm with quiet, pastel tints and the moon with rich, jazzy tones -- some of which 'return' with the cows. "This tales needs some dynamic art, and Root comes through with motion-filled spreads featuring two black-and-white, shades-wearing cows. He catches all the humor, too; each out-of-this-world picture is a smile provoker."
