

REQUESTING VOLUNTEERS/REPRESENTATIVES FOR THE 2022-2023 TITLE I PARENT TRAINING ACADEMY WORKSHOPS

We need parents to represent your school at the Title I Parent Training Academy workshop sessions for the 2022-2023 school year. This year's theme is...
Title I Superheroes: Transforming Minds, One Superpower at a Time!

The goals of the Title I Parent Training Academy are:

- To explain the Title I Program
- To improve parenting and literacy skills
- To model strategies for parents and families that will be used at home to help their children with reading, writing, math, and science.

There will be eight training sessions including an Orientation, STEM Fests and the Annual Parent Seminar. Parent Training Academy Workshops are held virtually from 7:00 PM to 8:30 PM. The locations and times for the STEM Fests and Annual Parent Seminar will be announced. Title I parents and families are encouraged to attend all of the engaging and informative workshops. It is our hope that you would make a commitment to share your new knowledge with other parents.
