

August, 2022

**Dear Parent/Guardian of Incoming First Grade Students,**

We are thrilled to be serving your child for the 2022-2023 school year! To kick off the new year, we wanted to share a few things you and your child should know to when it comes to mealtime in the school cafeteria.

**PIN Number for Meal and Snack Purchases**

Included in this letter is your student's 5-digit student number which serves as their PIN number for meal and snack purchases.

Each student has a meal account accessible to them through their student ID number.

Students will need to enter their PIN number for all meal and snack purchases at lunch.

Please help your child learn their student ID number. Included with this correspondence is a picture of the PIN Pad they can use to practice entering their number.

**School Cafe**

Families can manage their child's account through [www.SchoolCafe.com](http://www.SchoolCafe.com).

At this website you can apply for meal benefits, add funds, check balances, view purchases, and set notifications and limitations.

We also accept cash and checks at the register to avoid service fees.

**Menus, Nutrition Facts at Your Fingertips**

Printed menus are sent home monthly.

Menus are also available at: <https://haverford.nutrislice.com>.

Through Nutrislice, an innovative app, students, parents and faculty have access to school menus, that include nutrition information, allergens and photos. The Nutrislice app can be downloaded for free from the App store (iOS) or Google Play (Android) and is available on desktop and mobile devices.

**Your feedback is important to us. Feel free to reach out to our team with any questions or comments.**

Thank you,

Lisa Taddei  
Director of Dining Services

## **PIN PAD used at lunch for students to enter their number**

The number entered will appear on this screen.

They should press enter after they enter their number

**Please help your child memorize their number and practice entering it into the PIN Pad.**

**Thank you!**
