Due to the need to efficiently conduct its business within the available time, to deal with situations where the Board needs to address issues not on the Agenda; the Agenda may be amended after the start of a meeting upon a motion that states the reason for the amendment and states the good faith reason the agenda item was not included in the original agenda posting. Final action may not be taken on an agenda item added after the start of a meeting unless an emergency is declared necessitating action at that meeting. The declaration and justification shall be reflected in the minutes. [State of Idaho Code 74-204 (4)(c)]
