My name is Kinsley Woods, and I play softball in Puckett. I am in the 10U age group and got put on an All-Star team for Puckett. We played in Bay Springs and we won our first game against Pontotoc (16-0). That Sunday we played against Taylorsville. It was a tough game, but we pulled through and won that one too. We became the state champions and found out we would be playing in Alexandria, Louisiana for the Little League World Series. We were one of the first Puckett teams to be going to the World Series! When we got there, we had to go to a banquet where we exchanged gifts with the team we were playing first which was Virginia. That was fun! We did get beat and put out of the World Series, but it was an awesome experience to be able to go.
