Attention all dog owners! It's that time of the year again...time to choose this year's Honorary Talbot Mascot! Does your dog have what it takes to win it all and take the title? Voting for our building's representative dog will take place September 20th, 21st, and 22nd. Ask ALL of your friends to bring in their spare change to vote for YOUR dog on those days. Only one winner from (insert your school's name here) will go on to the final competition at the Talbot Tailgate on Friday, September 23rd. **The voting starts over at the Tailgate** and the dog earning top dollar there will be the **one and only** 2022-2023 Honorary Talbot Mascot. It could be **your** dog's name announced as this year's Honorary Talbot Mascot during halftime of the football game! Don't forget to enter by Thursday, September 15th, and good luck!

Dear Hampton Middle School Community,

This year at HMS, we are excited to announce a new project for eighth grade students during their Career Awareness course rotation. We have revised our curriculum to include a unit on financial literacy, in addition to the unit on career exploration. We have partnered with the Clearview Federal Credit Union to allow our students to participate in a "Reality Fair" as a culminating project for the course. The purpose of this project is to promote financial literacy for our students and give them practice budgeting and making financially sound decisions. As part of this hands-on activity, students will visit several different themed booths to decide how they will strategically manage a prescribed salary. Each student's salary will directly connect with their career of choice to which they also researched and interviewed throughout the course.

To successfully implement this project, we need the help of our dedicated parents and community members to run the Reality Fair booths. There will be approximately ten booths for our students to visit, including housing, transportation, insurance, entertainment, utilities, etc. The Reality Fair will take place five different times throughout the year to give all eighth grade students an opportunity to participate when they complete the Career Awareness course rotation. Please feel free to volunteer for as few or as many days as you would like.

Your assistance will be needed from approximately 7:50am-9:30am on the days that you volunteer. This time period includes an overview of your responsibilities prior to students joining the event. All materials are provided, and no prior preparation or planning is needed. The dates of the Reality Fair are as follows:

- *Monday, October 17th*
- *Monday, December 12th*
- *Wednesday, February 15th*
- *Monday, April 17th*
- *Tuesday, June 6th*

Again, you may sign up to volunteer for as few or as many days as you can. If you are interested in volunteering, please click on the Google Form link below to sign up. If you have any questions or have issues signing up, please send an email to Mr. Rice at zachary.rice@ht-sd.org.

Thank you so much for your consideration in assisting with this unique learning opportunity for our students.
